Once an award is made, it will not be updated if there is a change in the student’s GPA or ACT scores.

- The scholarship will be available for six full-time semesters, automatically renewing at the student's current Barton GPA. The student will not have to complete a new scholarship application for renewal of their award.

Foundations, religious organizations, fraternities or sororities, town or city clubs, and community and civic groups such as the American Legion, YMCA, 4-H club, Elks, Kiwanis, Jaycees, Chamber of Commerce, and the Girl or Boy Scouts may all be sources of scholarship money.

Often, high school counselors will have a list of local community scholarships and who to contact. The public library is another source of information on private sources of aid.

Students should also try to contact organizations connected with their field of interest (for example, the American Medical Association or the American Bar Association). These organizations are listed in the U.S. Department of Labor's Occupational Outlook Handbook and are also listed in various directories of associations available at your public library. Also, if you (or your spouse) are a veteran or the dependent of a veteran, veteran's educational benefits may be available. Check with your local Veterans' Affairs office.

Deadlines for these community and organizational scholarship applications and amounts of awards will vary according to the organization.

## Satisfactory Academic Progress or SAP Policies

If you are receiving financial aid through federal, state, or institutional funding at Barton, you must meet Satisfactory Academic Progress (SAP) standards as determined by the College. At the end of each term, you will be evaluated on two factors:

- 1) Qualitative measure - Your term GPA must be at least 2.0; and,
- 2) Quantitative measure - You must complete at least 67% of your total attempted hours in the term. Your progress will be evaluated at the end of each term and your SAP status will be determined. The following chart explains the different SAP statuses:

Classification:	"Y" - Eligible	"P" - Probation	"N" - Suspension	"150%" – Federal Limit
<b>The effect on Financial Aid:</b>	➤ You are eligible to receive financial aid.	➤ You are eligible to receive financial aid. ➤ Your Financial Aid Officer may work with you and your academic advisor and/or Student Support Services to review ways to help you succeed.	➤ You are ineligible to receive financial aid. This includes grants, scholarships, loans, performance awards, and FWS (Federal Work Study)	➤ You are ineligible for receive financial aid because you have reached the federal limit.
<b>This classification results from:</b>	➤ Your term GPA was 2.0 or higher; and, ➤ You successfully completed at least 67% of your attempted classes during the term.	➤ Your term GPA fell below 2.0, OR ➤ You did not successfully complete at least 67% of your total attempted classes for the term. You failed, withdrew from, or took an "incomplete" in more than 33% of your classes.	➤ You failed, withdrew from, or took an "incomplete" in 100% of your attempted classes. OR ➤ You were on financial aid probation and for a second term failed to achieve SAP. A second term of failure to meet SAP standards results in suspension.	➤ You have taken more hours than necessary for your program of study.
<b>Ways to improve classification:</b>	➤ You have made SAP. Keep up the good work!	➤ If you earn at least a 2.0 term GPA and complete 67% or more of your attempted hours in a subsequent term, you will be taken off financial aid probation.	You may request an appeal of your suspension due to special circumstances by completing an appeal form. Depending upon your situation, you may be asked to provide documentation supporting your appeal. The appeal form may be accessed at this link: <a href="http://www.bartoncc.net/forms/finaid/susp_appeal.htm">http://www.bartoncc.net/forms/finaid/susp_appeal.htm</a>	You may appeal the 150% federal limit by contacting your Financial Aid Officer or emailing a request for the form to <a href="mailto:FinancialAid@bartoncc.edu">FinancialAid@bartoncc.edu</a>

## FAQ's

### How long may I receive federal financial aid?

You are allowed to receive federal aid for 150% of your program length.

- If you are degree-seeking, you may receive aid for 96 attempted hours since this is 150% of the 64 hours required to graduate from Barton.
- If you are certificate-seeking, you may receive aid for 150% of your program length. (e.g. for a 16 credit hour certificate, you may receive aid for 24 credit hours, for a 24 credit hour certificate, you may receive aid for 36 hours, etc.)

All attempted credit hours are counted towards the 150% including repeated classes, remedial classes, pass/fail classes, withdrawals, incompletes, and transfer hours and regardless of whether or not you received financial aid for the hours.

**What if I change my major or have other mitigating circumstances that prevented me from completing within the 150% timeframe?**

If you have special circumstances you feel should allow you to have the timeframe extended, you may appeal the 150% federal limitation by completing an appeal form which can be requested from the Financial Aid Office at: [FinancialAid@bartonccc.edu](mailto:FinancialAid@bartonccc.edu). You will need to submit to the Financial Aid Office the appeal form and a copy of a program completion plan signed by your academic advisor.

Students seeking an additional or a second degree who have reached the 150% limitation and want additional aid must appeal for an extension. The Financial Aid Committee will review the appeal. Approval of the extension of aid will be judged on a case-by-case basis by review of each case's unique circumstances. The appeal of the Financial Aid Committee is final and cannot be appealed to the Department of Education.

**If I take an incomplete in a class, how long do I have to complete the coursework?**

You have until the end of the next term to complete the class.

**Give me an example of completing 67% of attempted hours during a term.**

If you attempt . . .	You must complete . . .
18 credit hours	12 credit hours
15 credit hours	10 credit hours
12 credit hours	8 credit hours
9 credit hours	6 credit hours
6 credit hours	4 credit hours

**If I am placed on financial aid probation, will I lose my financial aid?**

No, when you are placed on financial aid probation, you do not lose your financial aid. However, being placed on financial aid probation is a warning to let you know that you risk losing your financial aid if you have another poor semester. When you are placed on financial aid probation your Financial Aid Officer may intervene to find ways to help you succeed. Your officer might suggest you attend Life Skills sessions or work with you in conjunction with Student Support Services and/or your academic advisor to strengthen your potential to succeed.

**If I am on financial aid suspension, can I still receive my student loan?**

Like grants and scholarships, student loans are considered financial aid. Therefore, you will not receive your student loans if you are placed on financial aid suspension.

### **How will I know if I am placed on financial aid probation or suspension?**

You will be notified by email if you are placed on financial aid probation or suspension. The email will explain what your SAP status means, refer you to the SAP policy, and if you are on suspension, provide instructions on how to appeal your suspension status or how to complete a Probation Acknowledgement Form if either is appropriate for your SAP status. You may always access your SAP status through your PAWS account on the Barton website.

### **What can I do to get off of financial aid suspension?**

You may appeal your financial aid suspension status. The Financial Aid Committee will review your situation and decide whether to lift the suspension and place you on probation instead. You also have the option of earning your way off of suspension by making SAP in a subsequent semester. The number of hours you will need to take are determined by the number of hours you were enrolled in at the time you went onto financial aid suspension. (See chart below.)

### **Under what conditions may I appeal a suspension status?**

You may want to appeal a suspension status for the following reasons:

- You experienced the death of your spouse, your child, your parent or one of your siblings. You will need to provide a copy of the death certificate.
- You experienced an injury or illness which prevented you from making SAP. You will need to provide a letter from your doctor or counselor stating your injury or illness was severe enough to prevent you from successfully completing your coursework. No details of the injury or illness are necessary.
- Some other special circumstance that you believe deserves consideration. Please provide any documentation to support your request for an appeal.

You may also appeal a suspension status by making SAP (earning at least a 2.0 GPA and completing at least 67% of attempted hours) while you are on financial aid suspension. While on suspension, you will not receive financial aid. Also, you must pay your account balance prior to appealing. The hours can be taken at another school as long as you provide copies of your transcript and your student account from that institution. You will need to take the following hours to be able to appeal:

<b>Number of hours you were taking when you went on financial aid suspension:</b>	<b>Number of hours you need to take to appeal your financial aid suspension status:</b>
6 – 12+ hours	6 hours
3 – 5 hours	3 hours
1 – 2 hours	1 hour

### **How may I appeal my suspension status?**

If you would prefer, you may complete a paper appeal form which may be requested from the Financial Aid Office at: [FinancialAid@bartonccc.edu](mailto:FinancialAid@bartonccc.edu).

### **When will I find out whether my suspension appeal has been granted?**

The Financial Aid Committee reviews suspension appeals every Thursday afternoon. You will be notified of the status of your suspension appeal by letter and/or email the day after your appeal has been reviewed.

### **How often is SAP evaluated?**

SAP is evaluated after each term – Fall, Spring, and Summer. If you received any type of financial aid – federal, state, or institutional – your performance during the term will be evaluated. SAP will be evaluated whether you were enrolled full-time or part-time.

# Intramurals

## Mission Statement

Recreational sports and activities are a desirable part of a student's program of education. Through participation it is hoped that the individual will develop an appreciation of the worthy use of leisure time and a wholesome attitude toward physical activity for recreational purposes in life. The goal of Intramurals is to provide an opportunity to all interested individuals to participate in some activities of their own choosing, in so far as facilities and equipment permit. Intramural activities are organized on a team and individual basis, thereby enabling all to participate. Interested students should contact Mark Rogers in the Student Housing Office located in the Kirkman Student Activity Center, **(620) 792-9285**.

## Eligibility

All students enrolled at Barton Community College and all faculty and staff members are eligible to participate in any intramural activity except as follows:

***A student who has received a collegiate varsity award in a sport or has participated in a varsity sport during the current school year cannot participate in that sport or any similar sport.***

The team roster with ALL team members must be filed in the Intramural Office before the team's first contest.

## Entries

In sports where entries are necessary, there shall be a definite time for closing the entry and no individual or organization shall be permitted to enter after that date.

## Intramural Announcements

Intramural contestants and managers will find important material in the Kirkman Student Activity Center.

# Academic Advising

<http://www.bartonccc.edu/instruction/academicadvising/>

## Advisor's Responsibilities

Your academic advisor was selected for you from your major area of interest as indicated on your admissions application. Your assigned academic advisor will provide a friendly, open environment that will foster self-exploration, self-awareness and self-evaluation thus enhancing a sense of personal identity, and they are accessible to all advisees and exhibit an open-door policy. Additionally, advisors assist students in exploring the possible short and long-range consequences of their choices and to facilitate student's recognition and acceptance of personal responsibility for what happens to their lives. Advisors, with the assistance from their advisee, must focus not just on a semester-by-semester plan but a tentative college career plan that may encompass several years as well as what may or may not happen beyond college and training.

## **Student's Responsibilities**

- Share information with advisors regarding interests, goals, educational, and career plans.
- Share personal information that has a bearing on academic careers. The numbers of hours spent at work, responsibilities to family, financial aid status, and any limitations are all necessary information for advisors.
- Be familiar with the College Catalog and the Student Handbook. These are vital sources of information.
- Make a note of advisor's advising hours and phone number. When students cannot meet during the designated hours, they are expected to schedule appointments and to call if they are unable to keep appointments.
- Keep a record of graduation requirements. Students should keep copies of ALL correspondence from the college, and from meetings with their advisors. It is ultimately the students' responsibility to fulfill the requirements for graduation.
- Be familiar with college deadlines, which can be found in the Student Handbook.
- Be willing to contact the appropriate student support services available on campus. The Student Handbook is an excellent resource.
- Be prepared for meetings with advisors, particularly when registering for next semester. Students should review what courses are still necessary for their programs and have an idea of what courses they would like to take as electives.
- Alert their advisors immediately if they begin to have difficulties that are affecting their class work or continued enrollment.
- Be an active participant in the advising sessions.
- If students have questions about the advising process or are unclear about the advising services available at Barton Community College, they should contact the Advisement Coordinator in the Advisement Center at **620-792-9225**.

