Release of Student Information Policy

In compliance with Section 438 of the "General Education Provisions Act" (as amended) entitled "Family Educational Rights and Privacy Act of 1974" (FERPA) the following constitutes the institution's policy on providing appropriate access to personal records, while protecting their confidentiality.

Barton Community College accords all the rights under the law to students. Those rights are: 1) the right to inspect and review the student's education records; 2) the right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights; 3) the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent; 4) the right to file with the U.S. Department of Education a complaint concerning alleged failures by Barton Community College to comply with the requirements of FERPA; and 5) the right to obtain a copy of Barton Community College's student records policy.

Students will be notified of their FERPA rights by publication in the Student Handbook and consumer information with the Financial Aid Office.

Definitions

For the purposes of this policy, Barton Community College uses the following definitions:

Student - any person who attends or has attended Barton.

Education records - any record (in handwriting, print, tapes, film, or other medium) maintained by Barton Community College or an agent of the College which is directly related to the student except:

1. Files retained by individuals which are not accessible to any other person except a substitute faculty/staff member.
2. An employment record of an individual whose employment is not contingent upon on the fact that he/she is a student, provided the record is used only in relation to the individual's employment.
3. Records maintained by the Student Health Service if the records are used only for treatment of a student and made available only to those persons providing the treatment.
4. Alumni records which contain information about a student after he/she is no longer in attendance at Barton Community College and which do not relate to the person as a student.

Procedure to Inspect Education Records

Students may inspect and review their education records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate College staff person a written request which identifies as precisely as possible the record or records he or she wishes to inspect.

The College Registrar or an appropriate College staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 30 days or less from the receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records which relate to him/her.

The student may request and receive interpretation of his/her record from the person (or designee) responsible for the maintenance of the record.

The student may obtain copies of his/her educational records upon written request, for which the College may charge the current copying charge per page. This does not entitle a student to an official transcript, for which there is a higher charge and which will be withheld if the person owes the College money or property.

Right of College to Refuse Access

Barton Community College reserves the right to refuse to permit a student to inspect the following records:

1. The financial statement of the student's parents.
2. Letters and statements of recommendation for which the student has waived his or her right of access, or which were placed in file before January 1, 1975. Waivers are subject to the following conditions:
 - a. Waivers can be signed only for the specific purposes of application for admission, candidacy for honor or honorary recognition (including financial aid based in part on merit), and candidacy for employment.
 - b. Waivers cannot be required.
 - c. The student shall be told, upon request, the names of those supplying references.
3. Those records which are excluded from the FERPA definition of education records.

Disclosure of Education Records

Barton Community College will disclose information from a student's education records only with the written consent of the student, except:

1. To school officials who have a legitimate educational interest in the records. These members include personnel in the offices of Admissions, Registrar, Business Office, Computing Center, Financial Aid, Career Services, Community Education, Planning, Testing, Library, Advisement Center, Advancement Office, Athletic Department, College deans, and other administrative and academic personnel within the limitation of their need-to-know. 2. To certain officials of the U.S. Department of Education, the Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs.
3. In connection with a student's request for or receipt of financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid.
4. If required by a state law requiring disclosure that was adopted before November 19, 1974.
5. To organizations conducting certain studies for or on behalf of the College.
6. To accrediting organizations to carry out their functions.
7. To parents of an eligible student who claim the student as a dependent for income tax purposes. Access to grades by parents will be allowed if the parents:

 - b. enclose a copy of the first page of their last tax year's federal income tax return.The same documents must be submitted each time a grade report is desired.
8. To comply with a judicial order or a lawfully issued subpoena.

 - a. The seriousness of the threat to health or safety.
 - b. The need for access to the record in meeting the emergency.
 - c. Whether the person requesting the records is in a position to deal with the emergency.
 - d. The extent to which time is of the essence in dealing with the emergency.
10. To an alleged victim of any crime of violence, of the results of any institutional disciplinary proceeding against the alleged perpetrator of that crime with respect to that crime.
11. Social security number and student status data may be provided to other State of Kansas agencies for use in detection of fraudulent or illegal claims against state monies.
12. At its discretion, the College may provide Directory Information to anyone in accordance with the provisions of the Act.

Record of Requests for Disclosure

Barton Community College will maintain a record of all requests for and/or disclosure of information from a student's education records. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record is open only to the student and the person in charge of the record.

