The Mission

The Barton Community College, in accordance with policy governance, has established the following mission and ends for the College.

The Mission of Barton Community College is to provide quality educational opportunities that are accessible, affordable, continuously improving and student focused. Barton is driven to provide an educational system that is learning-centered, innovative, meets workforce needs, and strengthens communities.

We will seek to achieve our mission through five interrelated themes that define our commitment to excellence in education:

Empowerment

We strive to empower all students to formulate and realize educational goals that will promote their personal growth and facilitate their full participation in a rapidly changing world.

Learning

We invite and assist all students to master a core of knowledge and skills needed for advanced learning, employment, personal growth, and responsible citizenship.

Growth

We strive to grow each year in our ability to accomplish our mission through purposeful enrollment and a commitment to quality.

The Vision

Barton Community College will be a leading educational institution, recognized for being innovative and having outstanding people, programs and services.

Release of Student Information Policy

In compliance with Section 438 of the "General Education Provisions Act" (as amended) entitled "Family Educational Rights and Privacy Act of 1974" (FERPA) the following constitutes the institution's policy on providing appropriate access to personal records, while protecting their confidentiality.

Barton Community College accords all the rights under the law to students. Those rights are: 1) the right to inspect and review the student's education records; 2) the right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights; 3) the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent; 4) the right to file with the U.S. Department of Education a complaint concerning alleged failures by Barton Community College to comply with the requirements of FERPA; and 5) the right to obtain a copy of Barton Community College's student records policy.

Students will be notified of their FERPA rights by publication in the Student Handbook and consumer information with the Financial Aid Office.

Definitions

For the purposes of this policy, Barton Community College uses the following definitions:

Student - any person who attends or has attended Barton.

Education records - any record (in handwriting, print, tapes, film, or other medium) maintained by Barton Community College or an agent of the College which is directly related to the student except:

1. Files retained by individuals which are not accessible to any other person except a substitute faculty/staff member.
2. An employment record of an individual whose employment is not contingent upon on the fact that he/she is a student, provided the record is used only in relation to the individual's employment.

3. Records maintained by the Student Health Service if the records are used only for treatment of a student and made available only to those persons providing the treatment.
4. Alumni records which contain information about a student after he/she is no longer in attendance at Barton Community College and which do not relate to the person as a student.

Procedure to Inspect Education Records

Students may inspect and review their education records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate College staff person a written request which identifies as precisely as possible the record or records he or she wishes to inspect.

The College Registrar or an appropriate College staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 30 days or less from the receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records which relate to him/her.

The student may request and receive interpretation of his/her record from the person (or designee) responsible for the maintenance of the record.

The student may obtain copies of his/her educational records upon written request, for which the College may charge the current copying charge per page. This does not entitle a student to an official transcript, for which there is a higher charge and which will be withheld if the person owes the College money or property.

Right of College to Refuse Access

Barton Community College reserves the right to refuse to permit a student to inspect the following records:

1. The financial statement of the student's parents.
2. Letters and statements of recommendation for which the student has waived his or her right of access, or which were placed in file before January 1, 1975. Waivers are subject to the following conditions:
 - a. Waivers can be signed only for the specific purposes of application for admission, candidacy for honor or honorary recognition (including financial aid based in part on merit), and candidacy for employment.
 - b. Waivers cannot be required.
 - c. The student shall be told, upon request, the names of those supplying references.
3. Those records which are excluded from the FERPA definition of education records.

Disclosure of Education Records

Barton Community College will disclose information from a student's education records only with the written consent of the student, except:

1. To school officials who have a legitimate educational interest in the records. These members include personnel in the offices of Admissions, Registrar, Business Office, Computing Center, Financial Aid, Career Services, Community Education, Planning, Testing, Library, Advisement Center, Advancement Office, Athletic Department, College deans, and other administrative and academic personnel within the limitation of their need-to-know.  5. To organizations conducting certain studies for or on behalf of the College.
 6. To accrediting organizations to carry out their functions.

 11. Social security number and student status data may be provided to other State of Kansas agencies for use in detection of fraudulent or illegal claims against state monies.
 12. At its discretion, the College may provide Directory Information to anyone in accordance with the provisions of the Act.

Record of Requests for Disclosure

Barton Community College will maintain a record of all requests for and/or disclosure of information from a student's education records. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record is open only to the student and the person in charge of the record.

Directory Information

Directory Information is limited to: name, address(es), telephone number(s), email address(es), dates of attendance, classification (freshman, sophomore, etc.), enrollment status (full-time, half-time, etc.), class type (day, evening, etc.), previous institution(s) attended, major field(s) of study, awards, honors (includes Dean's Honor Roll), degrees conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes).

Students may withhold free disclosure of Directory Information (on all or none basis) to non-institutional persons or organizations. Students have the option to protect their privacy and not have such information as address and telephone number released. A written request to withhold this information should be submitted to the Office of Enrollment Services. Otherwise, the College assumes that you approve of disclosure of that information. Requests will be honored for only one academic year; therefore, requests to withhold Directory Information must be filed annually.

Correction of Education Records

Students have the right to ask to have records corrected that they believe are misleading, inaccurate, or in violation of their privacy rights. If the student considers the record faulty, he/she can request and receive an informal and/or formal hearing of the case to the end that the record will be corrected if judged faulty or in violation of privacy:

- a. The informal hearing will be in conference with the person (or designee) responsible for the maintenance of the record, and where appropriate, the party or parties authorizing the record segment in question.
- b. The student may request a formal hearing by submitting a written request to the College Registrar in which he/she must designate the location of the record in question and a brief explanation of the reason for faulting the record. Hearing officer shall be selected by the College Registrar from a pool of persons who are officials of the College. The hearing officer selected should be a disinterested party to the dispute who will conduct an administrative hearing with both parties present.

The hearing shall be held within a reasonable period of time; notice of the date, place, and time must be given reasonably in advance. The student shall be afforded a full and fair opportunity to present relevant evidence and may be assisted or represented by any person of his/her own choosing (including an attorney at his/her own expense). When appropriate, affected College offices will be notified of the hearing and given a chance to respond to the student's assertions. A written decision based upon the evidence presented or gathered shall be prepared within a reasonable amount of time and shall include a summary of the evidence and the reasons for the decision. The judgment of the hearing officer shall be final and the record shall be changed or retained as recommended.

If the institution decided the information is accurate, it shall inform the student of his/her right to place in the educational record a statement commenting upon the information and/or noting any reasons for disagreeing with the decision. Any statement of this sort shall be maintained as long as the student's educational record or contested portion is maintained; if the student's educational record or contested portion is disclosed to any party, the student's statement shall also be disclosed.

Financial Aid FAQ's

How long may I receive federal financial aid?

You are allowed to receive federal aid for 150% of your program length.

If you are degree-seeking, you may receive aid for 96 attempted hours since this is 150% of the 64 hours required to graduate from Barton.

If you are certificate-seeking, you may receive aid for 150% of your program length. (e.g. for a 16 credit hour certificate, you may receive aid for 24 credit hours, for a 24 credit hour certificate, you may receive aid for 36 hours, etc.)

All attempted credit hours are counted towards the 150% including repeated classes, remedial classes, pass/fail classes, withdrawals, incompletes, and transfer hours regardless of whether or not you received financial aid for the hours. If you have reached the number of hours required by your degree or certificate at the time your financial aid application is reviewed, you will be asked to do a 150% appeal.

What if I change my major or have other mitigating circumstances that prevented me from completing within the 150% timeframe?

If you have special circumstances you feel should allow you to have the timeframe extended, you may appeal the 150% federal limitation by completing an appeal form which can be requested from the Financial Aid Office at: FinancialAid@bartonccc.edu. You will need to submit to the Financial Aid Office the appeal form and a copy of a program completion plan signed by your academic advisor.

Students seeking an additional or a second degree who have reached the 150% limitation and want additional aid must appeal for an extension. Students may appeal only once for an extension of their aid due to seeking a second degree. The Financial Aid Committee will review the appeal. Approval of the extension of aid will be judged on a case-by-case basis by review of unique circumstances of each case. The appeal of the Financial Aid Committee is final and cannot be appealed to the Department of Education.

If I take an incomplete in a class, how long do I have to complete the coursework?

You have until the end of the next term to complete the class.

Give me an example of completing 67% of attempted hours during a term.

If you attempt . . .	You must complete. . .

40 credit hours	27 credit hours
18 credit hours	12 credit hours
15 credit hours	10 credit hours

If I am placed on financial aid warning or probation, can I receive my financial aid?

Yes, when you are placed on financial aid warning or probation, you can receive your financial aid. However, being placed on financial aid warning or probation is to let you know that you risk losing your financial aid if you have another poor semester. When you are placed on financial aid warning or probation your Financial Aid Officer may intervene to find ways to help you succeed. Student Support Services and/or your academic advisor may work with you to strengthen your potential to succeed.

If I am on financial aid suspension, can I still receive my student loan?

Like grants and scholarships, Federal student loans are considered financial aid. Therefore, you will not receive your Federal student loans if you are placed on financial aid suspension. You may receive private student loans while on financial aid suspension which are not subject to SAP.

How will I know if I am placed on financial aid warning or suspension?

You will be notified by email if you are placed on financial aid warning or suspension. The email will explain what your SAP status means, and refer you to the SAP policy. If you are on suspension, the notice will provide instructions on how to appeal your suspension status. If you are on financial aid warning, the notice will instruct you how to complete a Warning Acknowledgment form. You may always view your SAP status by accessing your PAWS account on the Barton website.

What can I do to get off of financial aid suspension?

You may appeal your financial aid suspension status if you have extenuating circumstances or have earned your way off of suspension. The Financial Aid Committee will review your situation and decide whether to grant your appeal. Suspension status is indefinite unless you complete an appeal and your appeal is approved. You cannot get off of suspension status by sitting out or by paying for classes and not making SAP and completing an appeal. Students may only have one suspension appeal granted regardless of the reason.

Under what conditions may I appeal a suspension status?

You may want to appeal a suspension status for the following reasons:

You experienced the death of your spouse, your child, your parent or one of your siblings. You will need to provide a copy of the death certificate.

You experienced an injury or illness which prevented you from making SAP. You will need to provide a letter from your doctor or counselor stating your injury or illness was severe enough to prevent you from successfully completing your coursework. No details of the injury or illness are necessary.

You have special circumstances that you believe deserves consideration. Please provide any documentation to support your request for an appeal.

You took classes at Barton, earned Satisfactory Academic Progress (2.0 GPA and 67% of attempted hours), and your student account has a zero balance. The hours can be taken in more than one term. While on suspension, you will not receive financial aid. Also, you must pay your account balance prior to appealing. You will need to take the following hours at Barton to be able to appeal:

Number of hours you were taking when you went on financial aid suspension:	Number of hours you need to take to appeal your financial aid suspension status:
6 – 12+ hours	6 hours
3 – 5 hours	3 hours
1 – 2 hours	1 hour

How may I appeal my suspension status?

You may request an appeal of your suspension by completing the online form at this link: **[Appeal Form](#)** which will automatically be submitted to the Director of Financial Aid. If you would prefer, you may complete a paper appeal form which may be requested from the Financial Aid Office at: **FinancialAid@bartonccc.edu**.

When will I find out whether my suspension appeal has been granted?

You will be notified of the status of your suspension appeal by letter or email the day after your appeal has been reviewed. Please allow 2-3 weeks review time after your appeal has been submitted.

How often is SAP evaluated?

SAP is evaluated after each term - Fall, Spring, and Summer. If you received any type of financial aid - federal, state, or institutional - your performance during the term will be evaluated. SAP will be evaluated whether you were enrolled full-time or part-time. SAP is evaluated on your cumulative GPA and Pace (rate of completion).

What is included in an academic plan?

You will work with your advisor to get a clear picture of where you are academically and what you need to accomplish to complete your degree or certificate. Included in the academic plan will be the courses you need to earn your degree or certificate, the amount of time it will take to complete the classes, whether you should take night classes, online classes, or summer classes, an assessment of other factors supporting your academic performance. **It is essential that you complete the academic plan exactly as written and agreed upon in order to receive financial aid.**

What if I need to make a change to my academic plan?