## **Things to Do Before You Meet With Your Advisor**

- Call or stop by to schedule an appointment with the faculty secretary or leave a voicemail with a phone number.
- Have a list of questions you may want to ask.
- Be open and honest. Tell your advisor about things that may be affecting your ability to do your best.
- Review the class schedule.

## **What You Will Find at the Advisement Center:**

- Change of Major and/or Advisor
- Graduation Checks
- General Advisement
- Course Outline for Areas of Study

## Testing

Students entering college for the first time without SAT, ACT, Accuplacer or ASSET scores must take the Accuplacer or ASSET test. Students must have test scores on file if they are pursuing a certificate or associate's degree or are enrolling in a general education class requiring specific test scores. Test scores will be used to place students in the appropriate English, reading or math course. Individuals requiring testing accommodations due to disability should contact the Testing Coordinator at **(620) 793-9344**.

Testing provides both the student and the adviser an effective tool to assure academic success. Through enrollment in proper courses, students are more likely to meet their academic goals. Students without a high school diploma who plan to enroll are required, under the "Ability to Benefit Program," to pass the ASSET test if they plan to qualify for any grant, loan or work under Title IV of the HEA.

## Other Testing Services

**Instructor Assigned Testing:** Student Services may conduct other assessments or testing as required by individual instructors or departments.

**Proctoring:** Individual instructors arrange to have make-up tests available.

**The following nationally normed instruments can be administered:**

- **ACT:** An entry-level test required by many colleges. Administered at Barton in October, December, April, and June, fee paid directly to ACT.
- **CLEP & DANTES:** An instrument provided by Education Testing Service which allows you to receive credit for informal learning by "testing out" of entry-level classes. Primarily designed for the adult student; fee paid directly to EFS.
- **COMPASS:** Fort Riley students only. A placement test to determine which math, English or reading course you should take to enhance your academic performance.

**Tests Administered Through Other Testing Agencies**

- Automotive Service Excellence Exam (**ASE**)

## Career Center

**Career Exploration** - Barton's Career Counselor is available to assist you with choosing a career that fits your personality and interests. Assessments of your interests, abilities, and values, are available to guide you into a major and help you to make good career decisions. Further career exploration resources are available through the Career Center such as books, videos, job shadowing, and assistance with research on the Internet. The Career Center office is located in the north end of the Learning Resource Center.

**Internships/Job Shadow** - An internship in your chosen career area can be arranged through the Career Center. Internships are work experiences that enhance your learning and help you to verify your career choice or encourage you to explore further options. Internships are often unpaid work and may or may not be for college credit.

**Placement** - Resources and personal assistance are available to help you to write a resume and cover letter, complete job applications, develop your interview skills, and complete a thorough job search. Mock interviews for you to practice your interviewing skills and on-campus interviews with prospective employers are coordinated through the Career Center.

**Job Search Assistance** - Resources and personal assistance are available to help you to write a resume and cover letter, complete job applications, develop your interview skills, and complete a thorough job search. Mock interviews for you to practice your interviewing skills and on-campus interviews with prospective employers are coordinated through the Career Center.

**Part Time Employment** - on-campus, off-campus and full time positions are posted on our website [www.careercenter.bartonccc.edu](http://www.careercenter.bartonccc.edu). We do have a bulletin board located outside the Career Center office which is located in the north end of the Learning Resource Center. The Career Center bulletin board located on the north side of the Learning Resource Center lists part time employment opportunities in the area. Jobs are also listed in the Interrobang, the student newspaper.

**Transfer Information** - College catalogs, brochures, and applications for admission and scholarships from public and private colleges in the state of Kansas are available to you, as well as transfer equivalency of Barton courses to other institutions. Information from colleges in other states will be obtained at your request. Personal assistance, guides to two-year and four-year institutions in the United States, the DISCOVER program, and the Internet will assist in finding the right college for you. Admissions representatives from four-year institutions are available on campus each semester. Check with the Career Center or our website for specific dates and times.

### **Computer Lab**

To familiarize and expose the general student population to the use of computers and software, the computer lab makes available IBM compatible PCs. Qualified personnel are available to assist with Internet access, word-processing, and other computer assignments. In addition to a wide variety of networked software, the lab provides access to a number of subject-specific programs. The computer lab is located in the north end of the Learning Resource Center.

### **Student Use of Computer/Campus Computing Systems Policy**

Barton Community College is fortunate to be able to provide advanced computer technology for its students' use. The College has established guidelines for student computer usage. ## *Barton College Security Department*

At Barton Community College the safety and well-being of our students, faculty, staff and visitors are of utmost importance. With the support of other departments, we have many people involved in keeping this campus safe and secure; however, a truly safe campus can only be achieved with the cooperation of all students, faculty, staff and visitors.

Any student, college employee, or visitor who witnesses a crime or accident should contact the Barton Community College Security office. The Security office is located in the Technical Building, Room 154, or they can be reached by calling **(620) 792-9217**.

### **Campus Security Personnel**

Security Officers patrol the campus 24 hours a day and make periodic building checks as well as patrolling the housing facility area. Security Officers work closely with Facility Management and the Coordinator of Student Housing to try to maintain a tight key control.

The Facility Management Department maintains the College buildings and grounds with concern for safety and security. Facility Management employees inspect campus facilities regularly, promptly make repairs affecting safety and security, and respond to reports of potential safety and security hazards such as broken windows, locks, and repair or replace malfunctioning lights.

The Security Department assists the Facility Management Department by reporting potential safety and security hazards. Students, faculty and staff also may call the Security or Facility Management Department to report safety and security hazards.

### **Public Safety**

The Barton Community College Security Department provides several functions to the college community, some of which are as follows:

- The Barton Community College Security Department provides a 24 hour a day, seven days a week patrol function on campus, parking lots, and living quarters. Barton Community College Security personnel are commissioned by authority of the State of Kansas under K.S.A. 72-8222 which gives them the authority to possess and exercise all general law enforcement powers, rights, privileges, protections and immunities in every county in which there is located any part of the territory of the school district or community college.

- Officers are responsible for a full range of public safety services including assistance in medical emergencies, fire emergencies, traffic regulations, accidents, enforcement of laws regulating under age drinking, the use of controlled substances, weapons and other incidents.
- Criminal acts and other emergencies on campus can be reported 24 hours a day, seven days a week by calling **Ext. 217** while on campus or **(620) 792-9217** from an off campus phone. If you would like to talk to Security personnel in person, the Security office is located in Room 154 of the Technical Building.
- The Security Department will make an incident report on any crime or unusual activity reported to the Department, which will be kept on file for at least three years or longer.
- Security personnel have concurrent jurisdiction on campus with the Barton County Sheriff's Office. The Barton County Sheriff's Office will respond to assist if needed and are always ready to help with major crimes or other functions on campus.
- The Security Department shares information with both the Barton County Sheriff's Office and the Great Bend Police Department on arrests and serious crimes. The identification number of any stolen vehicle and other property, if available, may be reported to one or both departments and may be entered into the National Crime Information Center by either department.

### **Public Service**

Security Officers are often called to assist student and faculty in other ways. Some of the extra duties they perform, time permitting, include jump-starting automobiles whose battery has run down. If you have a special request, contact the Security Department at **Ext. 217**.

### **Prevention of Crime**

Barton Community College is a community of students, faculty and staff. Like all small communities, there will be incidents of property loss and other daily problems where people reside and work in close proximity to one another. Our job is to lessen the occurrences of such incidents.

The Security Department is responsible for the safety and security of the college campus. This task cannot be accomplished alone. Crime prevention and security awareness are self-serving qualities. We need the assistance and cooperation of each student, faculty and staff member. Some ways you can assist us in this endeavor is as follows:

- Report all suspicious persons as soon as possible
- Report any crime as soon as possible
- Be watchful when walking alone on campus after dark
  - ~ if going out at night, ask a friend to go with you
  - ~ stay in lighted areas and report any lights that are not functioning properly or areas that are dimly lit
- Keep money and valuables in a safe place
  - ~ don't flash a large amount of money if you have it on you
- Be sure that your room is locked when you leave it unattended
- Do not lend or give the key to your room to anyone

- Be especially watchful at night in the parking lot if you are alone
  - ~ if your car is unlocked, always look in the back seat and floor board before entering
  - ~ as soon as you get into your car, lock the doors before starting
  - ~ do not pick up hitchhikers on or off campus
- Always be aware of your surroundings and keep in mind an escape route

This program is a member in good standing with the Kansas Association of Crime Stoppers and Crime Stoppers International, Inc. which is the parent organization that oversees nearly 900 programs throughout the world. Locally, Crime Stoppers of Great Bend and Barton County has cleared over 200 crimes with over \$500,000 worth of narcotics and stolen property recovered resulting in a conviction rate of 100%.

The concept of scholastic Crime Stoppers was originated in Boulder, Colorado in 1983. Since that time the Boulder program has been a great success, and serves as an international role model for other communities hopeful of initiating such a program.

Crime Stoppers of Great Bend and Barton County has made a commitment to launch a scholastic program at Barton. They are also pleased to announce that they have formed similar scholastic programs in all of the county middle schools and high schools.

## *Traffic Enforcement Policy*

The Board of Trustees of Barton Community College has given the Director of Campus Security the authority and responsibility to control and regulate traffic on property owned or controlled by the College. Rules must be established and followed so as to control traffic and parking while on College property. The following is a general outline of the traffic and parking policy of Barton Community College.

### **Traffic Control**

Traffic control signs are placed throughout the college campus. These signs all conform to Kansas Statutes in K.S.A. Chapter 8, which is the chapter that deals with traffic signing and traffic control. All signs are approved by the State Highway Traffic code as authorized signs and are all recognized traffic control signs.

Signs are placed so as to control traffic in the safest possible manner without being a burden upon any person wanting to drive upon the campus. Violations of traffic control signs (speeding, no parking, fire zones, handicap parking, etc.) may either be handled by a citation issued and taken care of internally through the College or may be subject to a Traffic Infraction as set forth in Kansas Statute K.S.A. Chapter 8 and a citation issued to Barton County District Court.

Further, legally recognized traffic control, such as curbs painted yellow, parking stalls painted blue with a wheel chair symbol, yellow painted areas adjacent to fire plugs etc. will all be enforced and persons parking in these areas will be subject to a citation being issued as described in the previous paragraph.

No motor vehicle, including but not limited to, motorcycles, mopeds, motor scooters, or motorized bicycles will be allowed to operate on sidewalks, pedestrian walks, lawns or grassy areas on campus except for authorized motor vehicles operated by College officials while engaged in business for the College, or utility vehicles operated at the direction of a College official.

### **Parking Lots**

Unlike most other colleges and universities there are no parking stickers required except for housing students. There is no reserved parking for faculty, staff or student personnel with the exception of the lot on the east side of the Technical Building which is restricted to vehicles owned and operated by Barton Community College and the lots located between and east of the student housing area. Housing students are expected to park in the parking lots provided for them and for which they are issued a parking permit. Other students, faculty and staff are not permitted to park in the student housing parking lots with the exception of the Coordinator of Student Housing and the Assistant Coordinator of Student Housing.

