Concern	Solution/ Policy/Procedure	Frequency (if applicable)	Notes
			<p><i>work through the transfer information provided by the NCAA and the NAIA to better understand their eligibility. The worksheet has been shared with advisors. The implementation of the worksheet has occurred with the 2019-2020 school year and utilized with a limited number of freshman student athletes. Expansion is planned. (November 2019)</i></p> <ul style="list-style-type: none"> <i>Academic planning is ongoing via the Barton Playbook class. The Director will host zoom sessions in October and April for student athletes to review transfer guidelines and complete their individual academic plan.</i>
Compliance Assurance	Eligibility status of at least 10% of all student-athletes' on the NJCAA eligibility list to be reviewed and confirmed.	Beginning of each semester	The Registrar completes and reviews 100% of the eligibility list.
	Alert financial aid and athletic departments when conflicting information exists in Banner re student-athlete GED or high school diploma confirmation.	Prior to online eligibility submission	The Athletic Department provides Enrollment Services with a student eligibility list per sport. Enrollment Services confirms required documentation, requests missing paperwork and completes student record processing as documentation becomes available. Any discrepancies with high school or GED information is reported and updated as applicable to individual student records. Once all documentation is in order, online eligibility is submitted.
	NJCAA Online Eligibility submitted prior to the first competition date of each season.	Prior to the first competition date of each season annually	Chuck Smrt, College Attorney, recommended eligibility review of 10% of student athletes by Enrollment Services – Barton reviews 100% of student athletes
	Athletic Department COVID-19 Reporting	Weekly	At the direction of the KJCCC Executive Committee the first tab has been provided. The KJCCC conference has been directed to track the number of active cases concerning each member and their population of student athletes for each week. This is done in an effort to provide data for the conference office and the member colleges to make informed decisions about how to safely navigate athletic competition amidst the pandemic. Each