You will need to work with your academic advisor if any changes need to be made to your academic plan. The changes will need to be reported to the Financial Aid Office.

Unapproved changes to your academic plan will result in suspension of your financial aid.

What if I change my degree/program before I complete my academic plan?

If you and your advisor change your degree/program before your academic plan is finished, you will need to appeal the change with the Financial Aid Office in order to change to a new academic program. You can appeal your academic plan by contacting your Financial Aid Officer.

What aid is evaluated for SAP?

All students receiving federal, state, and institutional aid are subject to SAP evaluation. This applies to all full-time and part-time students in all degree programs. Students receiving only scholarships from external entities and/or private educational loans are not subject to SAP evaluation.

Academic Advising

<http://bartonccc.edu/academicadvising>

Advisor's Responsibilities

Your academic advisor was selected for you from your major area of interest as indicated on your admissions application. Your assigned academic advisor will provide a friendly, open environment that will foster self-exploration, self-awareness and self-evaluation thus enhancing a sense of personal identity, and they are accessible to all advisees and exhibit an open-door policy. Additionally, advisors assist students in exploring the possible short and long-range consequences of their choices and to facilitate student's recognition and acceptance of personal responsibility for what happens to their lives. Advisors, with the assistance from their advisee, must focus not just on a semester-by-semester plan but a tentative college career plan that may encompass several years as well as what may or may not happen beyond college and training.

Student's Responsibilities

- Share information with advisors regarding interests, goals, educational, and career plans.
- Share personal information that has a bearing on academic careers. The numbers of hours spent at work, responsibilities to family, financial aid status, and any limitations are all necessary information for advisors.
- Be familiar with the College Catalog and the Student Handbook. These are vital sources of information.
- Make a note of advisor's advising hours and phone number. When students cannot meet during the designated hours, they are expected to schedule appointments and to call if they are unable to keep appointments.
- Keep a record of graduation requirements. Students should keep copies of ALL correspondence from the College, and from meetings with their advisors. It is ultimately the students' responsibility to fulfill the requirements for graduation.
- Be familiar with college deadlines, which can be found in the Student Handbook.
- Be willing to contact the appropriate student support services available on campus. The Student Handbook is an excellent resource.
- Be prepared for meetings with advisors, particularly when registering for next semester. Students should review what courses are still necessary for their programs and have an idea of what courses they would like to take as electives.
- Alert their advisors immediately if they begin to have difficulties that are affecting their class work or continued enrollment.
- Be an active participant in the advising sessions.
- If students have questions about the advising process or are unclear about the advising services available at Barton Community College, they should contact the Advisement Coordinator in the Advisement Center at **(620) 792-9225**.

Testing

Placement Testing

Students entering college for the first time without SAT, ACT, Accuplacer or ASSET scores must take the Accuplacer or ASSET test. Students must have test scores on file if they are pursuing a certificate or associate's degree or are enrolling in a general education class requiring specific test scores. Test scores will be used to place students in the appropriate English, Reading or Math course. Individuals requiring testing accommodations due to disability should contact: disabilityservices@bartonccc.edu or (620) 786-1102.

Testing provides both the student and the adviser an effective tool to assure academic success. Through enrollment in proper courses, students are more likely to meet their academic goals.

Instructor Assigned Testing

Student Services may conduct other assessments or testing as required by individual instructors or departments.

The following nationally normed instruments can be administered:

- **ACT:** An entry-level test required by many colleges, administered at Barton in October, December, April, and June, fee paid directly to ACT. Students may register by going to www.actstudent.org.
- **CLEP & DANTES:** An instrument provided by Education Testing Service which allows you to receive credit for informal learning by "testing out" of entry-level classes. Primarily designed for the adult student; fee paid directly to College Board/CLEP. Barton charges a \$15 administration fee. Military personnel wishing to take a CLEP test may qualify for DANTES funds.
- **COMPASS:** Fort Riley students only. A computerized placement test to determine the level of Math, English, and Reading in which a student would be most successful.
- **ACCUPLACER:** Great Bend campus students only. A computerized untimed placement test used to determine the level of Math, English, and Reading in which a student would be most successful.
- **ASSET:** A 25-minute timed test used for placement into specific English and Math classes.

Tests Administered Through Other Testing Agencies

- Automotive Service Excellence Exam (ASE)

Information about transfer equivalency of Barton courses to other institutions is also available. Information from colleges outside of Kansas may be obtained at your request. Many Kansas colleges have admissions representatives visit throughout the year to meet with prospective Barton students. Check the Career Center website for specific dates and times.

Disability Services

Services are available to students (on-campus or online) with physical or learning disabilities in order to promote equal educational opportunities. Accommodations are modifications or adjustments that allow students with disabilities an equal opportunity to participate in and benefit from educational programs. Reasonable accommodations are provided on an individualized, as-needed basis. At the college level, students with disabilities must self-declare and provide recent and professional documentation regarding the disability, which should include how the disability affects the student's academic performance, as well as suggested accommodations. The student must take the first step of self-advocacy by making sure they contact a disability advocate at **(620) 786-1102**, preferably prior to the start of classes, to allow adequate time for accommodations to be set in place.

Students may contact disabilityservices@bartonccc.edu or

- Barton Main Campus students can come to the north end of the Learning Resource Center, or call the Barton disability number, **(620) 786-1102**.

- Growth is a sequential and orderly process.
- Children pass through stages of development, which occur in a predictable sequence in the physical, affective and cognitive growth domains.

Campus Safety Department

At Barton Community College the safety and well-being of our students, faculty, staff and visitors are of utmost importance. With the support of other departments, we have many people involved in keeping this campus safe and secure; however, a truly safe campus can only be achieved with the cooperation of all students, faculty, staff and visitors.

Any student, College employee, or visitor who witnesses a crime or accident should contact the Barton Community College Safety Office. The Campus Safety Office is located in the Technical Building, Room 154, or they can be reached by calling **(620) 792-9217**.

Campus Safety Personnel

Campus Safety Officers patrol the campus 24 hours a day and make periodic building checks as well as patrolling the housing facility area. Campus Safety Officers work closely with Facility Management and the Coordinator of Student Housing to try to maintain a tight key control.

The Facility Management Department maintains the College buildings and grounds with concern for safety and security. Facility Management employees inspect campus facilities regularly, promptly make repairs affecting safety and security, and respond to reports of potential safety and security hazards such as broken windows, locks, and repair or replacement of malfunctioning lights.

The Campus Safety Department assists the Facility Management Department by reporting potential safety and security hazards. Students, faculty and staff also may call the Campus Safety or Facility Management Departments to report safety and security hazards.

Public Safety

The Barton Community College Campus Safety Department provides several functions to the College community, some of which are as follows:

- The Barton Community College Campus Safety Department provides a 24 hour a day, seven days a week patrol function on campus, parking lots, and living quarters. Campus Safety personnel are commissioned by authority of the State of Kansas under K.S.A. 72-8222 which gives them the authority to possess and exercise all general law enforcement powers, rights, privileges, protections and immunities in every county in which there is located any part of the territory of the school district or community college.
- Officers are responsible for a full range of public safety services including assistance in medical emergencies, fire emergencies, traffic regulations, accidents, enforcement of laws regulating underage drinking, the use of controlled substances, weapons and other incidents.
- Criminal acts and other emergencies on campus can be reported 24 hours a day, seven days a week by calling **Ext. 217** while on campus or **(620) 792-9217** from an off campus phone. If you would like to talk to Campus Safety personnel in person, the Campus Safety Office is located in **Room 154** of the Technical Building.
- The Campus Safety Department will make an incident report on any crime or unusual activity reported to the Department, which will be kept on file for at least three years or longer.
- Campus Safety personnel have concurrent jurisdiction on campus with the Barton County Sheriff's Office. The Barton County Sheriff's Office will respond to assist if needed and are always ready to help with major crimes or other functions on campus.
- The Campus Safety Department shares information with both the Barton County Sheriff's Office and the Great Bend Police Department on arrests and serious crimes. The identification number of any stolen vehicle and other property, if available, may be reported to one or both departments and may be entered into the National Crime Information Center by either department.

Public Service

Campus Safety Officers are often called to assist student and faculty in other ways. Some of the extra duties they perform, time permitting, include jump-starting automobiles whose battery has run down. If you have a special request, contact the Campus Safety Department at **Ext. 217**.

Prevention of Crimes

Barton Community College is a community of students, faculty and staff. Like all small communities, there will be incidents of property loss and other daily problems where people reside and work in close proximity to one another. Our job is to lessen the occurrences of such incidents.

The Campus Safety Department is responsible for the safety and security of the College campus. This task cannot be accomplished alone. Crime prevention and security awareness are self-serving qualities. We need the assistance and cooperation of each student, faculty and staff member. Some ways you can assist us in this endeavor is as follows:

1. Report all suspicious persons as soon as possible.
2. Report any crime as soon as possible.
3. Be watchful when walking alone on campus after dark.
 - If going out at night, ask a friend to go with you.
 - Stay in lighted areas and report any lights that are not functioning properly or areas that are dimly lit.
4. Keep money and valuables in a safe place.
 - Don't flash a large amount of money if you have it on you.
5. Be sure that your room is locked when you leave it unattended.
6. Do not lend or give the key to your room to anyone.
7. Be especially watchful at night in the parking lot if you are alone.
 - If your car is unlocked, always look in the back seat and floor board before entering.
 - As soon as you get into your car, lock the doors before starting.
 - Do not pick up hitchhikers on or off campus.
8. Always be aware of your surroundings and keep in mind an escape route.

History

Crime Stoppers of Great Bend and Barton County is a non-profit organization of citizens against crime that was founded in 1984. This program is a member in good standing with the Kansas Association of Crime Stoppers and Crime Stoppers International, Inc. which is the parent organization that oversees nearly 900 programs throughout the world. Through an integral networking system these programs have been responsible for solving over 419,000 felony crimes, resulting in the recovery of almost \$3 billion worth of narcotics and stolen property. Most incredibly, these programs have provided information from ANONYMOUS callers, resulting in a conviction rate of 96 percent worldwide.

Locally, Crime Stoppers of Great Bend and Barton County has cleared over 200 crimes with over \$500,000 worth of narcotics and stolen property recovered resulting in a conviction rate of 100%.

The concept of scholastic Crime Stoppers was originated in Boulder, Colorado in 1983. Since that time the Boulder program has been a great success, and serves as an international role model for other communities hopeful of initiating such a program.

Crime Stoppers of Great Bend and Barton County has made a commitment to launch a scholastic program at BCC. They are also pleased to announce that they have formed similar scholastic programs in all of the county middle schools and high schools.

Definitions

Victim - Any member of the College against whom a crime has been committed.

Faculty Coordinator - The faculty representative who will administer the program at BCC.

Informant - Anyone with information about a crime or information that will prevent a crime.

Barton Crime Stoppers - A team of six student board members, faculty coordinator and support staff. The goals of this group are to create an awareness of crimes being committed on campus, reduce victimization resulting from criminal acts, reduce the use and sale of alcohol and drugs and to promote caring and pride at Barton.

Guaranteed Anonymity - A commitment from the College, Faculty Coordinator, President, staff and Crime Stoppers of Great Bend and Barton County. The coordinator will not be questioned as to the identity of the informant.

Operational Procedures

Step 1 - Anonymous Informant

The informant calls Crime Stoppers of Great Bend and Barton County at **(620) 792-1300** or toll free at **1-888-305-1300**. The informant does not identify him- or herself and no recording or caller I.D. is used. The informant indicates that the call is in relation to a crime occurring at Barton. If the information is related to a crime that is beyond the College's jurisdiction and adjudication power, the detective answering the phone will relay the information to the proper law enforcement agency. If the information is related to a crime that falls within the jurisdiction and adjudication power of the College, the detective will immediately relay the information to the Faculty Coordinator.