In the few lots where parking is restricted, each area is clearly marked with signs designating the parking restrictions and will be enforced.

## **Handicapped Parking**

Students, faculty and staff with permanent or temporary health disabilities that impair their mobility may receive special parking privileges. Those persons who have a physical handicap may park in an authorized handicap zone while displaying either an official rear mirror hanging permit or disabled license tag issued by the State of Kansas. Security will issue a temporary permit. The permit may be picked up at the Security Office in the Student Union.

Any person caught using an official handicap permit or tag who is not impaired or anyone using a forged handicap permit will be issued a Notice to Appear in Barton County District Court.

## **Payment of Fines**

Fines, having been previously set, are noted on the citation issued by a Security Officer. Fines are due and payable within fourteen (14) days of the date of the citation. Fines may be paid any weekday during normal working hours at the Business Office located in the Kirkman Activity Center. Fines may also be paid by mail with a personal check or money order made payable to Barton Community College, and addressed to Business Office, Barton Community College, 245 NE 30 RD, Great Bend, KS 67530.

Fines not paid within fourteen (14) days of the citation being issued will have an additional \$5.00 fine added to the original fine unless an appeal is requested. (see section under APPEALS)

If a person requests an appeal hearing (see section under APPEALS) within the 14 day limit after the issuance of the citation and posts the \$5.00 appeal hearing fee the additional \$5.00 fine will be suspended.

Students who do not pay fines within 30 days of the citation may not be allowed to add, drop or change classes until such time as the fine is paid in full. Also, students may be denied enrollment for another semester as long as the fine is unpaid.

Any student who leaves this college without paying an outstanding fine will be unable to have his or her transcript transferred to any other school so long as the fine is unpaid.

## **Student Housing Parking Permits**

A parking permit will be issued to every student living in Student Housing at Barton Community College upon request of the student.

Permits will be of a type and design designated by the Director of Student Housing. One parking permit will be issued free of charge. The second one, if for any reason is needed, will be issued for a cost of \$1.00 and maximum of two permits will be issued to any student.

Permits must be displayed at all times when parked in the student housing parking lot. Permits will be displayed in a location on the vehicle designated by the Director of Student Housing. Vehicles that display parking permits which are not in the designated location will be considered invalid and a citation may be issued.

## **Citation Appeals**

Anyone wishing to appeal his or her citation at Barton Community College may do so by appearing before an appeals board consisting of student, faculty and staff personnel. The appeals hearing will be held periodically at a time and place to be announced to any person wishing to appeal his or her citation.

Anyone wishing to appeal his or her citation must notify the Business Office orally or in writing within fourteen (14) days of the issuance of the citation.

Those wishing to appeal will be required to post a \$5.00 appeal hearing fee at the time the appeal is requested. A date and time for the appeal will be set and the person will be notified as to the date and time of the appeal. At the time of the appeal hearing, the \$5.00 fee will be returned to the person asking for the hearing. If the person requesting the appeal hearing does not appear for the hearing, the \$5.00 fee will be forfeited to the College and any and all fines will become payable immediately.

Barton Community College is required to publish and distribute its policy regarding the college's sexual assault programs which are aimed at prevention of sexual offenses which outline the procedures employed once a sex offense has occurred.

In compliance with the Campus Sex Crimes Prevention Act, Barton Community College must ensure that information is readily accessible to the campus community about registered sex offenders. This information can be retrieved at: <http://www.accesskansas.org/kbi/ro.htm>.

### **Sexual Assault Policy**

Refer to Policy on **page 86**.

## *Registered Sex Offenders on Campus*

A federal law, the Campus Sex Crimes Prevention Act amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, requires registered sex offenders to indicate when they are enrolled or employed at institutions of higher learning.

The law further requires state law enforcement authorities, in this case the Kansas Bureau of Investigation, to provide Barton Community College with a list of registered sex offenders who have indicated that they are either enrolled or employed at Barton Community College.

Barton is required to inform the campus community of the existence of the list and you may contact Security in T-53 for review of the list. For additional information on the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act visit <http://www.ojp.usdoj.gov/BJA/what/02ajwactcontents.html>.

This assistance includes a variety of counseling and support services, both through the College as well as city and county. The College is committed to easing the feelings of vulnerability that a person may experience as a victim or witness of a crime and to ensuring that he or she is treated with consideration, respect and sensitivity.

## *Kansas Bill of Rights for Victims of Crime*

**Pursuant to K.S.A. 74-7333, as amended, a crime victim has the following rights in Kansas:**

## WHAT TO DO IF YOU ARE SEXUALLY ASSAULTED

**Remember your goal is survival.** Go with your instincts. Only you, after considering your options, can decide your course of action. Do not blame yourself following the attack for anything you did or did not do.

**Seek help.** Remember, you are the victim and that you are not responsible for what happened. Try to remember details of the assault. Write down anything that you can remember about the attacker.

**Report what happened. Call 217** or if off campus, **call 911**. Prompt reporting will assist in helping the police gather evidence and in catching your assailant. Call a friend, or a Rape Crisis Center. A counselor can help you make decisions about medical treatment and other services for victims.

**DO NOT shower or change your clothes until a physician has examined you.** This prevents valuable evidence from being destroyed.

**Go to a hospital emergency room. Protect your health. With any form of rape, there is a threat of sexually transmitted disease.**

## *Sexual Harassment*

### What is sexual harassment?

By definition, sexual harassment may be described as unwanted, unwelcome, inappropriate or irrelevant sexual or gender-based activities or comments when:

- Submission to such conduct is made either explicitly or implicitly as a term or condition of the individual's employment, or a factor in the educational program of a student; or
- Submission to or rejection of such conduct by an individual is used as a basis of employment or education decisions; or
- Such conduct has the purpose or effect of interfering with work or educational performance; or
- Such conduct creates an intimidating, hostile, offensive or demeaning environment.

### Proposed Standards

Sexual harassment of employees and/or student is a violation of federal and state laws (Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendment of 1972). Barton Community College holds that no member of the college community may sexually harass another. In compliance with nondiscrimination laws, the College regards freedom from sexual harassment to be a safeguarded right of the individual employee and/or student. Any violation of these standards will bring disciplinary action upon the employee and/or student. Retaliation against any person making sexual harassment complaint, regardless of the outcome, is strictly forbidden. The confidentiality of both parties involved, as well as the resolution of the problem, will be protected as much as possible.

## **Sexual Harassment Policy**

Refer to Policy on **page 87**.

## *Substance Abuse Policy and Drug-Testing Program*

Refer to Policy on **page 90**.

### **Substance Abuse**

Students are prohibited from the unlawful possession, use, or distribution of illicit drugs and alcohol on College property or as part of any College activity. Any violation is to be reported to the Dean of Student Services. The Administration will conduct an appropriate investigation and determine appropriate action to be taken. The investigation may include asking the student to submit to a drug and/or alcohol test. Appropriate action may include any of the action outlined in “b” below.

- a. The following actions may be taken against any student violating the College’s policy to provide and maintain a drug-free campus as outlined above:
  1. Referral of student to a college counselor for referral to a Counseling/Rehabilitation Program;
  2. Requirement of a student to participate satisfactorily in a drug or alcohol abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;
  3. Loss of scholarship/grant in aid and/or removal from participation in the activity group/organization;
  4. Suspension of student; or
  5. Expulsion of student.
- b. Any report relative the College’s Drug-Free Campus Policy shall be held in strict confidence. College officials and designated medical or professional persons with a valid need to know. It will not be provided to any other party, without the written consent of the student, except pursuant to administration or legal procedure or process. Barton Community College recognizes that the state of a student’s health not only affects academic success, but also other College and societal-related endeavors. It is the intent of this program to provide drug education and drug screening procedures with Barton’s viewpoint on behavioral/medical disorders, to encourage an enlightened viewpoint towards these disorders, and to provide guidelines for consistent handling throughout Barton regarding drug usage situations. The Barton Drug-Free Schools and Communities Act is not intended to intrude upon the private lives of the students that are affected. Rather, the College supports sound treatment efforts as early recognition and treatment of chemical dependency problems are important for successful rehabilitation.

Hence, the ultimate purpose of the Barton’s Drug-Free Schools and Communities Act Policy and/or Program includes drug education, prevention of substance abuse by measures of deterrence, detection of substance usage and abuse, and treatment and rehabilitation of those participating students with a substance abuse problem. Any student of the College who receives financial assistance from Barton will be included in this policy.

## **Drug Testing for Students Receiving Athletic Scholarships or Performance Awards**

Students receiving athletic scholarships or performance awards shall be subject to random drug testing in order to assure compliance with the Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act of 1989 as referenced in this policy.

The Barton Student Support Services (SSS) program is designed to meet student needs in all academic, career, transitional, and life skills areas. Each member of the Student Support Services staff is committed to helping students successfully complete a two-year degree, and or transfer to a four-year institution.

### **Upward Bound**

The Upward Bound program concentrates on building success by improving academic skills and involving high schools students in activities that will expose them to the world around us, the workplace, careers, educational institutions, and the cultural aspects of our society. The cornerstone of Upward Bound is a supplemental instruction program that helps students by providing teaching and tutoring services before or after school or a combination of both. The supplemental instructional program is intended to enhance the instruction that students receive daily in their high school classes and emphasize the development of skills in the areas of mathematics, English, science and social studies.

**Barton County Upward Bound** serves the following high schools: Great Bend, Hoisington, Ellinwood and Claflin. Educational services are provided to participants at facilities in these communities.

**Central Kansas Upward Bound** serves the following high schools; Chase, Ellsworth, Lyons, Quivera Heights and Wilson. Educational services are provided to participants at facilities in these communities.

The TRIO programs include eight outreach and support programs targeted to help disadvantaged students progress from middle school to post-baccalaureate programs.

Eligibility - In order to be eligible for the CKEOC free educational services you must be at least 19 years of age.

# *Academics & Enrollment Policies*

While enrollment at Barton Community College is not compulsory, the philosophy of the institution protects the equality of opportunity of all persons qualified to attend. Further, the enrollment of a student at the College is a voluntary entrance into the academic community wherein the student assumes obligations of performance and behavior reasonably imposed by the institution relevant to its lawful missions, processes and functions.

Such obligations may be higher than those imposed on all citizens by the civil and criminal law. No student may, without liability to lawful discipline, intentionally act to impair or prevent the accomplishment of pursuits of the institution. The College, on the other hand, pledges to uphold fundamental concepts of integrity and justice.

A student does not surrender rights as a citizen upon enrollment in this College; rights and freedoms, however, like those of any citizen, are not unlimited and expectations for student behavior (both in and out of the classroom) are explained in more detail below. The College has an obligation not to submit to intimidation, violence or disruptive behavior. The academic policies that follow are for your information. We hope you find them helpful. For information or clarification, please contact the Office of Learning and Instruction.

## **Academic Assessment and Placement & Retesting Policy**

Through the adoption of these practices, the College recognizes its responsibility to appropriately advise and place students for the purpose of strengthening their possibilities for future success.

### Assessment and Placement

1. The Academic Assessment and Placement Procedure applies to:
  - a. All students enrolling in approved certificate or degree programs with pre-requisite placement scores;
  - b. All students who plan to enroll in any course with pre-requisite placement scores.

