

Photography / Video
Non-permission / Opt-out Form

(Complete and return this form to the Public Relations department ONLY if you do NOT give permission for your photo/video to appear in possible college publicity images, including postings on the website and/or social media.).

Employees of the College, students, and the general public are advised that photographs/video taken at public events do not require authorization for publication.

In addition to this form, a current photo of the individual requesting the opt-out must be provided at the time of submittal and must be attached to this form.

This opt out request is good for one year (July 1 through June 30) and must be renewed each year to be valid (updated photo must be attached).