Step 2 - Investigation

The information will be provided to an investigating officer or the Faculty Coordinator, depending on jurisdiction. If the case falls in the jurisdiction of a local law enforcement agency, the investigating officer works the case in cooperation with the Faculty Coordinator.

Step 3(a) - Reward

The caller periodically needs to call the Crime Stoppers phone to check on the progress of the investigation. When the case is solved, the Detective manning the line will advise the informant to call back after the Barton Crime Stoppers Board has had a chance to meet and consider a reward. When the case reaches a final conclusion it will be presented to the Barton Crime Stoppers Board for review and consideration of a reward. When the informant calls back, the Detective will advise him or her of the amount of the reward and the informant will be asked to go to a local financial institution after a certain date and provide the number that has been assigned to their information. At the financial institution, the informant can go through the drive-thru or submit the number to the receptionist and be given an envelope with the cash reward.

Step 3(b) - Felony Rewards

In the case of a felony reward, the information will be given to the Crime Stoppers of Great Bend and Barton County Board for review and may be referred back to the Barton Crime Stoppers Board for a decision.

Traffic Enforcement Policy

The Board of Trustees of Barton Community College has given the Director of Campus Safety the authority and responsibility to control and regulate traffic on property owned or controlled by the College. Rules must be established and followed so as to control traffic and parking while on College property. The following is a general outline of the traffic and parking policy of Barton Community College.

Traffic Control

Traffic control signs are placed throughout the College campus. These signs all conform to Kansas Statutes in K.S.A. Chapter 8, which is the chapter that deals with traffic signing and traffic control. All signs are approved by the State Highway Traffic Code as authorized signs and are all recognized traffic control signs.

Signs are placed so as to control traffic in the safest possible manner without being a burden upon any person wanting to drive upon the campus. Violations of traffic control signs (speeding, no parking, fire zones, handicap parking, etc.) may either be handled by a citation issued and taken care of internally through the College or may be subject to a Traffic Infraction as set forth in Kansas Statute K.S.A. Chapter 8 and a citation issued to Barton County District Court.

Further, legally recognized traffic control, such as curbs painted yellow, parking stalls painted blue with a wheel chair symbol, yellow painted areas adjacent to fire plugs etc. will all be enforced and persons parking in these areas will be subject to a citation being issued as described in the previous paragraph.

No motor vehicle, including but not limited to, motorcycles, mopeds, motor scooters, or motorized bicycles will be allowed to operate on sidewalks, pedestrian walks, lawns or grassy areas on campus except for authorized motor vehicles operated by College officials while engaged in business for the College, or utility vehicles operated at the direction of a College official.

Parking Lots

Unlike most other colleges and universities there are no parking stickers required except for housing students. There is no reserved parking for faculty, staff or student personnel with the exception of the lot on the east side of the Technical Building which is restricted to vehicles owned and operated by Barton Community College and the lots located between and east of the student housing area. Housing students are expected to park in the parking lots provided for them and for which they are issued a parking permit. Other students, faculty and staff are not permitted to park in the student housing parking lots with the exception of the Coordinator of Student Housing and the Assistant Coordinator of Student Housing.

In the few lots where parking is restricted, each area is clearly marked with signs designating the parking restrictions and will be enforced.

Handicapped Parking

Students, faculty and staff with permanent or temporary health disabilities that impair their mobility may receive special parking privileges. Those persons who have a physical handicap may park in an authorized handicap zone while displaying either an official rear-view mirror hanging permit or disabled license tag issued by the State of Kansas. Campus Safety will issue a temporary permit. The permit may be picked up at the Campus Safety Office located in the Technical Building, Room 154.

Any person caught using an official handicap permit or tag who is not impaired or anyone using a forged handicap permit will be issued a Notice to Appear in Barton County District Court.

Payment of Fines

Fines, having been previously set, are noted on the citation issued by a Campus Safety Officer. Fines are due and payable within fourteen (14) days of the date of the citation. Fines may be paid any weekday during normal working hours at the Business Office, located in the Kirkman Activity Center. Fines may also be paid by mail with a personal check or money order made payable to Barton Community College, and addressed to Business Office, Barton Community College, 245 NE 30 RD, Great Bend, KS 67530.

Fines not paid within fourteen (14) days of the citation being issued will have an additional \$5.00 fine added to the original fine unless an appeal is requested. (see section under APPEALS)

If a person requests an appeal hearing (see section under APPEALS) within the 14 day limit after the issuance of the citation and posts the \$5.00 appeal hearing fee the additional \$5.00 fine will be suspended.

Students who do not pay fines within 30 days of the citation may not be allowed to add, drop or change classes until such time as the fine is paid in full. Also, students may be denied enrollment for another semester as long as the fine is unpaid.

Any student who leaves this College without paying an outstanding fine will be unable to have his or her transcript transferred to any other school so long as the fine is unpaid.

Student Housing Parking Permits

A parking permit will be issued to every student living in Student Housing at Barton Community College upon request of the student.

Permits will be of a type and design designated by the Director of Student Housing. One parking permit will be issued free of charge.

Permits must be displayed at all times when parked in the student housing parking lot. Permits will be displayed in a location on the vehicle designated by the Director of Student Housing. Vehicles that display parking permits which are not in the designated location will be considered invalid and a citation may be issued.

Appeals

Anyone wishing to appeal his or her citation at Barton Community College may do so by appearing before an appeals board consisting of student, faculty and staff personnel. The appeals hearing will be held periodically at a time and place to be announced to any person wishing to appeal his or her citation.

Anyone wishing to appeal his or her citation must notify the Business Office orally or in writing within fourteen (14) days of the issuance of the citation.

Those wishing to appeal will be required to post a \$5 appeal hearing fee at the time the appeal is requested. A date and time for the appeal will be set and the person will be notified as to the date and time of the appeal. At the time of the appeal hearing, the \$5 fee will be returned to the person asking for the hearing. If the person requesting the appeal hearing does not appear for the hearing, the \$5 fee will be forfeited to the College and any and all fines will become payable immediately.

Registered Sex Offenders on Campus

The federal Campus Sex Crimes Prevention Act (CSCPA) of 2000 requires registered sex offenders to indicate when they are enrolled or employed at an institution of higher education. In Kansas, the governmental body providing this resource information is the Kansas Bureau of Investigation (KBI). Further, the law compels colleges to make this information available to the campus community.

A comprehensive list of registered offenders available from the KBI may be found at this site: <http://www.accesskansas.org/kbi/ro.shtml>. This site provides information (including photographs) regarding individuals of violent, sexual, and/or drug related crimes and may be searched by city or county for the state of Kansas at no cost. Explanations of sexual offender-related issues is provided by the Kansas Department of Corrections. This document briefly explains sexual offenses, laws, and predator treatment and release information.

The CSCPA amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that FERPA cannot prohibit an educational institution from disclosing information concerning a registered sex offender. This statement is provided in compliance with the Campus Sex Crimes Prevention Act of 2000 and the Kansas Offender Registration Act of 2013.

Victim Support Services

Assistance is available to any student, staff member or visitor who has been a victim of or witness to a crime. This assistance includes a variety of counseling and support services, both through the College as well as city and county. 8. Enhanced training should be made available to sensitize criminal justice personnel to the needs and concerns of victims and guidelines should be developed for this purpose.
9. Victims should be informed of the availability of health and social services and other relevant assistance that they might continue to receive the necessary medical, psychological, and social assistance through existing programs and services.
10. Victims should report the crime and cooperate with law enforcement authorities.

WHAT TO DO IF YOU ARE SEXUALLY ASSAULTED

Remember your goal is survival. Go with your instincts. Only you, after considering your options, can decide your course of action. Do not blame yourself following the attack for anything you did or did not do.

Seek help. Remember, you are the victim and that you are not responsible for what happened. Try to remember details of the assault. Write down anything that you can remember about the attacker.

Report what happened. Call 217 or if off campus, call 911. Prompt reporting will assist in helping the police gather evidence and in catching your assailant. Call a friend, or a Rape Crisis Center. A counselor can help you make decisions about medical treatment and other services for victims.

DO NOT shower or change your clothes until a physician has examined you. This prevents valuable evidence from being destroyed.

Go to a hospital emergency room. Protect your health.

With any form of rape, there is a threat of sexually transmitted disease.

1. Submission to such conduct is made either explicitly or implicitly as a term or condition of the individual's employment, or a factor in the educational program of a student; or

Proposed Standards

Sexual harassment of employees and/or students is a violation of federal and state laws (Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendment of 1972). Barton Community College holds that no member of the College community may sexually harass another. In compliance with nondiscrimination laws, the College regards freedom from sexual harassment to be a safeguarded right of the individual employee and/or student. Any violation of these standards will bring disciplinary action upon the employee and/or student. Retaliation against any person making sexual harassment complaint, regardless of the outcome, is strictly forbidden. The confidentiality of both parties involved, as well as the resolution of the problem, will be protected as much as possible.

Sexual Harassment Policy

Refer to Policy on **page 86**.

Substance Abuse Policy and Drug-Testing Program

Refer to Policy on **page 88**.

Barton Community College recognizes that the state of a student's health not only affects academic success, but also other College and societal-related endeavors. It is the intent of this program to provide drug education and drug screening procedures with Barton's viewpoint on behavioral/medical disorders, to encourage an enlightened viewpoint towards these disorders, and to provide guidelines for consistent handling throughout Barton regarding drug usage situations. The Barton Drug-Free Schools and Communities Act is not intended to intrude upon the private lives of the students that are affected. Rather, the College supports sound treatment efforts as early recognition and treatment of chemical dependency problems are important for successful rehabilitation.

Hence, the ultimate purpose of the Barton's Drug-Free Schools and Communities Act Policy and/or Program includes drug education, prevention of substance abuse by measures of deterrence, detection of substance usage and abuse, and treatment and rehabilitation of those participating students with a substance abuse problem. Any student of the College who receives financial assistance from Barton will be included in this policy.

Drug Testing for Students Receiving Athletic Scholarships or Performance Awards

Academic Information

While enrollment at Barton Community College is not compulsory, the philosophy of the institution protects the equality of opportunity of all persons qualified to attend. Further, the enrollment of a student at the College is a voluntary entrance into the academic community wherein the student assumes obligations of performance and behavior reasonably imposed by the institution relevant to its lawful missions, processes and functions.

Such obligations may be higher than those imposed on all citizens by the civil and criminal law. No student may, without liability to lawful discipline, intentionally act to impair or prevent the accomplishment of pursuits of the institution. The College, on the other hand, pledges to uphold fundamental concepts of integrity and justice.

A student does not surrender rights as a citizen upon enrollment in this College; rights and freedoms, however, like those of any citizen, are not unlimited and expectations for student behavior (both in and out of the classroom) are explained in more detail below. The College has an obligation not to submit to intimidation, violence or disruptive behavior. The academic policies that follow are for your information. We hope you find them helpful. For information or clarification, please contact the Office of Learning and Instruction.

2500 - Academic Assessment, Placement & Re-testing

Through the adoption of these practices, the College recognizes its responsibility to appropriately advise and place students for the purpose of strengthening their possibilities for future success.