2. Prior to their enrollment in math, English, or other programs/courses with pre-requisite placement scores, students who do not have placement scores shall undergo assessment of basic skills. Students whose placement scores are five years old or older may be required to retest.
3. “Basic Skills” includes those minimal skills in the discipline areas of mathematics, writing, reading, and fundamental study skills which are required for student success in college-level work.
4. For the purposes of the Academic Assessment and Placement Procedure, “placement scores” include results from nationally-normed assessment instruments/tests. The College bases course placement decisions on the highest score achieved on ACCUPLACER, ACT, ASSET, COMPASS, or SAT assessments.
5. Students scoring below college-entry level in writing, reading, and/or mathematics are required to enroll in the required developmental education courses indicated by their respective placement scores. Further, students are expected to pursue basic skills until reaching college-level competency. For this reason, students placing into developmental education courses are encouraged to enroll in the required coursework as early as possible in their college careers.
6. Generally, students scoring below college-entry level in writing, reading, and/or mathematics will be allowed to simultaneously remediate and pursue certificate and/or degree requirement courses. However, students will not be allowed to enroll in courses and/or programs with pre-requisite placement scores until they have reached college-level competency in the required area(s).
7. Students who meet one or more of the following criteria are exempt from the Academic Assessment and Placement Procedure:
  - a. Transfer status from an accredited four-year college or university for which completion of English Composition I and/or College Algebra (or their equivalents) with a grade of “C” or better is documented by official college transcript(s). Students who may have completed one, but not both, of these two courses must complete assessment and any required remediation for the uncompleted subject area;
  - b. Transfer status from an accredited college or university for which completion of equivalent remediation in English and math courses with a grade of “C” or better is documented by official college transcript(s). Students who may have completed remediation in one, but not both, of these two subject areas must complete assessment for the uncompleted subject area;
  - c. Receipt of current placement scores (less than 5 years old) from a recognized testing or educational entity that place the student in college-level course work in the subject areas of English and math.

### Re-Testing

Students who believe that their placement score in a given subject area does not accurately reflect their abilities may elect to be retested. Students will be allowed to retest if one of the following conditions exists:

1. Performance on the placement assessment was significantly influenced by factors other than ability.
2. Significant change in the student’s ability has occurred.
3. Verifiable learning disorder was not made known during the original assessment.

4. Student's placement score falls short of the required range by no more than the number of points indicated below:
- ACT – 3 points
  - ACCUPLACER – 12 points
  - ASSET – 5 points
  - COMPASS – 10 points
  - SAT – any point range (because of recent changes in SAT testing and scoring, any student submitting SAT scores may retest.)

For Barton County campus students<sup>1</sup>, the following additional re-testing conditions apply:

- A. Students may request retesting anytime following the initial testing.
- ASSET requires a 30-day waiting period between the initial test and the retest. (Students requiring retesting prior to the end of the waiting period must contact the Testing Coordinator to arrange for retesting with a different assessment instrument.<sup>2</sup>)
  - ACCUPLACER requires a two-week waiting period between the initial test and the retest. (Students requiring retesting prior to the end of the waiting period must contact the Testing Coordinator to arrange for retesting with a different assessment instrument.)
- B. Students who desire to retest and who meet one of the four conditions listed above must complete the Retesting Request Form and submit it to the Testing Coordinator to be considered for retesting.
- C. Upon retesting, students who fail to place into the desired coursework must wait until the next semester's enrollment period to retest again.
- Students desiring to improve their scores are strongly encouraged to seek remediation by enrolling in developmental coursework, working with Student Support Services' professional tutors and tutorials, or securing self-study materials in areas of deficiency.
- D. Students desiring to re-test shall contact the Testing Coordinator to set up an appointment for re-testing or may contact the office of Student Services.

<sup>1</sup> Barton County campus includes day and evening classes and Community Education programs (College Advantage and Outreach).

<sup>2</sup> Students enrolled in the College's BASIC's program will work directly with their Site Coordinator and/or facility contact to retest.

Special Note: Students who have previously earned non-productive grades (D or F) in developmental courses may request retesting for the purpose of gaining entrance into the next course in a sequence of courses. However, a placement score which places a student in the next course will have no effect on the student's transcribed grade(s). Students desiring to improve their grades in any course must re-enroll in and successfully complete the course.

### **Academic Clemency**

Barton Community College seeks to provide a supportive and challenging environment in which students can improve their basic intellectual skill and equip themselves for a fulfilling life and responsible citizenship in a world characterized by change. We acknowledge that there are circumstances that necessitate an academic "fresh start" and offer academic clemency as a means to make academic rehabilitation possible.

The following criteria are effective as of Fall 2006:

- Applicants for academic clemency are eligible to apply for clemency after a two-year waiting period from the date of their respective academic “crisis.”
- Applicants for academic clemency must demonstrate improved academic performance in the semester(s) subsequent to their academic crisis (i.e., at least 12 credit hours and a 2.5 grade point average) to be eligible for clemency.
- No more than 1-2 consecutive semesters of clemency may be considered.

The following limitations apply:

- Applicants receiving academic clemency are not eligible for graduation with honors at Barton Community College.
- Applicants may receive academic clemency only once.
- Only course credit earned at Barton Community College is eligible for academic clemency.
- Courses which the student can retake as part of his/her current program of study are not eligible for academic clemency.
- The courses for which the student is given academic clemency will remain on the transcript, but grades received in those courses will not be used to calculate the student’s cumulative grade point average (GPA). Courses remain on the transcript but are coded with a CL grade. Hours are included in attempted hours only.

The process for applying for academic clemency:

- Applicants must obtain, complete, and sign the application for clemency and submit all supporting documentation to the Registrar.
- Such action shall take place within 30 working days of the receipt of the request.
- Applicants for academic clemency are asked to identify a limited number of courses (no more than 7) within the stated period (1 – 2 consecutive semesters), and include this information with documentation regarding their clemency appeal.
- Applicants must acknowledge the circumstances surrounding their academic crisis, and explain what they have done to effect recovery.
- Although the final decision remains with the Vice President of Instruction and Student Services, the decision-making process shall be informed by the recommendation(s) of the respective associate dean(s), and/or the respective faculty.
- If, in the decision-making process, there is not clear consensus, an ad hoc committee shall meet and make a recommendation to the Vice President of Instruction and Student Services. The membership of the committee shall include the respective faculty member(s) and appropriate associate dean(s).
- The decision of the Vice President of Instruction and Student Services is final.

## Academic Integrity

Barton Community College is an academic community with integrity. Therefore, the college is committed to upholding the following values: **honesty, trust, fairness, respect, and responsibility**. As an academic community of integrity Barton's faculty and staff

- advance the quest for truth and knowledge by requiring intellectual and personal **honesty** in learning, teaching, research, and service.
- foster a climate of mutual **trust**, encourage the free exchange of ideas, and enable all to reach their highest potential.
- establish clear standards, practices, and procedures and expect **fairness** in the interaction of students, faculty, and administrators.
- recognize the participatory nature of the learning process and honors and **respect** a wide range of opinions and ideas.
- uphold personal **responsibility** and depend upon action in the face of wrongdoing.

## Honor Code

On all course work, assignments, or examinations undertaken by students at Barton, the following pledge is implied by virtue of enrollment:

*On my honor as a student, I have neither given nor received unauthorized aid on this assignment.*

## “Basic” Violations of Academic Integrity

Basic violations of academic integrity shall include, but are not limited to, the following activities:

- Consultation of textbooks, library materials, or notes in examination where such materials are not to be used during the test;
- Use of “crib sheets” or other hidden notes in such an examination;
- Looking at another student’s test paper to copy strategies or answers or allowing another to do so;
- Possessing a confederate supply of questions or answers for any assignment or examination;
- Deliberate falsification of any graded activity;
- Collaboration with others except where such collaboration is permitted or encouraged;
- Submission of previously-graded work for a new assignment (without instructor’s consent);
- Use (either in part or whole) of documents obtained from internet sources designed to encourage dishonesty and which are not the immediate result of the student’s own academic effort;
- Continuing work on an examination or assignment after the allocated time has elapsed; and/or
- Plagiarism (in any form) defined as taking of another person’s intellectual work and using it as one’s own.

## **Related Academic Sanctions**

As the primary arbiters of academic integrity, individual faculty members may elect to address episodes of academic misconduct on a “case by case” basis. Specific sanctions include, but are not limited to, the following:

- Verbal Warning/No grade-related action;
- 0/F on the assignment/quiz/examination (with the possibility of makeup);
- 0/F on the assignment/quiz/examination (with no possibility of makeup);
- 0/F in the course with or without prohibition of future enrollment in classes taught by that instructor;
- Designation of “XF” grade with or without prohibition of future enrollment in classes taught by that instructor; and/or
- Recommendation for administrative academic sanction(s).

## **Remediation of XF grade**

An instructor who administers an XF grade may recommend to the Vice President of Instruction and Student Services that a student, who has received an XF grade, take PHIL 1612 [Academic Integrity Seminar](#) for 2 credit hours. A student who is allowed to enroll in PHIL1612 [Academic Integrity Seminar](#) may have the X of the XF grade removed from their transcript by taking and passing this course. The F will remain on the student’s transcript and cannot be removed using the [2503 Academic Clemency](#) procedure. Remediation only applies to students who have violated the policy at the Basic Violation level.

## **Faculty Rights and Responsibilities**

As an academic matter, faculty retains all rights of grade assignment and related academic sanctions. Course grades assigned may not be altered without the consent of the appropriate faculty member. Also, basic violations of academic integrity do not require the application of due process rights as guaranteed by the 14th Amendment of the Constitution. At a minimum, faculty must inform the respective student(s) of the violation and related sanction. Faculty are encouraged to discuss any sanctions with their supervisor. If the faculty chooses to impose any sanctions on the student, the faculty member must report this action using the form ([Academic Violation Reporting Form](#)). This form is confidential and the information gathered will only be shared with other faculty if a student is a repeat offender. If the faculty chooses to impose and XF a form must be completed and the appropriate signatures gathered. The form is then sent to the registrar. The XF form can be obtained from the office of Instruction and Student Services.

## **“Capital” Violations of Academic Integrity**

Violations of academic integrity are considered “capital” offenses, if they constitute documented repeat violations of the academic integrity policy, or if they are committed in conjunction with other violations of the student code of conduct. As such, these cases shall be considered on the totality of the evidence, and primarily as academic offenses. Examples of such violations include, but are not limited to, the following:

- Repeated acts of basic violations of academic integrity;
- Having a person other than the one duly registered and taking the course stand in at an examination or any other graded activity;

- Attempting to gain unfair academic advantage for oneself or another by bribery or by any act of offering, giving, receiving, or soliciting anything of value to another for such purpose;
- Changing or altering grades or other official educational records;
- Obtaining or providing to another an un-administered test or answers to an un-administered test; and/or
- Gaining unauthorized access into a building or office for the purpose of obtaining any course related information or examination.

### **Related Academic Sanctions**

With the consensus of the Vice President of Instruction and Student Services, sanctions shall include **not less than** the original academic sanction (as may have been rendered by the instructor) and may include, but are not limited to, the following at the discretion of academic administration:

- Course Specific Enrollment Prohibition;
- Formal Reprimand;
- Probationary Status;
- Suspension (of one semester or more);
- Reduction of college-awarded scholarship;
- Retraction of college-awarded scholarship;
- Suspension from participation in activities which represent the College;
- Requirement of community service hours;
- Denial of graduation application;
- Expulsion; and/or
- Any other reasonable actions as deemed appropriate by academic administration.