Directory Information

Directory Information is limited to: name, address(es), telephone number(s), email address(es), dates of attendance, classification (freshman, sophomore, etc.), enrollment status (full-time, half-time, etc.), class type (day, evening, etc.), previous institution(s) attended, major field(s) of study, awards, honors (includes Dean's Honor Roll), degrees conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes).

Students may withhold free disclosure of Directory Information (on all or none basis) to non-institutional persons or organizations. Students have the option to protect their privacy and not have such information as address and telephone number released. A written request to withhold this information should be submitted to the Office of Enrollment Services. Otherwise, the College assumes that you approve of disclosure of that information. Requests will be honored for only one academic year; therefore, requests to withhold Directory Information must be filed annually.

Correction of Education Records

Students have the right to ask to have records corrected that they believe are misleading, inaccurate, or in violation of their privacy rights. If the student considers the record faulty, he/she can request and receive an informal and/or formal hearing of the case to the end that the record will be corrected if judged faulty or in violation of privacy:

- a. The informal hearing will be in conference with the person (or designee) responsible for the maintenance of the record, and where appropriate, the party or parties authorizing the record segment in question.

b. The student may request a formal hearing by submitting a written request to the College Registrar in which he/she must designate the location of the record in question and a brief explanation of the reason for faulting the record. Hearing officer shall be selected by the College Registrar from a pool of persons who are officials of the College. The hearing officer selected should be a disinterested party to the dispute who will conduct an administrative hearing with both parties present.

The hearing shall be held within a reasonable period of time; notice of the date, place, and time must be given reasonably in advance. The student shall be afforded a full and fair opportunity to present relevant evidence and may be assisted or represented by any person of his/her own choosing (including an attorney at his/her own expense). When appropriate, affected College offices will be notified of the hearing and given a chance to respond to the student’s assertions. A written decision based upon the evidence presented or gathered shall be prepared within a reasonable amount of time and shall include a summary of the evidence and the reasons for the decision. The judgment of the hearing officer shall be final and the record shall be changed or retained as recommended.

If the institution decided the information is accurate, it shall inform the student of his/her right to place in the educational record a statement commenting upon the information and/or noting any reasons for disagreeing with the decision. Any statement of this sort shall be maintained as long as the student’s educational record or contested portion is maintained; if the student’s educational record or contested portion is disclosed to any party, the student’s statement shall also be disclosed.

Financial Aid FAQ's

How long may I receive federal financial aid?

You are allowed to receive federal aid for 150% of your program length at the institution from which you are seeking the degree per federal regulations.

Examples:

- If you are seeking a degree of 64 hours, you may receive aid for 96 attempted hours since this is 150% of the 64 hours required to earn the degree.
- If you are seeking a certificate, you may receive aid for 24 attempted hours since this is 150% of the 16 hours required to earn the degree.

All previously attempted credit hours applicable towards the student's current Program of Study are counted towards the 150% including repeated classes, remedial classes, pass/fail classes, withdrawals, incompletes, and transfer hours regardless of whether or not you received financial aid for the hours. If you have reached the number of hours required by your degree or certificate at the time your financial aid application is reviewed, you will be asked to do a 150% appeal.

What if I change my major or have other mitigating circumstances that prevented me from completing within the 150% timeframe?

If you have special circumstances you feel should allow you to have the timeframe extended, you may appeal the 150% federal limitation by completing an appeal form which can be requested from the Financial Aid Office at: FinancialAid@bartonccc.edu. You will need to submit to the Financial Aid Office the appeal form and a copy of a program completion plan signed by your academic advisor.

Students seeking an additional or a second degree who have reached the 150% limitation and want additional aid must appeal for an extension. Students may appeal only once for an extension of their aid due to seeking a second degree. The Financial Aid Committee will review the appeal. Approval of the extension of aid will be judged on a case-by-case basis by review of unique circumstances of each case. The appeal of the Financial Aid Committee is final and cannot be appealed to the Department of Education.

If I take an incomplete in a class, how long do I have to complete the coursework?

You have until the end of the next term to complete the class.

Give me an example of completing 67% of attempted hours.