Assessment and Placement

1. The Academic Assessment and Placement Procedure applies to¹:
 - a. Students enrolling in approved certificate or degree programs with pre-requisite placement scores;
 - b. Students who plan to enroll in any course with pre-requisite placement scores.
 - c. Students whose primary language is not English.
2. Prior to their enrollment in math, English, or other programs/courses with pre-requisite placement scores, students who do not have placement scores shall undergo assessment of basic skills. Students whose placement scores are five years old or older may be required to retest. Individuals requiring testing accommodations due to disability should contact the Testing Coordinator at **(620) 792-9344** or the Fort Riley Student Services Office at **(785) 784-6606**.
3. “Basic Skills” includes those minimal skills in the discipline areas of mathematics, writing, reading, and fundamental study skills which are required for student success in college-level work.
4. For the purposes of the Academic Assessment and Placement Procedure, “placement scores” include results from nationally-normed assessment instruments/tests, and, for BARTonline courses, institutionally developed placement instruments/tests. The College bases course placement decisions on the highest score achieved on ACCUPLACER, ACT, ASSET, COMPASS, or SAT assessments. <http://bartonccc.edu/instruction/academicadvising/studentinfo/faq/assessmenttest.html>.
5. Students scoring below college-entry level in writing, reading, and/or mathematics are required to enroll in the required developmental education courses indicated by their respective placement scores. Further, students are expected to pursue basic skills until reaching college-level competency. For this reason, all students with developmental requirements are required to enroll in specified developmental courses during their first and each subsequent semester of enrollment until all developmental requirements are completed.
6. Generally, students scoring below college-entry level in writing, reading, and/or mathematics will be allowed to simultaneously remediate and pursue certificate and/or degree requirement courses. However, students will not be allowed to enroll in courses and/or programs with pre-requisite placement scores until they have reached college-level competency in the required area(s).
7. In order to be successful in their college courses, students scoring below proficiency level in the English Language Assessment must enroll in the appropriate ESOL class in order to improve their ability to read, write, and speak English.
8. Students who meet one or more of the following criteria are exempt from the Academic Assessment and Placement Procedure:
 - a. Transfer status from an accredited college or university for which completion of English Composition I and/or College Algebra (or their equivalents) with a grade of “C” or better is documented by official college transcript(s). Students who may have completed one, but not both, of these two courses must complete assessment and any required remediation for the uncompleted subject area;
 - b. Transfer status from an accredited college or university for which completion of equivalent remediation in English and math courses with a grade of “C” or better is documented by official college transcript(s). Students who may have completed remediation in one, but not both, of these two subject areas must complete assessment for the uncompleted subject area;

- c. Receipt of current placement scores (less than 5 years old) from a recognized testing or educational entity that place the student in college-level course work in the subject areas of English and math.

Re-Testing

Students who believe that their placement score in a given subject area does not accurately reflect their abilities may elect to be re-tested. Students will be allowed to re-test if one of the following conditions exists:

1. Performance on the placement assessment was significantly influenced by factors other than ability.
2. Significant change in the student's ability has occurred.
3. Verifiable learning disorder was not made known during the original assessment.
4. Student's placement score falls short of the required range by no more than the number of points indicated below:
 - ACT – 3 points
 - ACCUPLACER – 12 points
 - ASSET – 5 points
 - COMPASS – 10 points
 - SAT – any point range (because of recent changes in SAT testing and scoring, any student submitting SAT scores may re-test.)

For Barton County campus students², the following additional re-testing conditions apply:

- A. Students may request re-testing anytime following the initial testing.
 - ASSET requires a 30-day waiting period between the initial test and the re-test. (Students requiring re-testing prior to the end of the waiting period must contact the Testing Coordinator to arrange for re-testing with a different assessment instrument.³)
 - ACCUPLACER requires a two-week waiting period between the initial test and the re-test. (Students requiring re-testing prior to the end of the waiting period must contact the Testing Coordinator to arrange for re-testing with a different assessment instrument.)
- B. Students who desire to re-test and who meet one of the four conditions listed above may contact the Testing Coordinator to be considered for re-testing.
- C. Upon re-testing, students who fail to place into the desired coursework must wait until the next semester's enrollment period to re-test again.
 - Students desiring to improve their scores are strongly encouraged to seek remediation by enrolling in developmental coursework, working with Student Support Services' professional tutors and tutorials, or securing self-study materials in areas of deficiency.
- D. Students desiring to re-test shall contact the Testing Coordinator to set up an appointment for re-testing or may contact the Office of Student Services.

Special Note: Students who have previously earned non-productive grades (D or F) in developmental courses may request re-testing for the purpose of gaining entrance into the next course in a sequence of courses. However, a placement score which places a student in the next course will have no effect on the student's transcribed grade(s). Students desiring to improve their grades in any course must re-enroll in and successfully complete the course.

¹ Academic placement and assessment requirements pertinent to 100% online students whose primary language is not English will be addressed on a case-by-case basis.

² Barton County campus includes day and evening classes and Community Education programs (College Advantage and Outreach).

³ Students enrolled in the College's BASIC's program will work directly with their Site Coordinator and/or facility contact to re-test.

(Based on policy 1500; revised and approved by President on 10/25/10.)

Academic Clemency

Barton Community College seeks to provide a supportive and challenging environment in which students can improve their basic intellectual skill and equip themselves for a fulfilling life and responsible citizenship in a world characterized by change. We acknowledge that there are circumstances that necessitate an academic “fresh start” and offer academic clemency as a means to make academic rehabilitation possible.

The following criteria is effective as of the Fall of 2002:

- Applicants for academic clemency are eligible to apply for clemency after a two-year waiting period from the date of their respective academic “crisis.”
- Applicants for academic clemency must demonstrate improved academic performance in the semester(s) subsequent to their academic crisis (i.e., at least 12 credit hours and a 2.5 grade point average) to be eligible for clemency.
- No more than 1-2 consecutive semesters of clemency may be considered.

The following limitations apply:

- Applicants receiving academic clemency are not eligible for graduation with honors at Barton Community College.
- Applicants may receive academic clemency only once.
- Only course credit earned at Barton Community College is eligible for academic clemency.

The process for applying for academic clemency:

- Applicants must obtain and complete application for clemency (and submit all supporting documentation) to the College Registrar. Such action shall take place within 30 working days of the receipt of the request.
- Applicants for academic clemency are asked to identify a limited number of courses within the stated period (1 – 2 consecutive semesters), and include this information with documentation regarding their clemency appeal.
- Applicants should acknowledge the circumstances surrounding their academic crisis, and explain what they have done to effect recovery.
- Although the final decision remains with the Vice President of Instruction & Student Services, the decision-making process shall be informed by the recommendation(s) of the respective associate dean(s), and/or the respective faculty.
- If, in the decision-making process, there is not clear consensus, an ad hoc committee shall meet and make a recommendation to the Vice President of Instruction & Student Services. The membership of the committee shall include the respective faculty member(s) and appropriate associate dean(s).
- The decision of the Vice President of Instruction & Student Services is final.

Academic Integrity

Barton Community College is an academic community with integrity. Therefore, the College is committed to upholding the following values: **honesty, trust, fairness, respect, and responsibility.**

As an academic community of integrity Barton's faculty and staff:

- advance the quest for truth and knowledge by requiring intellectual and personal **honesty** in learning, teaching, research, and service.
- foster a climate of mutual **trust**, encourage the free exchange of ideas, and enable all to reach their highest potential.
- establish clear standards, practices, and procedures and expect **fairness** in the interaction of students, faculty, and administrators.
- recognize the participatory nature of the learning process and honors and **respect** a wide range of opinions and ideas.
- uphold personal **responsibility** and depend upon action in the face of wrongdoing.

Honor Code

On all course work, assignments, or examinations undertaken by students at Barton, the following pledge is implied by virtue of enrollment:

On my honor as a student, I have neither given nor received unauthorized aid on this assignment.

“Basic” Violations of Academic Integrity

Basic violations of academic integrity shall include, but are not limited to, the following activities:

- Consultation of textbooks, library materials, or notes in examination where such materials are not to be used during the test;
- Use of “crib sheets” or other hidden notes in such an examination;
- Looking at another student’s test paper to copy strategies or answers or allowing another to do so;
- Possessing a confederate supply of questions or answers for any assignment or examination;
- Deliberate falsification of any graded activity;
- Collaboration with others except where such collaboration is permitted or encouraged;
- Submission of previously-graded work for a new assignment (without instructor’s consent);
- Use (either in part or whole) of documents obtained from internet sources designed to encourage dishonesty and which are not the immediate result of the student’s own academic effort;
- Continuing work on an examination or assignment after the allocated time has elapsed; and/or
- Plagiarism (in any form) defined as taking of another person’s intellectual work and using it as one’s own.

Related Academic Sanctions

As the primary arbiters of academic integrity, individual faculty members may elect to address episodes of academic misconduct on a “case by case” basis. Specific sanctions include, but are not limited to, the following:

- Verbal Warning/No grade-related action;
- O/F on the assignment/quiz/examination (with the possibility of makeup);
- O/F on the assignment/quiz/examination (with no possibility of makeup);
- O/F in the course with or without prohibition of future enrollment in classes taught by that instructor;
- Designation of “XF” grade with or without prohibition of future enrollment in classes taught by that instructor; and/or
- Recommendation for administrative academic sanction(s).

Remediation of XF grade

An instructor who administers an XF grade may recommend to the Vice President of Instruction & Student Services that a student, who has received an XF grade, take PHIL 1612 Academic Integrity Seminar for 2 credit hours. A student who is allowed to enroll in PHIL 1612 Academic Integrity Seminar may have the X of the XF grade removed from their transcript by taking and passing this course. The F will remain on the student’s transcript and cannot be removed using the 2503 Academic Clemency procedure. Remediation only applies to students who have violated the policy at the Basic Violation level.

Faculty Rights and Responsibilities

As an academic matter, faculty retains all rights of grade assignment and related academic sanctions. Course grades assigned may not be altered without the consent of the appropriate faculty member. Also, basic violations of academic integrity do not require the application of due process rights as guaranteed by the 14th Amendment of the Constitution. At a minimum, faculty must inform the respective student(s) of the violation and related sanction. Faculty are encouraged to discuss any sanctions with their supervisor. If the faculty chooses to impose any sanctions on the student, the faculty member must report this action using the form (Academic Violation Reporting Form). This form is confidential and the information gathered will only be shared with other faculty if a student is a repeat offender. If the faculty chooses to impose an XF, a form must be completed and the appropriate signatures gathered. The form is then sent to the College Registrar. The XF form can be obtained from the Office of Instruction & Student Services.

“Capital” Violations of Academic Integrity

Violations of academic integrity are considered “capital” offenses, if they constitute documented repeat violations of the academic integrity policy, or if they are committed in conjunction with other violations of the student code of conduct. As such, these cases shall be considered on the totality of the evidence, and primarily as academic offenses. Examples of such violations include, but are not limited to, the following:

- Repeated acts of basic violations of academic integrity;
- Having a person other than the one duly registered and taking the course stand in at an examination or any other graded activity;
- Attempting to gain unfair academic advantage for oneself or another by bribery or by any act of offering, giving, receiving, or soliciting anything of value to another for such purpose;

- Changing or altering grades or other official educational records;
- Obtaining or providing to another an un-administered test or answers to an un-administered test; and/or
- Gaining unauthorized access into a building or office for the purpose of obtaining any course related information or examination.

Related Academic Sanctions

With the consensus of the Vice President of Instruction & Student Services, sanctions shall include **not less than** the original academic sanction (as may have been rendered by the instructor) and may include, but are not limited to, the following at the discretion of academic administration:

- Course Specific Enrollment Prohibition;
- Formal Reprimand;
- Probationary Status;
- Suspension (of one semester or more);
- Reduction of college-awarded scholarship;
- Retraction of college-awarded scholarship;
- Suspension from participation in activities which represent the College;
- Requirement of community service hours;
- Denial of graduation application;
- Expulsion; and/or
- Any other reasonable actions as deemed appropriate by academic administration.

Remediation of XF grade

Students cannot remediate capital offenses.

Student Rights

For “basic” violations of academic integrity where the Grade Appeal procedure is not applicable, students are entitled to request a review of the faculty member’s action by the Vice President of Instruction & Student Services. The results of this review will be final. For “capital” violations of academic integrity (as defined above), students are entitled to: (1) written notice of the charges which may result in academic sanctions and (2) an opportunity to respond to said charges. The student may appeal using the Grade Appeal Procedure.

1“Academic Integrity is a commitment, even in the face of adversity, to fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behavior that enable academic communities to translate ideals into action.” As stated in The Center for Academic Integrity handbook, “The Fundamental Values of Academic Integrity,” p. 4, Des Plaines, Illinois.

(Based on policy 1501; revised and approved by President on 2/23/09)

Academic Progress

To meet the required academic and progress performance standards of Barton Community College, a student should consider the following:

Academic Standing

If your scholastic performance appears to offer little prospect of academic success, you may be dismissed with or without privilege of reinstatement. You may not petition for reinstatement until one semester has expired after academic dismissal from the College.

