2215-Service of Alcoholic Beverages for Special Events

Employee 1 Questions/Comments:

Two questions:

- Can you sell? (i.e. open bar as part of a fundraiser)
- Where are the designated areas?

Employee 2 Questions/Comments:

I am a non-drinker and I support this policy (I have no objection).

I have been at events at other institutions where alcohol was served and at times there were no “non-alcoholic” options offered. It is common courtesy to ensure that water, soda, coffee, tea, etc. be offered when alcohol is offered. It may or may not be necessary to add such language to this proposal.

Employee 3 Questions/Comments:

Would this include Camp Aldrich? We are having the XXXXXXXX in XXXX out there, do we need to send in a request form for the XXXXXXX and XXXXX to service alcohol?

Employee 4 Questions/Comments:

This reads as if it is just for main campus? We don't have security and the foundation has little if any involvement in a Fort Riley or GVP events.