If you attempt . . .	You must complete. . .
50 credit hours	34 credit hours
40 credit hours	27 credit hours
18 credit hours	12 credit hours
15 credit hours	10 credit hours
12 credit hours	8 credit hours

If I am placed on financial aid warning or probation, can I receive my financial aid?

Yes, when you are placed on financial aid warning or probation, you can receive your financial aid. However, being placed on financial aid warning or probation is to let you know that you risk losing your financial aid if you have another poor semester. When you are placed on financial aid warning or probation your Financial Aid Officer may intervene to find ways to help you succeed. Student Support Services and/or your academic advisor may work with you to strengthen your potential to succeed.

If I am on financial aid suspension, can I still receive my student loan?

Like grants and scholarships, Federal student loans are considered financial aid. Therefore, you will not receive your Federal student loans if you are placed on financial aid suspension. You may receive private student loans while on financial aid suspension which are not subject to SAP.

How will I know if I am placed on financial aid warning or suspension?

You will be notified by email if you are placed on financial aid warning or suspension. The email will explain what your SAP status means, and refer you to the SAP policy. If you are on suspension, the notice will provide instructions on how to appeal your suspension status. If you are on financial aid warning, the notice will instruct you how to complete a Warning Acknowledgment form. You may always view your SAP status by accessing your PAWS account on the Barton website.

What can I do to get off of financial aid suspension?

You may appeal your financial aid suspension status if you have extenuating circumstances or have earned your way off of suspension. The Financial Aid Committee will review your situation and decide whether to grant your appeal. Suspension status is indefinite unless you complete an appeal and your appeal is approved. You cannot get off of suspension status by sitting out or by paying for classes and not making SAP and completing an appeal. Students may only have one suspension appeal granted regardless of the reason.

Under what conditions may I appeal a suspension status?

You may want to appeal a suspension status for the following reasons:

- You experienced the death of your spouse, your child, your parent or one of your siblings. You will need to provide a copy of the death certificate.
- You experienced an injury or illness which prevented you from making SAP. You will need to provide a letter from your doctor or counselor stating your injury or illness was severe enough to prevent you from successfully completing your coursework. No details of the injury or illness are necessary.
- You have special circumstances that you believe deserves consideration. Please provide any documentation to support your request for an appeal.
- You took classes at Barton, earned Satisfactory Academic Progress (2.0 GPA and 67% of attempted hours), and your student account has a zero balance. The hours can be taken in more than one term. While on suspension, you will not receive financial aid. Also, you must pay your account balance prior to appealing. You will need to take the following hours at Barton to be able to appeal:

Number of hours you were taking when you went on financial aid suspension:	Number of hours you need to take to appeal your financial aid suspension status:
6 – 12+ hours	6 hours
3 – 5 hours	3 hours
1 – 2 hours	1 hour

How may I appeal my suspension status?

You may request an appeal of your suspension by completing the online Appeal Form at this link: https://exsforms3.bartonccc.edu/finaid/susp_appeal.htm, which will automatically be submitted to the Director of Financial Aid. If you would prefer, you may complete a paper appeal form which may be requested from the Financial Aid Office at:

FinancialAid@bartonccc.edu.

When will I find out whether my suspension appeal has been granted?

You will be notified of the status of your suspension appeal by letter or email the day after your appeal has been reviewed. Please allow 2-3 weeks review time after your appeal has been submitted. If a suspension appeal is granted, you will be placed on Academic Plan or Probation (if you have only one term left to graduation).

How often is SAP evaluated?

SAP is evaluated after each term - Fall, Spring, and Summer. If you received any type of financial aid - federal, state, or institutional - your performance during the term will be evaluated. SAP will be evaluated whether you were enrolled full-time or part-time. SAP is evaluated on your term and overall cumulative GPA and Pace (rate of completion).

What is included in an academic plan?

The financial aid office in coordination with your academic advisor will create an Academic Plan to gain a clear picture of where you are academically and what you need to accomplish to complete your degree or certificate. Included in the academic plan will be the courses you need to earn your degree or certificate, the amount of time it will take to complete the classes, whether you should take night classes, online classes, or summer classes, an assessment of other factors supporting your academic performance. It is essential that you complete the academic plan exactly as written and agreed upon in order to receive financial aid. Any changes to the academic plan must be approved by the Director of Financial Aid.

What if I need to make a change to my academic plan?

