CRM Advance - Configure

Resources to which CRM Advance subscribes

Last Updated **Oct 17, 2022** | 🕐 2 Minutes read | # **CRM Advance**   # **Configure**   # **Baseline**

CRM Advance subscribes to data changes published in Ethos Integration, for the resources listed here.

These data changes are published from Banner and Colleague or external vendors.

In the following table, some resources list multiple supported versions. CRM Advance always uses the latest supported version.
