+ **Phi Theta Kappa Member**

Phi Theta Kappa is a national honor fraternity for community college men and women, recognized by the American Association of Community Colleges. Its purpose is the promotion of scholarship, the development of leadership and service and the cultivation of fellowship among the students of the community colleges of the United States. Initiates are selected on the basis of scholastic rank (having completed at least one term of community college work), and must be judged of good moral character and possess good citizenship qualities.

~ **SPARK**

All Barton students are eligible for membership in Barton's Community Student Organization (CSO) and SPARK. Both organizations joined together this year to meet the goals of each organization. CSO focuses on community service and developing relationships between Barton's diverse students along with developing leadership skills. Barton's SPARK goals include growing entrepreneurial spirit and increasing knowledge in the business area along with leadership. Students earning the cords for these organizations have met community service and activity requirements. This is the first year this membership has been recognized.

ACADEMIC REGALIA

Since the regalia used in colleges and universities for academic occasions may not always be understood by visitors to a campus, the following information will explain the items of apparel. Everyone possessing a college degree is entitled to wear a black robe on appropriate occasions. Faculty members wear hoods in addition to the gown. Hoods are generally black, trimmed in velvet in the color of the subject field, and are lined with the colors of the college or university conferring the degree. The correct colors to denote various branches of learning have been established by the Intercollegiate Code.

ACADEMIC INTEGRITY AT BARTON

Academic Integrity is integrated into Barton culture through the use and discussion of six values: Trust, Responsibility, Honesty, Courage, Fairness, and Respect. Through the use of these values, we create a space and provide context to discuss academic integrity and how it impacts students' academic and professional lives. To support the promotion of the six values, Barton created the role of the Academic Integrity Ambassador. The students selected for this opportunity were empowered to share their voice and story around a specific value. Please join Barton in recognizing the 2020-2021 Academic Integrity Ambassadors for their commitment to integrity in education:

Ashanti Davis – Trust

Elsie Randel – Responsibility

Vanessa Oduah – Honesty

Kacper Mayerberg – Fairness

Carolina D'Anniballe de Salles – Respect

Terry Charlett & Troy Hardwick – Courage

2021 OUTSTANDING GRADUATE AWARDS

Faculty and staff submit nominations for the Outstanding Graduate Award based on leadership skills, active participation on campus, community involvement and excellence in academics. A committee of faculty, staff, and students selected the 2021 Barton County Campus Outstanding Graduates from the nominees.

Elvia Alejandra Salazar Beck

Elvia Alejandra Salazar Beck grew up in Baumholder, Germany and has resided in Great Bend while attending Barton's nursing program. Elvia is the daughter of Yadira and Leonardo Salazar of El Paso, Texas, and is married to Christopher Beck. While attending Barton, Elvia has served as President of the Barton Nursing Club, Co-Community Service Chair for Barton's chapter of Phi Theta Kappa, and a member of Barton's non-traditional student honor society, Alpha Sigma Lambda. Elvia began her educational journey with Barton at our Fort Riley campus, where she also served as a volunteer tutor for English as a Second Language (ESL) students. While attending school, Elvia worked as a Certified Nurse Aide (CNA) and eventually as a Licensed Practical Nurse (LPN) at the University of Kansas Health System-Great Bend Campus and at QS Nurses. Elvia's future plans are to work as a registered nurse in a Nurse Residency Program while continuing her education in pursuit of her Bachelor of Science in Nursing (BSN). Her eventual career goal is to serve as an operating room nurse.

Kaitlynn will transfer to Kansas State University this fall, where she will work toward her Bachelor's Degree in Athletic Training. Her longer term educational goals include earning a Master's Degree in Athletic Training as well.

2021 BARTON DIFFERENCE

Barton graduating students were asked to name employees who made a difference in their lives.

Emily Harper

*Academic Advisor
Fort Riley Campus*

She walked me through the program, helped me out with registering for courses and made sure that I got the right book for the course. I could not have made it without her.

- Nominated by Kossi Awude

Angela Campbell

*Instructor
Fort Riley Campus*

When I first started my journey, I didn't know how much psychology really meant to me or how much of a passion I had for it. Ms. Campbell made me love psychology and everything that surrounds it. She opened my eyes to new possibilities for furthering my education. I truly believe she deserves this award.

- Nominated by Jeamelah Samedy

Kathy Boeger

*Instructor/Coordinator of Business and Accounting
Barton County Campus*

Professor Boeger has not only been an instructor for four accounting courses that I have taken over the past year, but she is also my advisor. She has always gone above and beyond to help me with any questions or concerns that I may have had. She is an excellent teacher who truly cares about her students and deserves to be recognized for her efforts. I am not sure I would have survived this past year without her positive encouragement. I am so thankful for everything she has done for me.

- Nominated by Tonya Navarro