Procedures Governing Academic Warning and Dismissal

If you have not accumulated a 1.5 GPA when 24 credit hours have been attempted you will be placed on a one-semester warning. This academic warning is designed to alert you that you may encounter difficulty in meeting graduation requirements and steps should be taken immediately to improve your academic status. You must have a 2.0 GPA when you have attempted 48 hours. If the cumulative GPA is below this minimum, you will be placed on academic warning after one semester. (Note: All computations are based on A, B, C, D, or F grades).

Dismissal

If you have been placed on academic warning for one semester and do not raise your GPA to the minimum requirements as outlined, you will be dismissed for one semester. However, you will not be dismissed at the close of a semester or summer term during which you achieved a “C” (2.0) average or better.

Reinstatement

If you have been dismissed from the College for poor academic progress, you will be provided a period of at least one semester during which you may reconsider and re-evaluate your academic goals. At the end of the dismissal period, you may apply for admission to the College by filling out a regular application for admission form. You will not be allowed to enroll in more than 12 credit hours for the first semester of attendance after a period of dismissal.

Appeals

Any person limited by these regulations who has marked improvement or who believes he/she has been affected unfairly may appeal to the Enrollment Services Office.

Adding/Dropping Classes

Adding Classes

Day and evening classes may be added through the first week of a semester only.

After the official closing dates for adding classes, you must first receive permission from the instructor and sign a learning contract. You may enroll with a signed learning contract for one additional week after the 1st week of class. This procedure does not include “mini-classes” or classes taught for more or less weeks than the regular full semester. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from Advisors. You must pay for added classes at the time of the add.

Dropping Classes

Courses dropped through the first two weeks of classes in both the fall and spring semesters and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and the 10th day of classes in the summer session, a “W” will be recorded for courses dropped officially. Final drop dates are published in bulletins, Student Handbooks and the Enrollment Services Office. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from advisors. Students are responsible for dropping classes and are required to visit with instructors or an advisor before dropping classes.

Course (Drop Date)

The last day to drop a course with a “W” grade shall be five (5) weeks before the end of the semester (Fall and Spring Semesters only.)

Things to Consider Before Dropping a Class

- If you receive **FINANCIAL AID**, will dropping the class affect your financial status?
- If you need 12 hours or more for **INSURANCE**, will dropping the class affect your eligibility?
- If you are an **ATHLETE**, will dropping the class affect your eligibility?
- Have you talked to your **INSTRUCTOR** about dropping the class? Perhaps things aren't as bad as they seem. Have a talk with your instructor.
- Is the course you want to drop going to be **OFFERED AGAIN** when you need it? Some classes are only offered one semester a year. It may be a year before you can re-enroll.
- Are you **WORKING** too many hours? It is likely that by just cutting down your work hours, you will be able to do better in the class.
- Have you tried the **TUTORING** services in the Learning Resource Center? Student Services provides free tutoring.

Advanced Placement

Barton Community College recognizes the College Entrance Examination Board (CEEB) for Advanced Placement Examinations. Please check with the Office of Enrollment Services for additional information.

Barton Community College recognizes and follows the recommendations of the Commission of Educational Credit and Credentials of the American Council on Education (ACE) in awarding credit for College-Level Examination Program (CLEP) examinations and Defense Activity for Non Traditional Education Support (DANTES) examinations. Students are required to send their test scores to the Director of Enrollment Services at the College. After evaluation, the student will receive notification of credit awarded by the Enrollment Services Office.

***Please Note:** Students in allied health programs must check with the director of their program to determine if a particular CLEP or DANTES examination may be accepted in their program or if the course must be taken in a classroom setting.

Credit by Examination

Students whose educational experiences appear to have given them proficiency in course outcomes equivalent to that ordinarily attained by those taking the course may be granted permission to pursue a credit by examination option. With this option, the student is given the opportunity to earn credit by evidencing proficiency in the course material by taking a test or a series of tests. For more information, please contact the academic dean over the course(s) for which credit is sought.

Certificate Programs

You may earn a certificate in an approved program of study for successfully completing a program at less than an associate degree level that prepares you for immediate entry into a chosen occupation.

Programs are planned by you and your advisor, with approval by the Vice President of Instruction & Student Services and are adapted to individual needs.

Developmental Courses

Developmental classes help you prepare for college-level study. Whether you need to build your basic skills or just gain confidence in them again, these courses are designed to help you succeed. Developmental courses do not count toward graduation.

Examinations

Final Examinations: For Barton County campus courses, final examinations shall be administered at the end of each semester for each course at the time indicated on the published finals schedule. Any exceptions to these requirements within the final exam week, must be approved by the appropriate dean. Other examinations are conducted at the discretion of the instructor.

Make-Up Examinations: A student who has been absent from any test, exam, or final must petition the instructor to schedule a “make-up” exam at the instructor’s discretion. Students may note that the “make-up” exam policies may vary from division to division, and, therefore, from instructor to instructor. As such, students are not guaranteed the right to “make-up” course work, tests, or examinations without prior approval of the instructor.

Grade Appeal

The Chief Academic Officer (CAO) is designated to coordinate all efforts to resolve final grade appeals. Students receiving an XF grade may also use this procedure to appeal that grade.¹

Any change of grade must be documented and processed through the registrar’s office. The instructional deans will keep a record of all grade appeals in their area with the final determination. This information will be archived in document sharing within the course shell as available.

1. If a student has a concern about a final grade, he/she is directed to schedule a conference with the respective instructor within seven (7) working days of the posting of the grade, or within seven (7) working days of the beginning of the next semester or session. The student may ask their advisor, or another advocate, to attend this meeting. The instructor will determine if the grade will be changed.
2. If the student is not satisfied, he/she may schedule a conference with the respective Director, Executive Director or Dean within seven working (7) days of the conference in step one. The student should bring his/her concerns in writing to this conference. This conference may include the instructor. Following the conference, the Director, Executive Director or Dean will determine if an appeal will be granted.
3. If the student remains dissatisfied with his/her grade, a conference may be scheduled with the CAO within seven (7) working days of the conference in step two. The student should be prepared to present his/her concern in writing to the CAO at the conference. The CAO will investigate the concern and will render a decision, in writing, to the student within ten (10) working days of the receipt of the written concern.
4. If the student still has a concern, the student may request a hearing by giving written notice to the CAO within ten (10) working days of receiving the decision in step four. The student will designate one hearing committee member.

Upon receipt of such notice, the CAO shall establish a hearing committee. The committee shall include a member designated by the student, a member designated by the respective faculty member and a member (chairperson) designated by the Vice-President. The committee shall meet within ten (10) days of the request for the hearing and will render a written decision no later than five (5) days after the close of the hearing. A copy of the written decision shall be given to the student, instructor, Director, Executive Director, Dean and Vice President of Instruction & Student Services.

Permanent grades are recorded only at the end of the semester. Semester grade reports are available online.

Grading System

Grade		Grade Points Per Credit Hour
A	Excellent	4
B	Above Average	3
C	Average	2
D	Below Average, passing	1
F	Failing	0
XF	Violation of Academic Integrity and Failing	0
P	Pass-Credit only	not computed in cumulative grade point average*
I	Incomplete	no credit**
W	Withdrawn	no grade computed, no credit***
AU	Audit	no grade computed, no credit****
CL	Academic Clemency	no grade computed, no credit*****

* Certain courses may be offered in which you are graded only as having passed or failed. The courses are added to your credit hour total but are not included in the grade point average.

** An incomplete "I" is given only when a course is incomplete because of illness or other conditions usually beyond your control. An incomplete "I" must be removed by contract in a manner prescribed by the instructor no later than December 31 for an "I" given in a spring or summer semester; and May 31 for an "I" given in a fall semester. If the incomplete "I" is not removed within the prescribed period of time, it will be changed to an "F."

*** Your withdrawal from courses through the 20th day of classes in both the fall and spring semester and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and after the 10th day of classes in the summer session, a "W" will be recorded for courses withdrawn from officially. After the final drop date published each semester, official class withdrawals will not be processed.

**** You may audit a class by enrolling in the class and paying the current audit fee per credit hour. You must declare that you are auditing the class and file with the Office of Enrollment Services at the College an "Audit Declaration Form" prior to the beginning of the semester.

***** If you have gone through the academic clemency appeal process and have been awarded clemency for certain courses, your initial grade will be changed to a “CL.” The “CL” grade will not average into your GPA.

Special Note: A student may retake a course to improve the grade only if the course is not designated as repeatable in the master course list. The repeat grade will be used to determine the student’s grade point average regardless of whether it is higher or lower than the original grade. The original grade and credit are not counted, although they remain on the transcript. Before retaking a course, students should check with their advisor to determine whether the course can be repeated for the purpose of improving the grade.

Graduation

Catalog Requirements

Students who remain continuously enrolled from time of entry to application for graduation will be held to the catalog requirements in effect when they declare their program of study, unless a later catalog is adopted. “Continuous enrollment” refers to annual fall and spring semester enrollment (or equivalent) in a minimum of at least one credit bearing course per semester. Should a student’s enrollment be interrupted, they will be held to the guidelines and requirements of the catalog of record at the time of program re-entry. This guideline does not apply to students with documented leave of absence justification or members of the military involved in deployment operations. Changes to prerequisites and/or curriculum which occur for purposes beyond graduation – e.g. regulatory and legislative updates, third party accreditation or other certification bodies requirements, increased skill demand from industry, employment or transfer requirement changes, or recommended and/or mandated changes from the Kansas Board of Regents or other such entities are not subject to these catalog requirements.

Dual Degree(s)

A student may apply and pay the graduation fee for the receipt of more than one degree from the College, provided they have met the following requirements for the additional degree:

- A minimum of 15 Barton hours of credit completed in addition to meeting the requirements of the first degree.
- Dual degrees can be sought and awarded within the same semester.
- At least 15 hours must have been taken at the College.

Grades

Students must achieve an overall 2.0 grade point average to be eligible for graduation.

Intent to Graduate

Applying for graduation is not an automatic process; you must file a notice of intent to graduate and pay applicable fees if you wish to receive an Associate’s degree from the College. This notice of intent must be filed with the Enrollment Services Office by filling out the College’s Application for Graduation.

Priority Graduation Application Deadlines:

February 1st Spring Graduation

June 1st Summer Graduation

September 1st Fall Graduation

Transfer and Articulation Agreement

If you complete an Associate in Arts or Associate in Science degree based on a baccalaureate-oriented sequence at a state and regionally accredited Kansas public community college and your program of study has met the requirements of the Kansas Public Community College - Kansas Regents Transfer Agreement and Articulation Guide, you will be accepted with junior standing and will have satisfied the general education requirements of all Regents universities. Your advisor will have information on the agreement to help you plan your course schedule.

Honors

Highest Honors

If you complete all requirements for an associate's degree with a GPA of 3.7 or above, you will graduate with highest honors.

Honors

If you complete all requirements with a GPA of 3.5 to 3.69, you will graduate with honors.

Eligibility

To be eligible for Honors or Highest Honors, you must complete 15 credit hours at Barton.

President's List

The President's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 4.0.

Dean's List

The Dean's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 3.5 to 3.99.

Grades for course work completed outside the traditional semester schedule(s) shall not be included in these GPA calculations.

How to Figure Your GPA

To calculate a grade-point average, add the points earned and divide that total by the number of GPA hours attempted. For example:

Course	GPA Hours	Grade	Points
BSTC 1001	1 hour x	A(4)	= 4 points
PSYC 1002	1 hour x	A(4)	= 4 points
ENGL 1204	3 hours x	D(1)	= 3 points
MATH 1826	5 hours x	C(2)	= 10 points
SOCI 1100	3 hours x	B(3)	= 9 points
COMM 1200	3 hours x	F(0)	= 0 points
Total = 16 GPA Hours			Total = 30 points
$30/16 = 1.875$, or 1.88			

Total is 16 GPA hours attempted and 30 points earned; 30 points divided by 16 hours=1.88 grade-point average.

