Questions/Comments	Would it be appropriate to use the link to the Maxient Incident Reporting form, or something similar but less detailed?  Stephanie Joiner
Response(s)	Stephanie,  Good to know. If the format of the form can be changed, and it is capable of going directly to Jim/Lucas, then Lucas/Jim can work with you to get something that they feel will work to gather the proper information. I am fully onboard with automating the filling out and delivery of these reports and I am aware that our current forms are limited in their ability to be automated.  Jim/Lucas, please work with Stephanie as time allows.  Thanks, Mark