You will need to work with the Financial Aid Office in conjunction with your academic advisor if any changes need to be made to your academic plan. The changes will need to be reported to the Financial Aid Office and must be approved by the Director of Financial Aid. Unapproved changes to your academic plan will result in suspension of your financial aid.

What if I change my degree/program before I complete my academic plan?

If you and your advisor wish to change your degree/program before your academic plan is finished, you will need to appeal the change with the Financial Aid Office in order to change to a new academic program. You can appeal your academic plan by contacting your Financial Aid Officer. Any change will need to be approved by the Director of Financial Aid.

May I seek more than one degree or certificate at one time?

You may seek more than one degree at a time.

What aid is evaluated for SAP?

All students receiving federal, state, and institutional aid are subject to SAP evaluation. This applies to all full-time and part-time students in all degree programs. Students receiving only scholarships from external entities and/or private educational loans are not subject to SAP evaluation. Staff scholarships, Barton County Resident Scholarships, Boost Scholarships, Over 65 Scholarships, and Silver Cougar Club Scholarships may be received regardless of the student's SAP status.

What term does my SAP status begin?

Your SAP status is determined for the term you begin receiving financial aid. The SAP status is based upon your overall GPA/PACE. If you previously attended other colleges, your SAP status is determined once all of the transcripts from previously attended college have been received. You will be awarded federal financial aid starting with the first semester when all of the transcripts have been received from previously attended colleges.

Eligible Programs and Courses

- Students must be seeking an eligible degree or certificate at Barton to receive federal financial aid.
- Link to a list of Barton's Programs of Study -- <http://bartonccc.edu/programs>. Programs not eligible for federal aid are identified.

- If a student adds courses within a semester that move the student into a higher enrollment level (ex: half-time to full-time), then their Federal Pell will be increased
- If a student withdraws from courses at any point in the semester, then the student's Federal Pell may be decreased and the student will be responsible for repaying a portion of their Federal Pell Grant.

Estimating Pell Grant Disbursement Amounts

- Barton must have an official copy of your high school or GED transcript prior to disbursement of any financial aid.
- Loans will not be paid out until you are enrolled at least half time (6 credit hours).
- Loans will not be paid for enrollment periods of less than nine weeks within a semester.
- Federal Pell grants for late starting classes will not be paid until after the drop date of the class.

Federal Student Loans that disburse in the summer term will be disbursed on the first refund date in July.

Number of Credit Hours	Enrollment Status	Approximate Portion of Term Pell
12 + hours	Full-time	100%
9 - 11 hours	Three Quarter	75%
6 - 8 hours	Half Time	50%
1 - 5 hours	Less than Half Time	25%

Your EFC will determine if you are eligible to receive Federal Pell Grant with an enrollment of status of less than full-time.

Federal Student Loans

- Federal Student Loans will disburse once a student is enrolled at least half-time (6 credit hours) during a semester and attending at least one course.
- First-time loan borrowers will receive their first disbursement of a student loan 30 days after the start of the semester.

Financial Aid Refunds

Dante Deo

Dante Deo - Latin for "By the Gift of God" is a new Catholic college ministry that focuses on spiritual development, serving others, and creating opportunities for fellowship among Barton students. Each week, the group hosts a guest speaker or participates in a social event, such as gathering for Half Price Apps, watching movies, participating in local service projects, or hanging out at a barbecue. Guest speakers converse with the group about relevant topics such as faith, relationships, service, using your talents, humility, and vocations. The purpose of Dante Deo is to increase opportunities for fellowship, growth, and strengthen students' interest in both Catholic and Christian beliefs, develop student leaders with high integrity, values and morals, and to increase students' volunteer activity in our local community. Students do not have to be Catholic to attend Dante Deo.

Testing

Academic Assessment, Placement and Retesting Policy

<http://docs.bartonccc.edu/procedures/2500-academicassessment.pdf>

Placement Testing

Barton Community College placement testing determines readiness for college level coursework. Students entering college for the first time without placement scores must take the Accuplacer test. Students must have test scores on file if they are pursuing a certificate or associate's degree or are enrolling in a general education class requiring specific test scores. Placement test scores will be used to place students in the appropriate English, Reading or Math course.