Mandatory Placement

The Assessment Center provides a broad range of testing services to meet the needs of a diverse student population: college placement, English as a Second Language placement, credit by exam, correspondence exams, and certification and licensure exams. Special arrangements can be provided for disabled students. For special arrangements, contact Student Support Services (SSS) at **(620) 792-9240**.

Students entering college for the first time without ACT/ASSET scores must take the ASSET test. If a student is pursuing a certificate or an associate's degree program or is enrolling in a general education class they must have ACT/ASSET scores on file. ASSET/ACT scores will be used to place students in the appropriate English, reading, or math course.

Assessment provides both you and your advisor an effective tool to assure academic success. Through enrollment in proper courses, you are more likely to meet your academic goals. Students without a high school diploma who plan to enroll are required, under the "Ability to Benefit Program," to take the ACT/ASSET assessment if they plan to qualify for any grant, loan, or work under Title IV of the Higher Education Act (HEA).

Students are encouraged to test as early as possible before seeing a counselor or faculty advisor. To schedule an appointment for the ASSET test contact SSS at **(620) 792-9363** or **(620) 792-9240**.

Military Service School Credit

Barton Community College will allow college credit to veterans and military personnel enrolled at Barton Community College who have successfully completed specialized training in a military service school. The evaluation for the number of credit hours to be awarded will be based on the recommendations as set forth in "A Guide to the Evaluation Experiences in the Armed Services," published by the American Council on Education. Veterans must provide documentation that shows the correct identification of the training program by title, length, location, and course number to the Enrollment Services Office.

Non-Repeatable Courses

Credit

Although there may be circumstances which merit the repetition of a non-repeatable course for credit (i.e., improvement of GPA or satisfaction of course pre-requisite), the results of the repeated course shall apply only once toward graduation requirements.

Grades

When a non-repeatable course is repeated for credit, the most recent grade earned shall be used to calculate the student's grade point average.

Policy For Transfer Students

All hours accepted by the College (excluding developmental hours) will be incorporated into your Barton Community College total hours for grade point purposes to determine whether you graduate with honors or highest honors. To be eligible for honors or highest honors, you must complete 15 credit hours at Barton Community College.

Repeatable Courses

A repeatable course can be repeated an additional three times in order to satisfy credit requirements for graduation.

2611 – Student Code of Conduct

Barton County Community College will establish and maintain a fair and equitable procedure for addressing student disciplinary matters ensuring that the rights of the students, the College community, and the community-at-large are protected.

Purpose

The objectives of the disciplinary process at Barton County Community College are:

1. To protect members of the campus community from harm due to the indiscretions of the few members of the community who are unable, or unwilling, to respect the rights of others;
2. To help ensure order in the College community;
3. To create an environment that enhances the opportunity for learning;
4. To protect the rights of members of the College community and the community at large; and
5. To assure students due process when they have been charged with violating College rules and regulations.

Definitions

The following terms used in this Code are defined:

1. **“College”** means Barton County Community College.
2. **“Faculty member”** means any person employed by the College to conduct classroom, lab, interim experiences, or clinical activities. As necessary, faculty may tutor students.
3. **“College official”** includes any person employed by the College, performing assigned administrative or professional responsibilities.
4. **“Student”** includes all persons taking courses at the College, both full- and part-time, as well as those participating in all outreach programs, off-campus programs, and such other activities as may be sponsored by the College.
5. **“College premises”** includes all land, buildings, facilities, and other property in the possession of or owned, used, rented or controlled by the College.
6. **“College campuses”** includes the land and buildings on which Barton Community College’s traditional Barton campus exists, the Golden Belt One Stop Facility, as well as the Grandview Plaza, Fort Riley and Fort Leavenworth campuses.
7. **“College-sponsored activity”** means any activity on or off campus that is initiated, aided, authorized, or supervised by the College.
8. **“Policy”** is defined as the written regulations of the College as found in, but not limited to, the Student Code of Conduct, Student Handbook, College Catalog, Policy and Procedural Manual, and Course Schedules.
9. **“Student Advocate”** is an individual whose role is to support, advise, and champion the student’s rights.
10. **“Bystander engagement”** is the purposeful intervention of someone who is present during and witness to an incident.
11. **“Preponderance of evidence”** is *the standard of proof established for conduct investigations. The preponderance of evidence (i.e. just enough evidence to make it more likely than not) standard differs from the standard used in criminal investigations which is “beyond a reasonable doubt.”*

Bystander Engagement

The welfare of members of our community is of paramount importance. At times, students on and off campus may need assistance. The College encourages students to offer help and assistance to others in need. Sometimes, students are hesitant to offer assistance to others, for fear that they may get themselves in trouble. (For example, a student who has been drinking might hesitate to help take a sexual misconduct victim to the Campus Safety Office.) The College applies a policy of limited immunity for students who offer help to others in need. While policy violations cannot be overlooked, the College will provide educational options, rather than punishment to those who offer their assistance to others in need.

Unacceptable Behavior

The following constitute some of the conduct violations that may result in disciplinary action being taken against the student. The list is not intended to be all inclusive but is intended to be used as a guide.

The student is advised that specific career technical programs, as well as Barton athletic programs, communication and performing arts programs, and other student organizations publish student handbooks and program guidelines with policies and procedures associated with their respective programs. Students are advised that in addition to the guidelines and expectations outlined herein, they are expected to comply with the policies and procedures applicable to the programs with which they are affiliated. Students in these programs are entitled to the same due process as all other students.

Students attending Barton as part of an MOU with the Department of Defense to provide educational opportunities on a military installation are governed by any code of conduct or behavioral expectations dictated by the military. Any conduct violations, investigations, and/or action taken will be the purview of the appropriate military authority designated to handle such matters.

17. Discrimination, harassment or retaliation including harassment based on race, color, religion, sex, sexual orientation, national origin, age, disability, or status in any group protected by state or local laws and including all forms of sexual harassment. Student Rights for Due Process

To protect students from capricious disciplinary action, all proceedings which may lead to suspension or expulsion and/or dismissal from a college program must be conducted in a manner which insures the charged student due process. The basis of due process is the method by which substantive rules are effectuated in a society. The key is how rules are implemented so that fair play and justice are generally recognized as being present. The following elements must be included to guarantee due process:

1. Jurisdiction: The parties must be amenable to the power wielded by the disciplinary body.
2. Notice: A concise, specific statement, in writing, of the charges (the specific facts and acts). A time and place for the hearing must be specified.
3. Testimony: The right personally to give testimony and to have others give testimony.
4. Impartiality: An impartial body to determine the facts and whether they (the facts) fit the rule. "Impartial" does not necessarily mean that they have no knowledge of the facts – it is not necessary in an administrative hearing.
5. Student Advocate: The student is allowed to bring an advocate to all hearing procedures or have one appointed for him/her if so requested.
6. Documentation: The proceedings shall be recorded.

Disciplinary Procedure

Whenever a complaint is made against any student for misconduct, the Dean of Student Services or such other person as may be designated by the President shall conduct an investigation of the allegations as soon as possible (generally, for Offenses Against the Academic Community the President will designate the Vice President of Instruction & Student Services). The Dean of Student Services or such other person as designated by the President is authorized to take any interim action necessary to maintain campus safety, integrity of the process, and/or protection of student rights and institutional rights during the formal investigation and determination process.

The student shall be given written notice of the complaint and charges against him/her within five (5) College business days of receipt of the complaint. If a student is under the age of eighteen (18) years, a copy of the notice shall be sent to the parents or guardian of the student. The student shall have five (5) College business days after receipt of the notice to respond in writing to the charges. If it is necessary to mail notice to the student, he/she shall have seven (7) College business days after the date of mailing to respond in writing to the charges.

The Dean of Student Services or such other designee of the President shall, as soon as possible after the investigation, render a decision that may include dismissal of the complaint or imposition of any discipline set forth herein. Notice of the decision shall be served upon the student in person, by certified mail, or by regular mail. If a student is under the age of eighteen (18) years, a copy of the decision may be sent to the parents or guardian of the student.

Disciplinary Action

If the Dean of Student Services or other designee of the President finds that the student has violated College policy, rules, or regulations, disciplinary action shall be taken. The Dean of Student Services or other designee shall impose such discipline as he/she determines is warranted taking into consideration the seriousness of the offense. For more complicated incidents, the Dean of Student Services or other designee may seek the input of a Review Board before determining discipline. The Review Board, if utilized, shall be chosen from members of the College Student Life staff. Individuals who serve on a Review Board would not later be eligible to serve on an Appeals Committee, should an appeal follow imposition of disciplinary sanctions. Permissible actions include but are not limited to: written reprimand, community service, fines, probation, full or partial suspension from classes, expulsion from housing, and/or expulsion from school.

Disciplinary action may also include a bar against readmission to the College.

Appeals

Right of Appeal

Any decision of the Dean of Student Services or such other person as designated by the President may be appealed by the accused or the complainant within five (5) College business days of the receipt of the decision. Such appeals shall be in writing and shall be delivered to the President of the College.

A student who fails to file a written notice of appeal in the President's Office, within the times specified waives the right to appeal.

Status Pending Appeal

Any disciplinary action imposed shall remain in effect during the appeals procedure, unless otherwise directed by the President of the College.

An appeal shall be conducted for one or more of the following purposes:

- To determine whether the original process was conducted fairly a) in light of the charges and evidence presented, and b) in conformity with prescribed procedures. This gives the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and gives the accused student a reasonable opportunity to prepare and to present a rebuttal of those allegations.
- To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
- To determine whether the sanction imposed was appropriate given the violation of the Student Code occurred.
- To consider **new** evidence sufficient to alter a decision or other relevant facts **not** brought out in the original process, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

If the President or designee determines, in his or her sole discretion that the written appeal fails to meet the Standard for Appeal (noted above), he or she will inform the student in writing. If the written appeal submission fails to meet the Standard for Appeal, the matter is concluded and no further action will be taken.

Composition of Appeals Committee

The President of the College shall name an Appeals Committee Facilitator to conduct a formal Appeals Hearing in order to review the charges and imposed sanctions. The Appeals Committee shall consist of six (6) members, selected by the Facilitator and approved by the President, two of which shall be from the faculty, two staff, and two representatives from the student body. At any hearing before the committee, at least four (4) members shall be present to constitute a quorum in order to transact the business of the committee. Any member of such committee directly involved in the outcome of a hearing, or who believes they have a conflict of interest rendering them to be perceived as being incapable of providing an impartial decision, shall disqualify him/herself from the hearing and the Appeals Committee Facilitator shall appoint a person to take his/her place.

Hearing

The Appeals Committee shall set a hearing as soon as possible after the hearing has been approved. Notice of the time, date, and place of the hearing shall be given to all parties in writing no less than three (3) College business days prior to the hearing.

It is the hope of the College that disciplinary matters will be handled by members of the College community, and legal counsel will not ordinarily be present to represent the College. However, if the student is to have a professional legal advisor present (which will be at the student's expense) at any hearing, the student must notify the President's Office not later than forty-eight (48) hours before the scheduled time of the hearing, in which event, the College may, in its discretion, be represented by counsel.

A student failing to appear before the Appeals Committee at the designated time, shall forfeit any right to appeal or seek further relief of the decision.

Proceedings before the Appeals Committee shall be recorded electronically or via written minutes. Recordings and communications related to the disciplinary procedure and resulting actions shall not be considered a public record as that term is defined by the Kansas Open Records Act.

Decision

Upon the conclusion of the hearings, the Appeals Committee, by majority vote, shall decide whether the student has violated the Student Code of Conduct and whether the sanction imposed fits the nature of the violation. The Appeals Committee may uphold, modify, or completely reverse the original decision as appropriate.

A written summary of the findings must be provided and should the decision be modified it should be in accordance with one or more of the conditions delineated in this code. In all appeals any modification of the original sanctions may not result in more severe discipline for the accused student.

The Appeals Committee shall render its decision in writing within three (3) College business days of the conclusion of the hearing. The findings of the Appeals Committee shall be forwarded to the President.

Notification of Decision

The President's Office shall inform the student in writing of the Appeals Committee's decision within three (3) College business days of the receipt of the Appeals Committee's decision. The findings of the Appeals Committee shall be final.