### **Remediation of XF grade**

Students cannot remediate capital offenses.

### **Student Rights**

For basic violations of academic integrity where the Grade Appeal procedure is not applicable, students are entitled to request a review of the faculty member's action by the Vice President of Instruction and Student Services. The results of this review will be final. For "capital" violations of academic integrity (as defined above), students are entitled to:

- (1) written notice of the charges which may result in academic sanctions and
- (2) an opportunity to respond to said charges. The student may appeal using the Grade Appeal Procedure.

## *Academic Progress*

To meet the required academic and progress performance standards of Barton Community College, a student should consider the following:

### **Academic Dismissal**

If your scholastic performance appears to offer little prospect of academic success, you may be suspended with or without privilege of reinstatement. You may not petition for reinstatement until one semester has expired after academic suspension from the College.

## **Procedures Governing Academic Warning and Suspension**

If you have not accumulated a 1.5 GPA when 24 credit hours have been attempted with a grade of A, B, C, D, or F, you will be placed on a one-semester probation. This Academic Probation is designed to alert you that you may encounter difficulty in meeting graduation requirements and steps should be taken immediately to improve your academic status. You must have a 2.0 GPA when you have attempted 48 hours with a grade of A, B, C, D, or F. If the cumulative GPA is below this minimum, you will be placed on academic probation after one semester. (Note: All computations are based on A, B, C, D, or F grades).

### **Suspension**

If you have been placed on academic probation for one semester and do not raise your GPA to the minimum requirements as outlined, you will be suspended for one semester. However, you will not be suspended at the close of a semester or summer term during which you achieved a “C” (2.0) average or better.

### **Reinstatement**

If you have been suspended from the College for poor academic progress, you will be provided a period of at least one semester during which you may reconsider and re-evaluate your academic goals.

### **Appeals**

Any person limited by these regulations who has marked improvement or who believes he/she has been affected unfairly may appeal to the Enrollment Services Office.

## *Adding/Dropping Classes*

### **Adding Classes**

Day and evening classes may be added through the first week of a semester only. After the official closing dates for adding classes, you must first receive permission from the instructor and sign a learning contract. You may enroll with a signed learning contract for one additional week after the 1st week of class. This procedure does not include “mini-classes” or classes taught for more or less weeks than the regular full semester. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from Advisors. You must pay for added classes at the time of the add.

### **Dropping Classes**

Courses dropped through the 20th day of classes for both the fall and spring semesters and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes for the fall and spring semesters and the 10th day of classes for the summer, a “W” grade will be recorded for courses officially dropped. Final drop dates are published in bulletins, Student Handbooks, and the Enrollment Services Office. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from advisors. Students are responsible for dropping classes and are required to visit with an advisor before dropping classes.

### **Course (Drop Date)**

The last day to drop a course with a “W” grade shall be five (5) weeks before the end of the semester (Fall and Spring Semesters only.)

### BEFORE YOU DROP THAT CLASS – STOP . . . THINK!

- If you receive **FINANCIAL AID**, will dropping the class affect your financial status?
- If you need 12 hours or more for **INSURANCE**, will dropping the class affect your eligibility?
- If you are an **ATHLETE**, will dropping the class affect your eligibility?
- Have you talked to your **INSTRUCTOR** about dropping the class? Perhaps things aren't as bad as they seem. Have a talk with your instructor.
- Is the course you want to drop going to be **OFFERED AGAIN** when you need it? Some classes are only offered one semester a year. It may be a year before you can re-enroll.
- Are you **WORKING** too many hours? It is likely that by just cutting down your work hours, you will be able to do better in the class.
- Have you tried the **TUTORING** services in the Library? Student Services provides free tutoring.

## *Attendance*

As a part of its mission to improve your social, economic, and personal life, the College acknowledges its responsibility to prepare you for future academic and professional endeavors. Therefore, you are encouraged to develop a professional ethic that reflects personal responsibility, personal initiative and teamwork. In context to that commitment, you are required to attend all classes. When you are absent from class, you not only miss a part of the subject matter of the course but also diminish the opportunities for contributing to the learning environment. Poor attendance in class may cause you to lose your financial aid according to federal guidelines and irresponsibility will diminish your professional and academic progress.

## *Credit for Experiential Learning*

In accordance with college policy, students are provided the opportunity to receive equivalent credit earned through “experiential” or non-traditional sources. The Registrar, in consultation with the appropriate dean and/or associate dean, shall determine the number of total hours to be awarded for experiential learning. Credit hours earned by examination will not be included in a student’s GPA computation; however, the semester hours may be counted toward graduation. The guidelines for receiving such credit may be obtained from the Enrollment Services Office located in the Kirkman Building.

## *Developmental Courses*

Developmental classes help you prepare for college level study. Whether you need to build your basic skills or just gain confidence in them again, these courses are designed to help you succeed. Developmental courses do not count toward graduation.

## Examinations

**Comprehensive Exams:** Written comprehensive examinations shall be given at the end of each semester (or at mid-term) for each course at the regularly scheduled time. Any exceptions to these requirements must be approved by the appropriate dean. Other examinations are conducted at the discretion of the instructor.

**Make-Up Exams:** A student who has been absent from any test, exam, or final must petition the instructor to schedule a “make up” exam at the instructor’s discretion. Students may note that the “make up” exam policies may vary from division to division, and, therefore, from instructor to instructor. As such, students are not guaranteed the right to “make up” course work, tests, or examinations without prior approval of the instructor.

## Grade Appeal

The Chief Academic Officer (CAO) is designated to coordinate all efforts to resolve final grade appeals. Students receiving an XF grade may also use this procedure to appeal that grade.<sup>1</sup>

Any change of grade must be documented and processed through the Registrar’s office. The instructional deans will keep a record of all grade appeals in their area with the final determination. This information will be archived in document sharing within the course shell as available.

**Remediation of XF grade** - <sup>1</sup> An instructor who administers an XF grade may recommend to the Vice President of Instruction and Student Services that the student, who has received an XF grade, takes PHIL 1612 Academic Integrity Seminar for 2 credit hours. A student who is allowed to enroll in PHIL 1612 Academic Integrity Seminar may have the X of the XF grade removed from their transcript by taking and passing this course. This only applies to students who have violated the policy at the Basic Violation level. <sup>2</sup> All conferences may be in person, by phone or electronically mediated.

1. If a student has a concern about a final grade, he/she is directed to schedule a conference<sup>2</sup> with the respective instructor within seven (7) working days of the posting of the grade, or within seven (7) working days of the beginning of the next semester or session. The student may ask their advisor, or another advocate, to attend this meeting. The instructor will determine if the grade will be changed.
2. If the student not satisfied, he/she may schedule a conference with the respective Director, Executive Director or Dean within seven working (7) days of the conference in step one. The student should bring their concerns in writing to this conference. This conference may include the instructor. Following the conference, the Director, Executive Director or Dean will determine if an appeal will be granted.
3. If the student remains dissatisfied with his/her grade, a conference may be scheduled with the CAO within seven (7) working days of the conference in step two. The student should be prepared to present his/her concern in writing to the CAO at the conference. The CAO will investigate the concern and will render a decision, in writing, to the student within ten (10) working days of the receipt of the written concern.

4. If the student still has a concern, the student may request a hearing by giving written notice to the CAO within ten (10) working days of receiving the decision in step four. The student will designate one hearing committee member.

Upon receipt of such notice, the CAO shall establish a hearing committee. The committee shall include a member designated by the student, a member designated by the respective faculty member and a member (chairperson) designated by the Vice-President. The committee shall meet within ten (10) days of the request for the hearing and will render a written decision no later than five (5) days after the close of the hearing. A copy of the written decision shall be given to the student, instructor, Director, Executive Director, Dean and Vice President of Instruction and Student Services.

5. If the student still has a concern after receiving the hearing committee's decision, the student may schedule a conference with the President within ten (10) days of receipt of the committee's decision in step five. The student is required to present his/her concern in writing to the President.
6. Within ten (10) days of the conference in step six, the President will render a decision and will send copies of the decision to the student, instructor, Director, Executive Director, Dean and Chief Academic Officer. The President's decision is final.

**Special Note:** Students seeking a grade appeal in the Workforce Training & Community Education Division will participate in an additional step to the above procedure. Following step two, students taking coursework in this division who remain dissatisfied with their grade will schedule an additional conference prior to meeting with the Vice-President as outlined in step three. Students will insert this additional conference per the following guideline:

- If the student met with a Director in step two, they will meet with the Executive Director and Dean in step three.
- If the student met with an Executive Director in step two, they will meet with the Dean in step three.

A decision regarding the grade appeal will be made following the conference. If the student isn't satisfied with the decision, they may contact the CAO as outline in step three (above). This procedure only applies to current grades. Students who are returning to college after an extended absence who have concerns about prior grades may wish to consult the Academic Clemency Procedure.

# Grading System

Grade		Grade Points Per Credit Hour
A	Excellent	4
B	Above Average	3
C	Average	2
D	Below Average, passing	1
F	Failing	0
UF	Failing	Failure to Withdraw
XF	Violation of Academic Integrity <b>and</b> Failing	0
P	Pass-Credit only	not computed in cumulative grade point average*
I	Incomplete	no credit**
W	Withdrawn	no grade computed, no credit***
AU	Audit	no grade computed, no credit****
CL	Academic Clemency	no grade computed, no credit*****

\* Certain courses may be offered in which you are graded only as having passed or failed. Pass-Fail grading can be employed only upon recommendation of the instructor and approval of the Vice President of Instruction and Student Services prior to the time the course begins. The courses are added to your credit hour total but are not included in the grade point average.

\*\* An incomplete "I" is given only when a course is incomplete because of illness or other conditions usually beyond your control. An incomplete "I" must be removed by contract in a manner prescribed by the instructor no later than December 1 for an "I" given in a spring or summer semester; and May 1 for an "I" given in a fall semester. If the incomplete "I" is not removed within the prescribed period of time, it will be changed to an "F."

\*\*\* Your withdrawal from courses through the 20th day of classes in both the fall and spring semester and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and after the 10th day of classes in the summer session, a "W" will be recorded for courses withdrawn from officially. After the final drop date published each semester, official class withdrawals will not be processed.

\*\*\*\* You may audit a class by enrolling in the class and paying the audit fee of \$115 per credit hour. Students must declare their intention to audit at the time of enrollment and the option **cannot** be changed once the class begins.

\*\*\*\*\* If you have gone through the academic clemency appeal process and have been awarded clemency for certain courses, your initial grade will be changed to a "CL." The "CL" grade will not average into your GPA.

**Special Note:** A student may retake a course to improve the grade only if the course is not designated as repeatable in the master course list. The repeat grade will be used to determine the student's grade point average regardless of whether it is higher or lower than the original grade. The original grade and credit are not counted, although they remain on the transcript. Before retaking a course, students should check with their advisor to determine whether the course can be repeated for the purpose of improving the grade.

