

October 28, 2013

NOTES

Networking – Jane Howard and Christi Gale provided an overview of the executive summary; there were no concerns. This will move on for to the board for approval.

Web Update – Brandon reported that good feedback was received of the proposed design templates. Good progress is being made. The launch date for the new website has been changed to January 22, so as not to interfere with spring enrollment.

Grants Report – Cathie reported that Title III annual performance report is in process and that this grant is in its last year. SSS grant work continues and waiting notification of grant award submitted in Elaine's area for corrections.

Accreditation Update – Penny had nothing new to report.

Student Holiday Reception – Dr. Heilman reminded all that holidays are quickly approaching and asked that dates for holiday receptions be considered for campuses.

Miscellaneous