Problem Resolution Policy & Procedure

Problem Resolution

Barton is committed to providing the best possible learning environment for its students. Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from Barton faculty, staff, and/or administration. This policy does not apply to student discipline or grade appeals. For disciplinary issues, please refer to the Barton Community College Student Code of Conduct policy located in this Student Handbook.

Barton strives to ensure fair and honest treatment of all students. Faculty, staff, and administrators are expected to treat each student with respect and professionalism.

Students are encouraged to bring concerns forward so that they may be dealt with in a timely and mutually agreeable manner.

Not every problem can be resolved to everyone's total satisfaction, but only through understanding and discussion of mutual problems can the student's learning experience be enhanced at Barton Community College. This process is important to the operation of an efficient and harmonious learning environment.

If students disagree with established rules of conduct, policies, or practices (excluding disciplinary issues), they can express their concern, confidentially, through the problem resolution procedure. No student will be penalized, formally or informally, for voicing a complaint with Barton in a reasonable, business-like manner, or for using the problem resolution procedure.

Problem Resolution Procedure – Students

The College encourages an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from the appropriate college staff. If students disagree with established rules of conduct, policies, or practices (excluding disciplinary issues), they can express their concern confidentially through the problem resolution procedure. No student will be penalized, formally or informally, for voicing a complaint in a reasonable, business-like manner, or for using the problem resolution procedure.

If a situation occurs when students believe that a conflict they are experiencing needs to be resolved, or if they feel a decision affecting them is unjust or inequitable, they are encouraged to resolve the problem at the lowest level possible and make use of the following steps. All information obtained in resolving problems shall be considered confidential by all parties involved. The student may discontinue the procedure at any step. This procedure does not apply to disciplinary actions involving a student or grade appeals.

1. Student presents problem to the appropriate College official (Vice President of Learning & Student Services for instructional issues or Dean of Student Services for all other issues) within seven (7) working days after problem/concern is identified. If the College official is unavailable or the student believes it would be inappropriate to contact the designated College official, the student may present problem to the school Counselor.
2. The designated College official (as outlined in step 1) shall: direct and advise the student, assist the student in writing a Problem Statement on the appropriate form, visit with the appropriate College personnel or other student(s) and when deemed necessary, request an informal meeting with the student and individual(s) identified in the Problem Statement within seven (7) working days.

3. If the problem is resolved during the informal meeting, the designated College official (as outlined in Step 1) shall complete a Problem Resolution Form which shall be signed by both the student and the designated College official. The designated College official shall provide the student a copy of the signed form and retain the original form.
4. If the problem is unresolved during the informal meeting, the designated College official (as outlined in step 1) shall assist the student in scheduling a meeting for the student to present the problem to the College President.
5. The College President, in turn, shall discuss the problem with the student, review all documentation, and present the student with a written determination within seven (7) working days, forwarding a copy of the written determination to the appropriate College official (as outlined in step 1). The President has full authority to make any adjustment deemed appropriate to resolve the problem and or final disposition of the problem.

Sexual Harassment Policy & Procedure

Barton is committed to providing a learning and working environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, sexual orientation, or any other legally protected characteristic will not be tolerated. The College shall provide ongoing sexual harassment training to ensure its learning and working environment is free of sexual and other unlawful harassment.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. The following is a partial list of sexual harassment examples:

- Unwanted sexual advances, including verbal advances or propositions.
- Offering or denying employment and/or benefits based on receipt of sexual favors.
- Making or threatening reprisals after a negative response to sexual advances.
- Visual conduct that may include leering, making sexual gestures, or displaying of sexually suggestive objects, pictures, cartoons, or posters.
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes, or invitations.
- Physical conduct may include touching, assaulting, or impeding or blocking movements.

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment, awarding of a grade, etc.; (2) submission or rejection of the conduct is used as a basis for making employment decisions, awarding of a grade, etc.; or, (3) the conduct has the purpose or effect of interfering with the learning environment, work performance, or creating an intimidating, hostile, or offensive work or learning environment.

Sexual or other unlawful harassment experienced or witnessed is to be reported immediately to the individual's supervisor or to the College's Compliance Officer (College's Director of Grants) and may be done so without fear of reprisal or retaliation. In the event the Compliance Officer is unavailable, the Director of Human Resources will serve in that capacity for employee related issues and the Dean of Student Services will serve for student-to-student issues.

All allegations of harassment will be quickly and discreetly investigated. To the extent possible, the confidentiality of the complainant, any witnesses, and the alleged harasser will be protected against unnecessary disclosure. When the investigation is completed, the complainant will be informed of the outcome of the investigation.

Any supervisor or faculty representative who becomes aware of possible sexual or other unlawful harassment must immediately advise the Compliance Officer (Director of Grants) so it can be investigated in a timely and confidential manner. Anyone engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment or expulsion from school.

Use the table below to determine the appropriate steps to take if you feel that you or others have been sexually harassed.

Step 1 - Action

1. Immediately report the incident to the Compliance Officer at Barton Community College. In the absence of the Compliance Officer, the Office of Human Resources will be the contact agency.
2. The Compliance Officer will investigate the complaint by gaining as much information as possible about the incident. This information will be gathered from the complainant, witnesses, and alleged harasser, as appropriate and related to the incident.
3. Upon completion of the investigation, the Compliance Officer will issue a ruling on the complaint. As deemed appropriate, the College may secure the advice of legal counsel. The appropriate parties will be notified of the outcome of the investigation. If the College determines that sexual harassment has occurred, appropriate action up to and including termination will be taken to correct the situation.
4. As deemed necessary, a Sexual Harassment Administrative Follow-up will be conducted by the Compliance Officer within a reasonable time period to monitor the situation and ensure an environment free of sexual harassment.

Appeal of the Compliance Officer's Findings:

Level 1

- Notify the Office of Human Resources if complaint is employee related or the Dean of Student Services if the complaint is student-on-student related in writing within ten (10) working days of the Compliance Officer's findings.
- Obtain Barton Problem Statement Form.
- Complete form and return to HR Office or Student Services Office as indicated above.
- Director of Human Resources will schedule conference with complainant or alleged harasser if complaint is employee related (the Dean of Student Services will schedule conference with complainant or alleged harasser if complaint is student-on-student related) to resolve matter.
- If the matter is resolved, then the Director of Human Resources or Dean of Student Services completes the Problem Resolution Form.

If the matter is unresolved or no decision has been made within five (5) working days of the conference, then move to:

Level 2

- Employee/student shall file a written appeal with the President (or his/her designee) within ten (10) working days of the Level One decision, or fifteen (15) working days after the completed Problem Resolution Form was presented, whichever comes first.

- The President (or his/her designee) schedules a meeting within five (5) working days after receipt of written appeal to resolve the matter.
- Following this meeting, the President shall render his/her decision within ten (10) working days. The President’s decision shall be binding.

Drug-Free Schools and Communities Act

Barton Community College supports and endorses the Federal Drug-Free Workplace Act of 1988 (Public Law 100-690, Sec. 5151 et. seq.) and the Drug-Free Schools and Communities Act amendments of 1989 (Public Law 101-226). Pursuant to these Acts, the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or abuse of alcohol (as defined in these Acts) by a student on College property or as part of any College activity is prohibited.

Under Public Law 100-226, the College will distribute to all students, in the Student Handbook, a statement of compliance in accordance with the applicable provisions of the law. The College will conduct a biennial review of this procedure as required by the Drug-Free Schools and Communities Act of 1989.

A student who violates this policy shall be subject to appropriate disciplinary action including suspension, demotion, non-renewal and/or termination as provided in the Student Code of Conduct Policy.

Students receiving performance awards or athletic scholarships shall be subject to random drug testing in order to assure compliance with the Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act of 1989 as referenced in this policy.

Substance Abuse Policy and Drug-Testing Program

Barton Community College strongly believes that the use and abuse of illegal and/or banned drugs:

- A. Is detrimental to the physical and psychological health of students;
- B. Interferes negatively with the academic performance of students;
- C. Is dangerous to the life and health of the student and potentially his/her classmates/teammates during performance, competition and practice; and
- D. Compromises the integrity and spirit of extra-curricular activity performance and intercollegiate athletics competition.

Thus, Barton has made it a policy that the use and abuse of illegal and/or banned drugs will not be tolerated for students. For those students who receive a performance award from the Institution, the College will conduct a “zero-tolerance program” including testing and sanctions. While there is no intent to intrude upon the private life of the student, the College is interested in the well being of its students who perform and represent the Institution. Barton recognizes the addictive results of illicit drug use and, as provided in this policy, will encourage treatment and rehabilitation for any student involved in the drug-testing program.

I. PURPOSE

- A. Education – To educate Barton Community College students about the problems associated with drug use and abuse.
- B. Detection of Abuse – To detect students who may be involved in substance use or abuse through testing methods.

- C. Treatment and Rehabilitation – To assist in the treatment and rehabilitation of a student who tests positive for drug use as part of this program, so that the student may safely and fully participate in academics, extra-curricular activities, and athletics, and to reduce personal, family, and social disruption.
- D. Discourage and Deter Drug Use – To discourage and deter the use of drugs by imposing significant sanctions on offenders.
- E. Promote Health and Safety of Student Participation – To provide reasonable safeguards assuring that every student is able to participate in extra-curricular activity performances and athletics competition unimpaired by illegal or banned drugs.

II. SUBSTANCE ABUSE EDUCATION AND PREVENTION PROGRAM

- A. Objective – To provide educational guidance to the student regarding the physical, mental, and legal consequences of illegal drug use.
- B. Program – Students will be required to participate in an annual workshop with their activity sponsor, coach, Dean of Student Services and/or drug prevention coordinator which will provide information regarding drug abuse and will aid in the educational process of the student about the consequences of illegal drug use. Additional educational presentations may be held and required throughout the year. These programs will be announced to students as they are scheduled, and attendance of students who receive a performance award shall be mandatory.

III. DRUG-TESTING PROGRAM

The activity sponsor, with the assistance of the Dean of Student Services, and/or the College Nurse shall inform students involved in extra-curricular activities of the drug-testing program. The head coach, with the assistance of Athletic Director (or designee), and/or the head athletic trainer shall inform the student athletes about the drug-testing program. Information concerning the program and a consent form associated with the program shall be provided to every student receiving a performance award. The consent form must be signed and submitted by the student as a condition of participation and receipt of aid. A student participating in extra-curricular activities is defined as any student who represents the Institution by performing in an activity in the name of the College and is receiving financial aid from or through Barton Community College for participation in that activity. Student athlete is defined as any student who is certified eligible (signed letter of intent) to participate in varsity athletics, is "red-shirted" or otherwise associated with the team and/or involved in workouts/practices, and a student athlete who has completed eligibility and is receiving financial aid from or through Barton Community College.

The student shall be subjected to testing as described in the policy. Failure to sign the consent form prior to practice, performance and/or competition shall result in the student's ineligibility for practice, performance, or competition until the student signs the form. Additionally, students who receive financial aid (specifically a performance award) from or through Barton Community College must sign the consent form as a condition of receipt of such aid. The program shall be conducted by a medical laboratory agency as selected by the College and supervised by College personnel as appointed.