### How to Figure Your GPA

To calculate a grade-point average, add the points earned and divide that total by the number of GPA hours attempted. For example:

Course	GPA Hours	Grade	Points
BSTC 1001	1 hour x	A (4)	= 4 points
PSYC 1002	1 hour x	A (4)	= 4 points
ENGL 1204	3 hours x	D (1)	= 3 points
MATH 1826	5 hours x	C (2)	= 10 points
SOCI 1100	3 hours x	B (3)	= 9 points
COMM 1200	3 hours x	F (0)	= 0 points

**Total = 16 GPA Hours**

**Total = 30 points**

$$30/16 = 1.875, \text{ or } 1.88$$

Total is 16 GPA hours attempted and 30 points earned; 30 points divided by 16 hours=1.88 grade-point average.

## *Graduation*

### Catalog Requirements

Students have a maximum of six (6) years to meet catalog requirements in effect at their time of entry to apply for graduation. However, if a student's program of study has been interrupted by more than two (2) consecutive years, the requirements in effect when they re-enter the College will apply. In the alternative, the student has the right to elect the requirements of a later catalog.

## *Military Service School Credit*

Barton Community College will allow college credit to veterans and military personnel enrolled at Barton Community College who have successfully completed specialized training in a military service school. The evaluation for the number of credit hours to be awarded will be based on the recommendations as set forth in "A Guide to the Evaluation Experiences in the Armed Services," published by the American Council on Education. Veterans must provide documentation that shows the correct identification of the training program by title, length, location, and course number to the Enrollment Services Office.

## *Non-Repeatable Courses*

### **Credit**

Although there may be circumstances which merit the repetition of a non-repeatable course for credit (i.e., improvement of GPA or satisfaction of course pre-requisite), the results of the repeated course shall apply only once toward graduation requirements.

### **Grades**

When a non-repeatable course is repeated for credit, the most recent grade earned shall be used to calculate the student's grade point average.

## *Repeatable Courses*

A repeatable course can be repeated an additional three times in order to satisfy credit requirements for graduation.

## *Transcript Request Procedure*

1. Send/fax a signed written request.
2. Include social security number.

If you have received previous college credit, a transcript from previously attended institutions must be filed with the Enrollment Services office at Barton Community College. The transfer credit hours received by the College Enrollment Services office that will meet graduation requirements will be determined by your advisor when you and your advisor make up the approved program of courses. To be eligible for graduation from Barton Community College, students must have completed at least 15 hours from Barton Community College.

When a course taken at another institution is repeated at Barton, the College shall accept the most recent grade to calculate the student's grade point average or satisfy course and/or graduation requirements.

## *Withdrawal From College*

If you wish to withdraw from all classes at the College for the remainder of a semester, you must secure a withdrawal form through the Enrollment Services office or your advisor. If you are receiving federal financial aid, you should meet with your Financial Aid Officer. After you have returned all College books and other equipment, paid all fines and fees, turned in your Student ID or Activity Cards, and are cleared in every respect with the College, you will be cleared for withdrawal. If you fail to comply with the above procedure, you will not be recommended to any other college or university, you will not be eligible to receive refunds of such fees or deposits. Outstanding debts may be subject to legal action.

# *College Policies & Procedures*

The President, or in his absence, the administrator in charge, shall be notified immediately of any campus disorder taking place. No other action shall be taken on behalf of the College until such notification has been made. The administration shall not accede to any demands by the parties involved in such activities so long as any violence is taking place on the campus, or while any building or portion thereof is being occupied by such parties, or while such parties bar other students from such building or portion thereof thereby preventing the orderly conduct of College activities.

This includes: overt disrespect for the ideas and opinions of others; disruptive talk during class; and bringing activated cellular phones, pagers, or other electronic devices to classes or computer labs without prior approval.

### **Student Rights for Due Process**

To protect students from capricious disciplinary action, all proceedings which may lead to suspension or expulsion must be conducted in a manner which insures the charged student due process. The basis of due process is the method by which substantive rules are effectuated in a society. The key is how rules are implemented so that fair play and justice are generally recognized as being present. The following elements must be included to guarantee due process:

1. Jurisdiction - The parties must be amenable to the power wielded by the disciplinary body.
2. Notice - A concise, specific statement, in writing, of the charges (the specific facts and acts). A time and place for the hearing must be specified.
3. Testimony - The right personally to give testimony and to have others give testimony.
4. An impartial body to determine the facts and whether they (the facts) fit the rule. “Impartial” does not necessarily mean that they have no knowledge of the facts - it is not necessary in an administrative hearing.
5. Student Advocate - the student is allowed to bring an advocate to all hearing procedures or have one appointed for him/her if so requested.
6. The proceedings shall be recorded.

### **Disciplinary Procedure**

Whenever a complaint is made against any student for misconduct, the Dean of Student Services or such other person as may be designated by the President shall conduct an investigation of the allegations as soon as possible (generally, for Offenses Against the Academic Community the President will designate the Vice President of Instruction and Student Services). The Dean of Student Services or such other person as designated by the President is authorized to take any interim action necessary to maintain campus safety, integrity of the process, and/or protection of student rights and institutional rights during the formal investigation and determination process.

The student shall be given written notice of the complaint and charges against him/her within five (5) days of receipt of the complaint. If a student is under the age of eighteen (18) years, a copy of the notice shall be sent to the parents or guardian of the student. The student shall have five (5) days after receipt of the notice to respond in writing to the charges. If it is necessary to mail notice to the student, he/she shall have seven (7) days after the date of mailing to respond in writing to the charges.

The Dean of Student Services or such other designee of the President shall, as soon as possible after the investigation, render a decision that may include dismissal of the complaint or imposition of any discipline set forth herein. Notice of the decision shall be served upon the student in person, by certified mail, or by regular mail. If a student is under the age of eighteen (18) years, a copy of the decision shall be sent to the parents or guardian of the student.

### **Disciplinary Action**

If the Dean of Student Services or other designee of the President finds that the student has violated college policy, rules, or regulations, then disciplinary action shall be taken. The Dean of Student Services or other designee shall impose such discipline as he/she determines is warranted taking into consideration the seriousness of the offense. Permissible action may include written reprimand, probation, full or partial suspension from classes, expulsion from housing, and/or expulsion from school.

Disciplinary action may also include a bar against readmission to the college.

### **Appeals**

Any decision of the Dean of Student Services or such other person as designated by the President may be appealed by the accused or the complainant to an appeals board within five (5) days of the date of the decision. Such appeals shall be in writing and shall be delivered to the President of the college. Any disciplinary action imposed shall remain in effect during the appeals procedure, unless otherwise directed by the President of the College.

An appeal shall be conducted for one or more of the following purposes:

- a. To determine whether the original process was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a rebuttal of those allegations.
- b. To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
- c. To determine whether the discipline imposed was appropriate for the violation of the Student Code that the student was found to have committed.
- d. To consider new evidence sufficient to alter a decision, or other relevant facts not brought out in the original process, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

The President of the college shall name an Appeals Committee to conduct a formal hearing to review the charges. The Appeals Committee shall consist of five (5) members selected by the President, two of which shall be from the faculty and/or administration, and one of which shall be from the student body. The remaining two members may be either faculty, students, or one of both categories. Such committee shall select its own chairman, vice-chairman, and secretary from among its members. Such members shall serve without compensation. At any hearing before the committee, at least three (3) members shall be present to constitute a quorum in order to transact the business of the committee. Any member of such committee directly involved in the outcome of a hearing, or who believes they have a conflict of interest rendering them to be perceived as being incapable of providing an impartial decision shall disqualify him/herself to hear the same and the President shall appoint a person to take his/her place at such hearing.

### **Hearing**

The Appeals Committee shall set a hearing as soon as possible after the hearing has been requested. Notice of the time, date, and place of the hearing shall be given to all parties in writing no less than forty-eight (48) hours prior to the hearing.

It is the hope of the College that disciplinary matters will be handled by members of the College community, and legal counsel will not ordinarily be present to represent the College. However, if the student is to have a professional legal advisor at the time of any hearing, which will be at the student's expense, the student must notify the Office of Student Services not later than forty-eight (48) hours before the scheduled time of the hearing, in which event, the college may, in its discretion, be represented by counsel.

The hearing is to be conducted in private unless the student requests in writing to the Office of Student Services that the hearing be open to the public not later than forty-eight (48) hours before the scheduled time of the hearing. The Appeals Committee, in the exercise of sound discretion, may grant or deny such request. If, during an open hearing, it becomes apparent to the committee that its functions are being hindered by the openness of the hearing, the hearing may be summarily closed and conducted in private.

Collective hearings may be held. When collective hearings are held, individual decisions shall be rendered. In hearings involving more than one student, the committee may, in its discretion, conduct separate hearings.

If the student fails to appear before the Appeals Committee, he/she shall forfeit any right to appeal or seek further relief of the decision of the Dean of Student Services or the Appeals Committee.

Proceeding before the Appeals Committee shall be recorded. It is not necessary that a certified court reporter be used in the proceedings. A tape recording or minutes of the proceedings shall be sufficient. In the event a transcript of the proceedings is requested, the person so requiring shall pay the cost of reproduction. Recordings and communications related to the disciplinary procedure and resulting actions (before the Dean of Student Services or such other designee of the President) shall not be considered a public record as that term is defined by the Kansas Open Records Act.

## **Decision**

Upon the conclusion of the hearings, the Appeals Committee, by majority vote, shall decide whether the student has violated the Student Code of Conduct and whether the discipline imposed fits the nature of the violation. The Appeals Committee shall render its decision within three (3) working days of the conclusion of the hearing.

In all appeals, review of the discipline (as determined by the Dean of Student Services or such other designee of the President) by the Appeals Committee may not result in more severe discipline for the accused student.

The findings of the Appeals Committee shall be forwarded to the President for imposition of action taken. The findings of the Appeals Committee shall be final.

## *Problem Resolution Policy & Procedure*

### **Problem Resolution Policy - Students**

Barton is committed to providing the best possible learning environment for its students.

Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from Barton faculty, staff, and/or administration. This policy does not apply to student discipline or grade appeals. For disciplinary issues, please refer to the Barton Community College Student Code of Conduct policy located in this Student Handbook on **page 79**.

Barton strives to ensure fair and honest treatment of all students. Faculty, staff, and administrators are expected to treat each student with respect and professionalism.

Students are encouraged to bring concerns forward so that they may be dealt with in a timely and mutually agreeable manner.

Not every problem can be resolved to everyone's total satisfaction, but only through understanding and discussion of mutual problems can the student's learning experience be enhanced at Barton Community College. This process is important to the operation of an efficient and harmonious learning environment.

If students disagree with established rules of conduct, policies, or practices (excluding disciplinary issues), they can express their concern, confidentially, through the problem resolution procedure. No student will be penalized, formally or informally, for voicing a complaint with Barton in a reasonable, business-like manner, or for using the problem resolution procedure.

### **Problem Resolution Procedure – Students**

If a situation occurs when students believe that a conflict they are experiencing needs to be resolved, or if they feel a decision affecting them is unjust or inequitable, they are encouraged to resolve the problem at the lowest level possible and make use of the following steps. All information obtained in resolving problems shall be considered confidential by all parties involved.