Students should understand the high-stakes nature of these tests in determining their placement in college classes. These tests measure academic capability and should not be confused with tests measuring intelligence or ability. Testing provides both the student and the advisor an effective tool to best position the student for academic success. Through enrollment in proper courses, students are more likely to meet their academic goals.

Barton will accept SAT, ACT, Accuplacer, ASSET, or COMPASS scores if they are less than five (5) years old. Students without placement scores will take the Accuplacer test. Students who need to complete the Accuplacer test should contact the Testing Coordinator at: placementtesting@bartonccc.edu. Individuals requiring testing accommodations due to disability should contact: disabilityservices@bartonccc.edu or call (620) 786-1102.

Proctoring: Proctoring services are available for campus make-up exams, and for BARTON-line exams.

Testing for non-Barton students is available for a fee of \$25 per test/per sitting.

ACCUPLACER: A computerized untimed placement test used to determine the level of math, English, and reading in which a student would be most successful.

CLEP & DANTES: An instrument provided by Education Testing Service which allows you to receive credit for informal learning by “testing out” of entry-level classes. Fees are paid directly to CollegeBoard/CLEP. Barton charges a \$25 administration fee. Military personnel wishing to take a CLEP test may qualify for DANTES funds.

TEAS: Nursing Entrance exam. Available to non-Barton students with testing fee and permission from Nursing Department.

Services are available to students (on-campus or online) with physical or learning disabilities in order to promote equal educational opportunities. Accommodations are modifications or adjustments that allow students with disabilities an equal opportunity to participate in and benefit from educational programs. Reasonable accommodations are provided on an individualized, as-needed basis. At the college level, students with disabilities must self-declare and provide recent and professional documentation regarding the disability, which should include how the disability affects the student's academic performance, as well as suggested accommodations. The student must take the first step of self-advocacy by making sure they contact a disability advocate at **(620) 786-1102**, preferably prior to the start of classes, to allow adequate time for accommodations to be set in place.

Students may contact disabilityservices@bartonccc.edu or

Campus Safety Department

At Barton Community College the safety and well-being of our students, faculty, staff and visitors are of utmost importance. With the support of other departments, we have many people involved in keeping this campus safe and secure; however, a truly safe campus can only be achieved with the cooperation of all students, faculty, staff and visitors.

Prevention of Crimes

Barton Community College is a community of students, faculty and staff. Like all small communities, there will be incidents of property loss and other daily problems where people reside and work in close proximity to one another. Our job is to lessen the occurrences of such incidents.

The Campus Safety Department is responsible for the safety and security of the College campus. This task cannot be accomplished alone. Crime prevention and security awareness are self-serving qualities. We need the assistance and cooperation of each student, faculty and staff member. Some ways you can assist us in this endeavor are as follows:

1. Report all suspicious persons as soon as possible.
2. Report any crime as soon as possible.
3. Be watchful when walking alone on campus after dark.
 - If going out at night, ask a friend to go with you.
 - Stay in lighted areas and report any lights that are not functioning properly or areas that are dimly lit.
4. Keep money and valuables in a safe place.
 - Don't flash a large amount of money if you have it on you.
5. Be sure that your room is locked when you leave it unattended.
6. Do not lend or give the key to your room to anyone.
7. Be especially watchful at night in the parking lot if you are alone.
 - If your car is unlocked, always look in the back seat and floor board before entering.
 - As soon as you get into your car, lock the doors before starting.
 - Do not pick up hitchhikers on or off campus.
8. Always be aware of your surroundings and keep in mind an escape route.

In those cases where an event cannot be rescheduled and members have been charged an event fee – those funds will be refunded or credited to the next event, depending on the wishes of each individual attendee.

Traffic Enforcement Policy

The Board of Trustees of Barton Community College has given the Director of Campus Safety the authority and responsibility to control and regulate traffic on property owned or controlled by the College. Rules must be established and followed so as to control traffic and parking while on College property. The following is a general outline of the traffic and parking policy of Barton Community College.

Traffic Control

Traffic control signs are placed throughout the College campus. These signs all conform to Kansas Statutes in K.S.A. Chapter 8, which is the chapter that deals with traffic signing and traffic control. All signs are approved by the State Highway Traffic Code as authorized signs and are all recognized traffic control signs.