- A. Mandatory Drug Testing Program – All performance award students shall be subject to unannounced, random tests during the course of the academic year. The College will determine a prescribed percentage of each activity group and team that shall be subject to testing. The College shall provide the medical laboratory agency with performance award rosters and athletic team rosters for students in extra-curricular activities; students will be randomly selected for testing by the agency consistent with the activity group and team percentages as prescribed by the College. The College will determine the number of random tests that occur each year.
- B. Testing Program Based on Reasonable Suspicion – Information obtained by the College indicating “reasonable suspicion” of drug use by a student receiving a performance award shall prompt the College to require the student to submit to drug-testing. Specimen collection shall be conducted in accordance with the College’s and testing agency’s agreed upon processes. Reasonable suspicion shall not mean a mere “hunch” or “intuition,” but shall instead be based upon a specific event or occurrence which has led to the belief that a student has used drugs banned by this policy and program. Any of the following criteria shall be sufficient on its own to constitute “reasonable suspicion”:
1. Direct observation of drug use by a reliable informant;
 2. Direct observation by those associated with the activity or athletic department (activity sponsor, coaches, athletic trainers, team physician, Athletic Director, Coordinator of Student Housing, Coordinator of Facility Management, College Nurse, Dean of Student Services) of physical and mental deficiency, medically indicated symptomology of drug use, aberrant conduct, or unexplained absenteeism;
 3. Observation of, or evidence obtained by, College personnel leading to the common sense conclusion that use has, is, or could be occurring;
 4. Common sense conclusions about observed or reliably described human behavior upon which practical people ordinarily rely (e.g., significant changes in behavioral patterns, academic performance, activity, or athletic, with regards to anabolic steroids, significant weight gain and unusually aggressive behavior);
 5. Police or court determination (current or past) that the student has used or possessed prohibited drugs;
 6. A demonstrated history of use of prohibited drugs, either prior legal convictions or prior positive tests for prohibited drugs through the College’s or any other reliable testing program. Prior positive tests include any positive result including the results that fall into the “zero-tolerance” category. These are tests that fall below the established laboratory criteria for a positive test (e.g. > 15 nanograms/ml for marijuana), but indicate a lower concentration level of the banned substance.

- C. Voluntary Disclosure Drug Testing Program – A student may disclose use of a prohibited substance and avoid the College’s first-time offender penalty by participating in the voluntary disclosure program. Disclosure of an activity student drug use may be made to the activity sponsor, College Counselor, College Nurse, and/or Dean of Student Services. Disclosure of student athlete drug use may be made to the Coach, Athletic Director, Head Athletic Trainer, College Counselor, College Nurse, and/or Dean of Student Services. When voluntary disclosure occurs, the activity sponsor or head coach shall be informed of disclosure by any of the other College personnel receiving disclosure from the student. The College employee informed of the disclosure shall be obligated to inform the other College employees listed above and refer the student for testing and referral to counseling and/or rehabilitation. Test results for activity students shall be reported to the activity sponsor, College Counselor, College Nurse, and/or Dean of Student Services. Test results for student-athletes shall be reported to the Coach, Athletic Director, Head Athletic Trainer, College Counselor, and/or Dean of Student Services. If found positive for banned drug(s), the student shall be retested forty (40) days after receipt of the initial positive documentation. If documentation demonstrates a decrease in the drug(s) metabolite, the student shall continue counseling until released by the counselor. If documentation demonstrates an increase in the drug(s) metabolite, the student shall be declared a first-time offender and submit to actions/sanctions indicated in this program. This option is available to the student on a one-time basis during his/her academic/athletic/activity career.

IV. BANNED DRUGS

Drugs banned by Barton include the following as well as all drugs banned by the NCAA (Appendix I):

- A. Amphetamines
- B. Cocaine
- C. Tetrahydrocannabinol – THC (marijuana)
- D. Anabolic Steroids

V. CONSENT FORM

All activity students and student athletes shall read and complete the form entitled, Consent and Authorization Agreement. This form must be completed before a student is allowed to practice, perform, or compete.

VI. METHODOLOGY

- A. Collection and Coding
 1. In order to enforce this drug policy, it shall be necessary to acquire a urine specimen from the student.
 2. Urine voiding shall be monitored by a member of the testing agency selected by the College or a designated allied health professional.
 3. Chain of custody in specimen collection, preparation, and handling shall be followed as prescribed by the testing agency to ensure accurate and confidential results. *A document that explains the chain of specimen custody will be provided to each student prior to testing (Appendix II).* Further, prior to testing, each student will be given an opportunity to provide information concerning any medication being taken or other circumstances that might attribute to a positive test.

B. Notification

1. Students requested to provide a urine sample shall not expect to be given notification prior to testing.
2. If a student is selected for testing based on “reasonable suspicion”, the student shall be immediately escorted to the testing site by the activity sponsor, a Coach, the Athletic Director, Head Athletic Trainer, College Counselor, College Nurse, and/or Dean of Student Services.

C. Testing Techniques – The testing agency shall screen each urine sample with the enzyme multiplied immunoassay technique and then perform gas chromatography/mass spectrometry for confirmation. The screen and confirmation shall be based on levels to be determined by the College in consultation with the testing agency.

D. Results – Test results for activity students shall be returned to the Dean of Student Services and subsequently reported to the activity sponsor, College Counselor, and College Nurse. Test results for student athletes shall be returned to the Athletic Director and subsequently reported to the Coach, Head Athletic Trainer, College Counselor, and/or Dean of Student Services. Documentation indicating 6+ confirmation for drug use shall be dated by the College Nurse or Head Athletic Trainer, so subsequent re-tests can proceed after forty (40) days.

E. Positive Test – A positive test will be defined as one that indicates concentration levels consistent with those established by the NCAA. The positive concentration level for THC (marijuana) is 15 nanograms/ml.

F. Confidentiality – Test results shall be known only by the student, activity sponsor or Coach, Athletic Director (when applicable), Head Athletic Trainer (when applicable), College Nurse, College Counselor, and Dean of Student Services; and, if necessary due to an appeals process, the College’s Appeals Committee.

VII. BARTON ACTIONS/SANCTIONS

The following actions/sanctions represent the sanctions established by Barton.

A. Positive Drug Test

If a student tests positive on a drug test administered by Barton, he/she shall be subject to the actions/sanctions specified in this policy.

FIRST-TIME OFFENDER

1. The activity student’s sponsor, College Counselor, College Nurse, and Dean of Student Services are informed.
2. The student athlete’s Coach, Athletic Director, Head Athletic Trainer, College Counselor, and Dean of Student Services are informed.
3. The student is encouraged to notify his/her parent(s), legal guardian(s) and/or spouse.
4. If the positive test occurs during the season, the student is suspended immediately from practice, performance, and competition for seven (7) consecutive days including a minimum of 10% of the contests and/or performances scheduled, or two contests/performances (not including exhibition contests) whichever is less. If the positive test occurs outside of the performance or competitive season, the seven-day suspension shall begin six days prior to the first regularly scheduled performance or competition (not including exhibition contests). The student may resume practice after the mandatory seven-day suspension but shall be withheld from a subsequent performance or competition, if the minimum performance or competition suspension is not met in the seven-day suspension period.

5. Student enters a prescribed counseling and rehabilitation program at their own expense.
6. After forty (40) days, the student re-tests and, should the student return as a scholarship student the following academic year, he or she may be subject to testing during the subsequent year(s). (Note: Testing continues during the summer months, if the student is enrolled in summer school). If documentation demonstrates a decrease in the drug(s) metabolite, the student shall continue as a first time offender and continue counseling until released by the counselor. If documentation demonstrates an increase in the drug(s) metabolite, the student shall be declared a second-time offender and submit to actions/sanctions indicated in this program.
7. The activity student may appeal to the Dean of Student Services. The student athlete may appeal to the Athletic Director. The student may appeal to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision. Any appeal must be submitted, in writing to the designated person or committee, within 5 days of receipt of positive result letter. An appeal shall be considered for one or more of the following purposes:
 - a. To determine whether the drug testing process was conducted fairly and in conformity with prescribed procedures and/or
 - b. To consider new information sufficient to potentially alter the results.
 Sanctions imposed by this policy are to remain in effect during the appeals procedure unless otherwise directed by the President of the College.
8. Failure to comply will result in immediate and permanent suspension from the activity or team and the loss of future institutional aid. The student may appeal to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision.

SECOND-TIME OFFENDER

1. The activity student's sponsor, College Counselor, College Nurse, and Dean of Student Services are informed.
2. The student athlete's Coach, Athletic Director, Head Athletic Trainer, College Counselor, and Dean of Student Services are informed.
3. The student is encouraged to notify his/her parent(s), legal guardian(s) and/or spouse.
4. Immediate and permanent suspension from participation in the activity or athletics program.
5. Cancellation of financial aid provided by Barton Community College.
6. The student may appeal the above conditions to the College's Appeals Committee, should they desire. The Appeals Committee has the authority to make the final decision.

B. Zero-Tolerance

If a student's test result does not reach an established level to count as a positive test but does indicate a smaller concentration level of the banned substance [e.g. 1 to 14 nanograms/ml of THC (marijuana)], the student will be subject to the following actions:

1. The activity student's sponsor, College Counselor, College Nurse, and Dean of Student Services are informed.
2. The student athlete's Coach, Athletic Director, Head Athletic Trainer, College Counselor, and Dean of Student Services are informed.

3. The student will be offered counseling by the College Counselor.
4. The student will be subject to monthly re-tests at their own expense.

VIII. GENERAL POLICIES

- A. The conditions of this substance abuse policy and drug-testing program begin when the student reports to the College academic/activity/athletic program and continues for the remainder of his/her academic/activity/athletic career.
- B. If a student fails to report for drug testing after notification, he/she shall be considered an offender.
- C. If a student reports to the testing site and subsequently leaves the site without permission from the drug-testing administrator, he/she shall be considered an offender.
- D. A student who is required to receive counseling will receive written notification and an appointment time via hand-delivery from the College Counselor. Following the initial counseling session, the College Counselor may refer the student to a community drug counseling service or continue counseling the student. If the student is referred to a community drug counseling service, the student will be financially responsible for services provided.
- E. The first counseling session must occur no later than two (2) weeks after notification of the positive test. Failure to report for counseling will result in the student being suspended from practice, performance, and competition for one week and until the counseling session is met. Further, after a student misses two counseling sessions, he/she will be charged with a positive test result penalty for any subsequent missed counseling session, in addition to being charged for the cost of the missed session.
- F. Conviction of a student for the sale, purchase, transfer, or possession of drugs shall result in automatic and immediate dismissal from his/her activity or team and the loss of all related financial aid.
- G. Offenders shall be subjected to retests to determine continued abuse or non-use. An increase in drug(s) metabolite from the most recent test will indicate drug usage and, therefore, a subsequent offense. A decrease in drug(s) metabolite from the most recent test will not be considered a positive test.
- H. The application of all of these general policies may be appealed to the College's Appeals Committee who has final authority.
- I. This program and its administration/operation is subject to change or to be modified at any time. However, any change or modification will be implemented only by action of the Dean of Student Services and/or Athletic Director and will not be applied retroactively if it would adversely affect a student's rights.

Appendix II

Chain of Custody in Specimen Collection, Preparation and Handling

Preserving the integrity of the specimen is of vital importance in screening for drugs of abuse. Strict adherence to reasonable steps in this process is required so that:

- The student knows that his/her specimen is properly identified and sealed.
- The laboratory tests the correct specimen and issues a report on the correct subject, eliminating the possibility of reporting in error.

The process of quality control in any multi-step system will begin with the very first step and be systematically followed through to the last. By observing the regimen outlined below, a chain of custody shall be established.

1. Complete the test requisition form by providing the following:
 - Subject's Code Number
 - Date and Time of Collection
 - Test Number on the Form
2. Have the student observe and confirm his/her code number, sex and date on the test requisition form and document any medication being taken.
3. The student is to remove all outer garments. The student takes a specimen cup. The student and a member of the testing agency are to go to the lavatory. The student is instructed to void into the specimen cup while agency personnel observes.
4. In the presence of the testing agency personnel, the student selects a collection kit and pours the specimen into his/her specimen bottles.
5. In the presence of the agency personnel, the student tightens the cap to the bottles and seals them with the security tape which has the student's code number written on it in ink.

6. The student places the specimen bottles into the specimen envelope and seals each envelope with tape. [Note: No person touches the collection kits or specimen cups other than the student-athlete until after the collection process is completed and containers sealed.]
7. The envelope is placed into the shipping container.
8. The number of specimens being shipped is counted.
9. The shipping container is secured and the testing agency's address label is attached.
10. The courier for pick-up is notified and the testing agency is advised of the shipment.

Acknowledgment: *Barton Community College gratefully acknowledges the permission of Kansas University to utilize its established policies and procedures for substance abuse in the development of the substance abuse policy and drug testing program.*
