2171-Information Services Security Procedure

<u>Questions/Comments #1</u>	
Questions/Comments	<p>Would there be the need to add information about the IRB here since this contains a lot of information on data use? I know the IRB team with Todd is new, so I didn't know if that had been considered or if it simply does not apply.</p> <p>Just a thought....thanks!</p> <p>Lee Miller</p>
Overseer Response(s)	<p>I haven't read the attached policy yet. As for the IRB, it was formed for HLC review because other schools have them. No policy or even a need behind it</p> <p>Todd Mobray</p>