Signs are placed so as to control traffic in the safest possible manner without being a burden upon any person wanting to drive upon the campus. Violations of traffic control signs (speeding, no parking, fire zones, handicap parking, etc.) may either be handled by a citation issued and taken care of internally through the College or may be subject to a Traffic Infraction as set forth in Kansas Statute K.S.A. Chapter 8 and a citation issued to Barton County District Court.

Further, legally recognized traffic control, such as curbs painted yellow, parking stalls painted blue with a wheel chair symbol, yellow painted areas adjacent to fire plugs etc. will all be enforced and persons parking in these areas will be subject to a citation being issued as described in the previous paragraph.

No motor vehicle, including but not limited to, motorcycles, mopeds, motor scooters, or motorized bicycles will be allowed to operate on sidewalks, pedestrian walks, lawns or grassy areas on campus except for authorized motor vehicles operated by College officials while engaged in business for the College, or utility vehicles operated at the direction of a College official.

Parking Lots

Unlike most other colleges and universities there are no parking stickers required except for housing students. There is no reserved parking for faculty, staff or student personnel with the exception of the lot on the east side of the Technical Building which is restricted to vehicles owned and operated by Barton Community College and the lots located between and east of the student housing area. Housing students are expected to park in the parking lots provided for them and for which they are issued a parking permit. Other students, faculty and staff are not permitted to park in the student housing parking lots with the exception of the Coordinator of Student Housing and the Assistant Coordinator of Student Housing.

In the few lots where parking is restricted, each area is clearly marked with signs designating the parking restrictions and will be enforced.

Handicapped Parking

Students, faculty and staff with permanent or temporary health disabilities that impair their mobility may receive special parking privileges. Those persons who have a physical handicap may park in an authorized handicap zone while displaying either an official rear-view mirror hanging permit or disabled license tag issued by the State of Kansas. Campus Safety will issue a temporary permit. The permit may be picked up at the Campus Safety Office in the Technical Building, Room 154.

Any person caught using an official handicap permit or tag who is not impaired or anyone using a forged handicap permit will be issued a Notice to Appear in Barton County District Court.

Payment of Fines

Fines, having been previously set, are noted on the citation issued by a Campus Safety Officer. Fines are due and payable within fourteen (14) days of the date of the citation. Fines may be paid any weekday during normal working hours at the Business Office, located in the Kirkman Activity Center. Fines may also be paid by mail with a personal check or money order made payable to Barton Community College, and addressed to Business Office, Barton Community College, 245 NE 30 RD, Great Bend, KS 67530.

Fines not paid within fourteen (14) days of the citation being issued will have an additional \$5.00 fine added to the original fine unless an appeal is requested. (see section under APPEALS)

If a person requests an appeal hearing within the 14 day limit after the issuance of the citation and posts the \$5.00 appeal hearing fee the additional \$5.00 fine will be suspended.

Students who do not pay fines within 30 days of the citation may not be allowed to add, drop or change classes until such time as the fine is paid in full. Also, students may be denied enrollment for another semester as long as the fine is unpaid.

Any student who leaves this College without paying an outstanding fine will be unable to have his or her transcript transferred to any other school so long as the fine is unpaid.

Student Housing Parking

Residential parking is confined to the following areas:

- a. East of Sunflower Halls
- b. North Meadowlark Halls
- c. South of Bison Halls
- d. Between Cottonwood Hall & Bluestem Hall

Parking in these housing parking lots at any time is restricted to vehicles that have residential parking stickers or temporary visitors parking permit. Vehicles parked in these lots without the proper stickers or permits are subject to tickets and fines.

No overnight parking:

- a. Seminar Parking lot north of Sunflower Halls
- b. Fine Arts Building parking lot
- c. Student Union/Classroom Building parking lot

No overnight parking is from midnight till 6:00 a.m. The same time as labeled for overnight visitation.

Parking stickers are required and may be obtained at no charge from Campus Safety.

Visitors will also need a parking pass before taking a space in one of the housing parking areas.

Parking stickers are to be placed on the bottom corner of the driver's side of the rear window. Visitor's parking pass must be placed on the front dash.

Permits must be displayed at all times when parked in the student housing parking areas. Vehicles that display parking permits which are not in the designated location will be considered invalid and a citation may be issued. No vehicles are allowed to park or drive on the sidewalks or grass. There's camera coverage in the large parking lot between the Cottonwood & Bluestem Halls.

