

Appeals Statistics:

Processing appeals for students who are placed on financial aid suspension or who have reached the federal 150% limit for completing their Program of Study represent a good amount of time spent processing aid applications.

Aid Year	Appeal Notifications Sent to Students	Appeals Submitted by Students & Processed	Students who had Appeals Approved and were Placed on Academic Plans
17-18	405	294	248
16-17	326	255	214
15-16	383	281	181
14-15	398	278	172
13-14	338	247	186
