## Testing and Placement

The Testing Center provides a broad range of testing services to meet the needs of a diverse student population: college placement, English as a Second Language placement, credit by exam, correspondence exams, and certification and licensure exams. Special arrangements can be provided for disabled students. For special arrangements, contact Student Services at 620-792-9240.

Students at both the Great Bend campus and the Fort Riley campus entering college for the first time without ACT, SAT, ASSET, Accuplacer, or COMPASS scores must take the Accuplacer test. Students must have scores on file if they are pursuing a certificate or an associate's degree program or are enrolling in a general education class requiring specific ACT, SAT, ASSET, Accuplacer, or COMPASS scores. These scores will be used to place students in the appropriate English, Reading, or Math course. Please contact the Testing Coordinator at 620-792-9344 to schedule a testing date at the Great Bend campus. Fort Riley campus students may contact the Programs Office at 785-784-6606 to schedule a testing date.

Testing provides both you and your advisor an effective tool to assure academic success. Through enrollment in proper courses, you are more likely to meet your academic goals.

Students are encouraged to test as early as possible before seeing a counselor or faculty advisor. To schedule an appointment for the Accuplacer test, contact the Testing Center at 620-792-9344.