Handicapped Parking: Those persons with a state-issued disabled parking license or placard may park in an authorized disabled parking zone while displaying either the official rearview mirror hanging placard or license tag issued by the State of Kansas. Campus Safety will issue a temporary permit. The permit may be picked up at the Campus Safety Office located in the Technical Building, Room 154. Unmarked vehicles will be fined.

Citation Appeals

Anyone wishing to appeal his or her citation at Barton Community College may do so by appearing before an appeals board consisting of student, faculty and staff personnel. The appeals hearing will be held periodically at a time and place to be announced to any person wishing to appeal his or her citation.

Anyone wishing to appeal his or her citation must notify the Business Office orally or in writing within fourteen (14) days of the issuance of the citation.

Those wishing to appeal will be required to post a \$5 appeal hearing fee at the time the appeal is requested. A date and time for the appeal will be set and the person will be notified as to the date and time of the appeal. At the time of the appeal hearing, the \$5 fee will be returned to the person asking for the hearing. If the person requesting the appeal hearing does not appear for the hearing, the \$5 fee will be forfeited to the College and any and all fines will become payable immediately.

Student Code of Conduct

Barton County Community College will establish and maintain a fair and equitable procedure for addressing student disciplinary matters ensuring that the rights of the students, the College community, and the community-at-large are protected.

Purpose:

The objectives of the disciplinary process at Barton County Community College are:

1. To protect members of the campus community from harm due to the indiscretions of the few members of the community who are unable, or unwilling, to respect the rights of others;
2. To help ensure order in the College community;
3. To create an environment that enhances the opportunity for learning;
4. To protect the rights of members of the College community and the community-at-large; and
5. To assure students due process when they have been charged with violating College rules and regulations.

Definitions:

The following terms used in this Code are defined:

1. **“College”** means Barton County Community College.
2. **“Faculty member”** means any person employed by the College to conduct classroom, lab, interim experiences, or clinical activities. As necessary, faculty may tutor students.
3. **“College official”** includes any person employed by the College, performing assigned administrative or professional responsibilities.
4. **“Student”** includes all persons taking courses at the College, both full- and part-time, as well as those participating in all outreach programs, off-campus programs, and such other activities as may be sponsored by the College.
5. **“College premises”** includes all land, buildings, facilities, and other property in the possession of or owned, used, rented or controlled by the College.
6. **“College campuses”** includes the land and buildings on which Barton Community College’s traditional Barton campus exists, the Golden Belt One Stop Facility, as well as the Grandview Plaza, Fort Riley and Fort Leavenworth campuses.
7. **“College-sponsored activity”** means any activity on or off campus that is initiated, aided, authorized, or supervised by the College.
8. **“Policy”** is defined as the written regulations of the College as found in, but not limited to, the Student Code of Conduct, Student Handbook, College Catalog, Policy and Procedural Manual, and Course Schedules.
9. **“Student Advocate”** is an individual whose role is to support, advise, and champion the student’s rights.

10. **“Bystander engagement”** is the purposeful intervention of someone who is present during and witness to an incident.
11. **“Preponderance of evidence”** is the standard of proof established for conduct investigations. The preponderance of evidence (i.e. just enough evidence to make it more likely than not) standard differs from the standard used in criminal investigations which is “beyond a reasonable doubt.”

This policy applies to behaviors that take place on the campus, at College-sponsored events and may also apply off-campus and to actions online when Barton personnel determine that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

- Any action that constitutes criminal offense as defined by federal or Kansas state law. These offenses include, but are not limited to, single or repeat violations of any local, state or federal law committed in the municipality where the College is located;
- Any situation where it appears that the accused individual may present a danger or threat to the health or safety of self or others;
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational interests of the College.

Any online postings or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc. occurring completely outside of the College’s control (e.g. not on Barton Community College networks, websites or between college email accounts) will only be subject to this policy when those online behaviors can be shown to cause a substantial on-campus disruption. Otherwise, such communications are considered speech protected by the 1st Amendment.

Bystander Engagement: The welfare of members of our community is of paramount importance. At times, students on and off campus may need assistance. The College encourages students to offer help and assistance to others in need. Sometimes, students are hesitant to offer assistance to others, for fear that they may get themselves in trouble. (For example, a student who has been drinking might hesitate to help take a sexual misconduct victim to the Campus Safety Office.) The College applies a policy of limited immunity for students who offer help to others in need. While policy violations cannot be overlooked, the College will provide educational options, rather than punishment to those who offer their assistance to others in need.