**The student may discontinue the procedure at any step. This procedure does not apply to disciplinary actions involving a student or grade appeals.**

1. Student presents problem to the appropriate College official (Vice President of Learning and Student Services for instructional issues or Dean of Student Services for all other issues) within seven (7) working days after problem/concern is identified. If the College official is unavailable or the student believes it would be inappropriate to contact the designated College official, the student may present problem to the school Counselor.
2. The designated College official (as outlined in step 1) shall:
  - a. direct and advise the student,
  - b. assist the student in writing a Problem Statement on the appropriate form, provided through the Office of Human Resources,
  - c. visit with the appropriate College personnel or other student(s) and
  - d. when deemed necessary, request an informal meeting with the student and individual(s) identified in the Problem Statement within seven (7) working days.
3. If the problem is resolved during the informal meeting, the designated College official (as outlined in Step 1) shall notify the Office of Human Resources to request a Problem Resolution Form which shall be signed by both the student and the designated College official. The designated College official shall provide the student with a copy of the signed form and retain the original form.
4. If the problem is unresolved during the informal meeting, the designated College official (as outlined in step 1) shall assist the student in scheduling a meeting for the student to present the problem to the College President.

The College President, in turn, shall discuss the problem with the student, review all documentation, and present the student with a written determination within seven (7) working days, forwarding a copy of the written determination to the appropriate College official (as outlined in step 1). ## *Sexual Harassment Policy & Procedure*

Barton is committed to providing a learning and working environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, sexual orientation, or any other legally protected characteristic will not be tolerated. The College shall provide ongoing sexual harassment training to ensure its learning and working environment is free of sexual and other unlawful harassment.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. The following is a partial list of sexual harassment examples:

- Unwanted sexual advances, including verbal advances or propositions.
- Offering or denying employment and/or benefits based on receipt of sexual favors.
- Making or threatening reprisals after a negative response to sexual advances.
- Visual conduct that may include leering, making sexual gestures, or displaying of sexually suggestive objects, pictures, cartoons, or posters.
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes, or invitations.
- Physical conduct may include touching, assaulting, or impeding or blocking movements.

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment, awarding of a grade, etc.; (2) submission or rejection of the conduct is used as a basis for making employment decisions, awarding of a grade, etc.; or, (3) the conduct has the purpose or effect of interfering with the learning environment, work performance, or creating an intimidating, hostile, or offensive work or learning environment.

Sexual or other unlawful harassment experienced or witnessed is to be reported immediately to the individual's supervisor or to the College's Compliance Officer (College's Director of Grants) and may be done so without fear of reprisal or retaliation. In the event the Compliance Officer is unavailable, the Director of Human Resources will serve in that capacity for employee related issues and the Dean of Student Services will serve for student-to-student issues.

All allegations of harassment will be quickly and discreetly investigated. To the extent possible, the confidentiality of the complainant, any witnesses, and the alleged harasser will be protected against unnecessary disclosure. When the investigation is completed, the complainant will be informed of the outcome of the investigation.

Any supervisor or faculty representative who becomes aware of possible sexual or other unlawful harassment must immediately advise the Compliance Officer (Director of Grants) so it can be investigated in a timely and confidential manner. Anyone engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment or expulsion from school.

**Use the table below to determine the appropriate steps to take if you feel that you or others have been sexually harassed.**

**Step 1 - Action**

1. Immediately report the incident to the Compliance Officer at Barton Community College. In the absence of the Compliance Officer, the Office of Human Resources will be the contact agency.
2. The Compliance Officer will investigate the complaint by gaining as much information as possible about the incident. This information will be gathered from the complainant, witnesses, and alleged harasser, as appropriate and related to the incident.
3. Upon completion of the investigation, the Compliance Officer will issue a ruling on the complaint. As deemed appropriate, the College may secure the advice of legal counsel. The appropriate parties will be notified of the outcome of the investigation. If the College determines that sexual harassment has occurred, appropriate action up to and including termination will be taken to correct the situation.
4. As deemed necessary, a Sexual Harassment Administrative Follow-up will be conducted by the Compliance Officer within a reasonable time period to monitor the situation and ensure an environment free of sexual harassment.

**Appeal of the Compliance Officer's Findings:**

**Level 1**

- Notify the Office of Human Resources if complaint is employee related or the Dean of Student Services if the complaint is student-on-student related in writing within ten (10) working days of the Compliance Officer's findings.
- Obtain Barton Problem Statement form.
- Complete form and return to HR Office or Student Services Office as indicated above.
- Director of Human Resources will schedule conference with complainant or alleged harasser if complaint is employee related (the Dean of Student Services will schedule conference with complainant or alleged harasser if complaint is student-on-student related) to resolve matter.
- If the matter is resolved, then the Director of Human Resources or Dean of Student Services completes the Problem Resolution form.

If the matter is unresolved or no decision has been made within five (5) working days of the conference, then move to:

**Level 2**

- Employee/student shall file a written appeal with the President (or his/her designee) within ten (10) working days of the Level One decision, or fifteen (15) working days after the completed Problem Resolution form was presented, whichever comes first.
- The President (or his/her designee) schedules a meeting within five (5) working days after receipt of written appeal to resolve the matter.
- Following this meeting, the President shall render his/her decision within ten (10) working days. The President's decision shall be binding.

## *Drug-Free Schools and Communities Act*

Barton Community College supports and endorses the Federal Drug-Free Workplace Act of 1988 (Public Law 100-690, Sec. 5151 et. seq.) and the Drug-Free Schools and Communities Act amendments of 1989 (Public Law 101-226). Pursuant to these Acts, the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or abuse of alcohol (as defined in these Acts) by a student on college property or as part of any College activity is prohibited.

Under Public Law 100-226, the College will distribute to all students, in the Student Handbook, a statement of compliance in accordance with the applicable provisions of the law. The College will conduct a biennial review of this procedure as required by the Drug-Free Schools and Communities Act of 1989.

A student who violates this policy shall be subject to appropriate disciplinary action including suspension, demotion, non-renewal and/or termination as provided in the Student Code of Conduct Policy.

Students receiving performance awards or athletic scholarships shall be subject to random drug testing in order to assure compliance with the Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act of 1989 as referenced in this policy.

## *Substance Abuse Policy and Drug-Testing Program*

Barton Community College strongly believes that the use and abuse of illegal and/or banned drugs:

- A. Is detrimental to the physical and psychological health of students;
- B. Interferes negatively with the academic performance of students;
- C. Is dangerous to the life and health of the student and potentially his/her classmates/teammates during performance, competition and practice; and
- D. Compromises the integrity and spirit of extra-curricular activity performance and intercollegiate athletics competition.

Thus, Barton has made it a policy that the use and abuse of illegal and/or banned drugs will not be tolerated for students. For those students who receive a performance award from the Institution, the College will conduct a “zero-tolerance program” including testing and sanctions. While there is no intent to intrude upon the private life of the student, the College is interested in the well being of its students who perform and represent the Institution. Barton recognizes the addictive results of illicit drug use and, as provided in this policy, will encourage treatment and rehabilitation for any student involved in the drug-testing program.

## **I. PURPOSE**

- A. Education – To educate Barton Community College students about the problems associated with drug use and abuse.
- B. Detection of Abuse – To detect students who may be involved in substance use or abuse through testing methods.
- C. Treatment and Rehabilitation – To assist in the treatment and rehabilitation of a students who tests positive for drug use as part of this program, so that the student may safely and fully participate in academics, extra-curricular activities, and athletics, and to reduce personal, family, and social disruption.
- D. Discourage and Deter Drug Use – To discourage and deter the use of drugs by imposing significant sanctions on offenders.
- E. Promote Health and Safety of Student Participation – To provide reasonable safeguards assuring that every student is able to participate in extra-curricular activity performances and athletics competition unimpaired by illegal or banned drugs.

## **II. SUBSTANCE ABUSE EDUCATION AND PREVENTION PROGRAM**

- A. Objective – To provide educational guidance to the student regarding the physical, mental, and legal consequences of illegal drug use.
- B. Program – Students will be required to participate in an annual workshop with their activity sponsor, coach, Dean of Student Services and/or drug prevention coordinator which will provide information regarding drug abuse and will aid in the educational process of the student about the consequences of illegal drug use. Additional educational presentations may be held and required throughout the year. These programs will be announced to students as they are scheduled, and attendance of students who receive a performance award shall be mandatory.

## **III. DRUG-TESTING PROGRAM**

The activity sponsor, with the assistance of the Dean of Student Services, and/or the College Nurse shall inform students involved in extra-curricular activities of the drug-testing program. The head coach, with the assistance of Athletic Director (or designee), and/or the head athletic trainer shall inform the student athletes about the drug-testing program. Information concerning the program and a consent form associated with the program shall be provided to every student receiving a performance award. The consent form must be signed and submitted by the student as a condition of participation and receipt of aid. A student participating in extra-curricular activities is defined as any student who represents the Institution by performing in an activity in the name of the College and is receiving financial aid from or through Barton Community College for participation in that activity. Student athlete is defined as any student who is certified eligible (signed letter of intent) to participate in varsity athletics, is "red-shirted" or otherwise associated with the team and/or involved in workouts/practices, and a student athlete who has completed eligibility and is receiving financial aid from or through Barton Community College.

The student shall be subjected to testing as described in the policy. Failure to sign the consent form prior to practice, performance and/or competition shall result in the student's ineligibility for practice, performance, or competition until the student signs the form. Additionally, students who receive financial aid (specifically a performance award) from or through Barton Community College must sign the consent form as a condition of receipt of such aid. The program shall be conducted by a medical laboratory agency as selected by the College and supervised by College personnel as appointed.

A. Mandatory Drug Testing Program – All performance award students shall be subject to unannounced, random tests during the course of the academic year. The College will determine a prescribed percentage of each activity group and team that shall be subject to testing.

The College shall provide the medical laboratory agency with performance award rosters and athletic team rosters for students in extra-curricular activities; students will be randomly selected for testing by the agency consistent with the activity group and team percentages as prescribed by the College. The College will determine the number of random tests that occur each year.

B. Testing Program Based on Reasonable Suspicion – Information obtained by the College indicating “reasonable suspicion” of drug use by a student receiving a performance award shall prompt the College to require the student to submit to drug-testing. Specimen collection shall be conducted in accordance with the College’s and testing agency’s agreed upon processes. Reasonable suspicion shall not mean a mere “hunch” or “intuition,” but shall instead be based upon a specific event or occurrence which has led to the belief that a student has used drugs banned by this policy and program. Any of the following criteria shall be sufficient on its own to constitute “reasonable suspicion”:

1. Direct observation of drug use by a reliable informant;
2. Direct observation by those associated with the activity or athletic department (activity sponsor, coaches, athletic trainers, team physician, Athletic Director, Coordinator of Student Housing, Coordinator of Facility Management, College Nurse, Dean of Student Services) of physical and mental deficiency, medically indicated symptomology of drug use, aberrant conduct, or unexplained absenteeism;
3. Observation of, or evidence obtained by, College personnel leading to the common sense conclusion that use has, is, or could be occurring;
4. Common sense conclusions about observed or reliably described human behavior upon which practical people ordinarily rely (e.g., significant changes in behavioral patterns, academic performance, activity, or athletic, with regards to anabolic steroids, significant weight gain and unusually aggressive behavior);
5. Police or court determination (current or past) that the student has used or possessed prohibited drugs;

6. A demonstrated history of use of prohibited drugs, either prior legal convictions or prior positive tests for prohibited drugs through the College's or any other reliable testing program. Prior positive tests include any positive result including the results that fall into the "zero-tolerance" category. These are tests that fall below the established laboratory criteria for a positive test (e.g. > 15 nanograms/ml for marijuana), but indicate a lower concentration level of the banned substance.
- C. Voluntary Disclosure Drug Testing Program – A student may disclose use of a prohibited substance and avoid the College's first-time offender penalty by participating in the voluntary disclosure program. Disclosure of an activity student drug use may be made to the activity sponsor, College Counselor, College Nurse, and/or Dean of Student Services. Disclosure of student athlete drug use may be made to the Coach, Athletic Director, Head Athletic Trainer, College Counselor, College Nurse, and/or Dean of Student Services. When voluntary disclosure occurs, the activity sponsor or head coach shall be informed of disclosure by any of the other College personnel receiving disclosure from the student. The College employee informed of the disclosure shall be obligated to inform the other College employees listed above and refer the student for testing and referral to counseling and/or rehabilitation. Test results for activity students shall be reported to the activity sponsor, College Counselor, College Nurse, and/or Dean of Student Services. Test results for student-athletes shall be reported to the Coach, Athletic Director, Head Athletic Trainer, College Counselor, and/or Dean of Student Services. If found positive for banned drug(s), the student shall be retested forty (40) days after receipt of the initial positive documentation. If documentation demonstrates a decrease in the drug(s) metabolite, the student shall continue counseling until released by the counselor. If documentation demonstrates an increase in the drug(s) metabolite, the student shall be declared a first-time offender and submit to actions/sanctions indicated in this program. This option is available to the student on a one-time basis during his/her academic/athletic/activity career.

#### **IV. BANNED DRUGS**

Drugs banned by Barton include the following as well as all drugs banned by the NCAA (Appendix I):

- A. Amphetamines
- B. Cocaine
- C. Tetrahydrocannabinol – THC (marijuana)
- D. Anabolic Steroids

#### **V. CONSENT FORM**

All activity students and student athletes shall read and complete the form entitled, *Consent and Authorization Agreement*. This form must be completed before a student is allowed to practice, perform, or compete.

#### **VI. METHODOLOGY**

- A. Collection and Coding
  1. In order to enforce this drug policy, it shall be necessary to acquire a urine specimen from the student.

2. Urine voiding shall be monitored by a member of the testing agency selected by the College or a designated allied health professional.
  3. Chain of custody in specimen collection, preparation, and handling shall be followed as prescribed by the testing agency to ensure accurate and confidential results. *A document that explains the chain of specimen custody will be provided to each student prior to testing* (Appendix II). Further, prior to testing, each student will be given an opportunity to provide information concerning any medication being taken or other circumstances that might attribute to a positive test.
- B. Notification
1. Students requested to provide a urine sample shall not expect to be given notification prior to testing.
  2. If a student is selected for testing based on “reasonable suspicion”, the student shall be immediately escorted to the testing site by the activity sponsor, a Coach, the Athletic Director, Head Athletic Trainer, College Counselor, College Nurse, and/or Dean of Student Services.
- C. Testing Techniques – The testing agency shall screen each urine sample with the enzyme multiplied immunoassay technique and then perform gas chromatography/mass spectrometry for confirmation. The screen and confirmation shall be based on levels to be determined by the College in consultation with the testing agency.
- D. Results – Test results for activity students shall be returned to the Dean of Student Services and subsequently reported to the activity sponsor, College Counselor, and College Nurse. Test results for student athletes shall be returned to the Athletic Director and subsequently reported to the Coach, Head Athletic Trainer, College Counselor, and/or Dean of Student Services. Documentation indicating 6+ confirmation for drug use shall be dated by the College Nurse or Head Athletic Trainer, so subsequent re-tests can proceed after forty (40) days.
- E. Positive Test – A positive test will be defined as one that indicates concentration levels consistent with those established by the NCAA. The positive concentration level for THC (marijuana) is 15 nanograms/ml.
- F. Confidentiality – Test results shall be known only by the student, activity sponsor or Coach, Athletic Director (when applicable), Head Athletic Trainer (when applicable), College Nurse, College Counselor, and Dean of Student Services; and, if necessary due to an appeals process, the College’s Appeals Committee.

## **VII. BARTON ACTIONS/SANCTIONS**

The following actions/sanctions represent the sanctions established by Barton.

If the positive test occurs during the season, the student is suspended immediately from practice, performance, and competition for seven (7) consecutive days including a minimum of 10% of the contests and/or performances scheduled, or two contests/performances (not including exhibition contests) whichever is less. If the positive test occurs outside of the performance or competitive season, the seven-day suspension shall begin six days prior to the first regularly scheduled performance or competition (not including exhibition contests). The student may resume practice after the mandatory seven-day suspension but shall be withheld from a subsequent performance or competition, if the minimum performance or competition suspension is not met in the seven-day suspension period.
5. Student enters a prescribed counseling and rehabilitation program at their own expense.
6. After forty (40) days, the student re-tests and, should the student return as a scholarship student the following academic year, he or she may be subject to testing during the subsequent year(s). (Note: Testing continues during the summer months, if the student is enrolled in summer school). If documentation demonstrates a decrease in the drug(s) metabolite, the student shall continue as a first time offender and continue counseling until released by the counselor. If documentation demonstrates an increase in the drug(s) metabolite, the student shall be declared a second-time offender and submit to actions/sanctions indicated in this program.
7. The activity student may appeal to the Dean of Student Services. The student athlete may appeal to the Athletic Director. The student may appeal to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision. Any appeal must be submitted, in writing to the designated person or committee, within 5 days of receipt of positive result letter.

An appeal shall be considered for one or more of the following purposes:

  - a. To determine whether the drug testing process was conducted fairly and in conformity with prescribed procedures and/or
  - b. To consider new information sufficient to potentially alter the results.Sanctions imposed by this policy are to remain in effect during the appeals procedure unless otherwise directed by the President of the College.
8. Failure to comply will result in immediate and permanent suspension from the activity or team and the loss of financial aid. The student may appeal to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision.

## **SECOND-TIME OFFENDER**

1. The activity student's sponsor, College Counselor, College Nurse, and Dean of Student Services are informed.

4. Immediate and permanent suspension from participation in the activity or athletics program.
5. Cancellation of financial aid provided by Barton Community College.
6. The student may appeal the above conditions to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision.

### **B. Zero-Tolerance**

If a student's test result does not reach an established level to count as a positive test but does indicate a smaller concentration level of the banned substance [e.g. 1 to 14 nanograms/ml of THC (marijuana)], the student will be subject to the following actions:

1. The activity student's sponsor, College Counselor, College Nurse, and Dean of Student Services are informed.
2. The student athlete's Coach, Athletic Director, Head Athletic Trainer, College Counselor, and Dean of Student Services are informed.
3. The student will be offered counseling by the College Counselor.
4. The student will be subject to monthly retests at their own expense.

## **VIII. GENERAL POLICIES**

- A. The conditions of this substance abuse policy and drug-testing program begin when the student reports to the College academic/activity/athletic program and continues for the remainder of his/her academic/activity/athletic career.
- B. If a student fails to report for drug testing after notification, he/she shall be considered an offender.
- C. If a student reports to the testing site and subsequently leaves the site without permission from the drug-testing administrator, he/she shall be considered an offender.
- D. A student who is required to receive counseling will receive written notification and an appointment time via hand-delivery from the College Counselor. Following the initial counseling session, the College Counselor may refer the student to a community drug counseling service or continue counseling the student. If the student is referred to a community drug counseling service, the student will be financially responsible for services provided.

The first counseling session must occur no later than two (2) weeks after notification of the positive test. Failure to report for counseling will result in the student being suspended from practice, performance, and competition for one week and until the counseling session is met. Further, after a student misses two counseling sessions, he/she will be charged with a positive test result penalty for any subsequent missed counseling session, in addition to being charged for the cost of the missed session.

- E. Conviction of a student for the sale, purchase, transfer, or possession of drugs shall result in automatic and immediate dismissal from his/her activity or team and the loss of all related financial aid.
- F. Offenders shall be subjected to re-tests to determine continued abuse or non-use. An increase in drug(s) metabolite from the most recent test will indicate drug usage and, therefore, a subsequent offense. A decrease in drug(s) metabolite from the most recent test will not be considered a positive test.
- G. The application of all of these general policies may be appealed to the College's Appeals Committee who has final authority.
- H. This program and its administration/operation is subject to change or to be modified at any time. However, any change or modification will be implemented only by action of the Dean of Student Services and/or Athletic Director and will not be applied retroactively if it would adversely affect a student's rights.

## Appendix II

### Chain of Custody in Specimen Collection, Preparation and Handling

Preserving the integrity of the specimen is of vital importance in screening for drugs of abuse. Strict adherence to reasonable steps in this process is required so that:

- The student knows that his/her specimen is properly identified and sealed.
- The laboratory tests the correct specimen and issues a report on the correct subject, eliminating the possibility of reporting in error.

The process of quality control in any multi-step system will begin with the very first step and be systematically followed through to the last. By observing the regimen outlined below, a chain of custody shall be established.

1. Complete the test requisition form by providing the following:
  - Subject's Code Number
  - Date and Time of Collection
  - Test Number on the Form
2. Have the student observe and confirm his/her code number, sex and date on the test requisition form and document any medication being taken.
3. The student is to remove all outer garments. The student takes a specimen cup. The student and a member of the testing agency are to go to the lavatory. The student is instructed to void into the specimen cup while agency personnel observes.
4. In the presence of the testing agency personnel, the student selects a collection kit and pours the specimen into his/her specimen bottles.
5. In the presence of the agency personnel, the student tightens the cap to the bottles and seals them with the security tape which has the student's code number written on it in ink.
6. The student places the specimen bottles into the specimen envelope and seals each envelope with tape. [Note: No person touches the collection kits or specimen cups other than the student-athlete until after the collection process is completed and containers sealed.]
7. The envelope is placed into the shipping container.
8. The number of specimens being shipped is counted.
9. The shipping container is secured and the testing agency's address label is attached.
10. The courier for pick-up is notified and the testing agency is advised of the shipment.

A 19,857 acre lowland located seven miles northeast of Great Bend. The area is managed by the Kansas Department of Wildlife and Parks. It consists primarily of wetland habitat but also includes some upland area as well as farm ground and several tree rows. Management of the area is directed primarily at migratory waterfowl and shorebirds.

Cheyenne Bottoms is considered the most important ecosystem in Kansas and has been designated as a Wetland of International Importance. It may also be the most important shorebirds migration point in the western hemisphere. It is estimated that 45 percent of the North American shorebird population stops at the Bottoms during the spring migration. At least 320 of the 417 species of birds known to occur in Kansas have been recorded at the Bottoms. There are 100 species that breed and nest on the area, 95 species that winter here and 63 species that are permanent residents.

Cheyenne Bottoms is also critical habitat for threatened and endangered birds, including the whooping crane, peregrine falcon, bald eagle, piping plover and least tern.

More than 25 species of ducks and geese stop at the Bottoms. In late October, the number of Canada and white-fronted geese, mallards, pintails, widgeon, gad-wall, blue-winged and green-winged teal, redheads and ruddy ducks can reach the hundred of thousands. The Bottoms is one of the top waterfowl hunting areas in the Central Flyway.