Unacceptable Behavior

The following constitute some of the conduct violations that may result in disciplinary action being taken against the student. The list is not intended to be all inclusive but is intended to be used as a guide.

The student is advised that specific career technical programs, as well as Barton athletic programs, communication and performing arts programs, and other student organizations publish student handbooks and program guidelines with policies and procedures associated with their respective programs. Students are advised that in addition to the guidelines and expectations outlined herein, they are expected to comply with the policies and procedures applicable to the programs with which they are affiliated. Students in these programs are entitled to the same due process as all other students.

Students attending Barton as part of an MOU with the Department of Defense to provide educational opportunities on a military installation are governed by any code of conduct or behavioral expectations dictated by the military. 24. Use of bicycles, skateboards, roller blades, and any other non-motorized vehicle or equipment (except wheelchairs) outside designated areas.

31. All forms of academic dishonesty. (See Policy 1501, Procedure 2502, Academic Integrity.)
32. Violation of any other published College policies, rules or regulations.

Student Rights for Due Process

To protect students from capricious disciplinary action, all proceedings which may lead to suspension or expulsion and/or dismissal from a college program must be conducted in a manner which insures the charged student due process. The basis of due process is the method by which substantive rules are effectuated in a society. The key is how rules are implemented so that fair play and justice are generally recognized as being present. The following elements must be included to guarantee due process:

1. Jurisdiction: The parties must be amenable to the power wielded by the disciplinary body.
2. Notice: A concise, specific statement, in writing, of the charges (the specific facts and acts). A time and place for the hearing must be specified.
3. Testimony: The right personally to give testimony and to have others give testimony.
4. Impartiality: An impartial body to determine the facts and whether they (the facts) fit the rule. "Impartial" does not necessarily mean that they have no knowledge of the facts – it is not necessary in an administrative hearing.
5. Student Advocate: The student is allowed to bring an advocate to all hearing procedures or have one appointed for him/her if so requested.
6. Documentation: The proceedings shall be recorded.

Disciplinary Procedure

Whenever a complaint is made against any student for misconduct, the Dean of Student Services or such other person as may be designated by the President shall conduct an investigation of the allegations as soon as possible (generally, for Offenses Against the Academic Community the President will designate the Vice President of Instruction & Student Services). The Dean of Student Services or such other person as designated by the President is authorized to take any interim action necessary to maintain campus safety, integrity of the process, and/or protection of student rights and institutional rights during the formal investigation and determination process.

The student shall be given written notice of the complaint and charges against him/her within five (5) College business days of receipt of the complaint. If a student is under the age of eighteen (18) years, a copy of the notice shall be sent to the parents or guardian of the student. The student shall have five (5) College business days after receipt of the notice to respond in writing to the charges. If it is necessary to mail notice to the student, he/she shall have seven (7) College business days after the date of mailing to respond in writing to the charges.

The Dean of Student Services or such other designee of the President shall, as soon as possible after the investigation, render a decision that may include dismissal of the complaint or imposition of any discipline set forth herein. Notice of the decision shall be served upon the student in person, by certified mail, or by regular mail. If a student is under the age of eighteen (18) years, a copy of the decision may be sent to the parents or guardian of the student.

Disciplinary Action

If the Dean of Student Services or other designee of the President finds that the student has violated College policy, rules, or regulations, disciplinary action shall be taken. The Dean of Student Services or other designee shall impose such discipline as he/she determines is warranted taking into consideration the seriousness of the offense. For more complicated incidents, the Dean of Student Services or other designee may seek the input of a Review Board before determining discipline. The Review Board, if utilized, shall be chosen from members of the College Student Life staff. Individuals who serve on a Review Board would not later be eligible to serve on an Appeals Committee, should an appeal follow imposition of disciplinary sanctions. Permissible actions include but are not limited to: written reprimand, community service, fines, probation, full or partial suspension from classes, expulsion from housing, and/or expulsion from school.

Disciplinary action may also include a bar against readmission to the College.

Appeals

Right of Appeal

Any decision of the Dean of Student Services or such other person as designated by the President may be appealed by the accused or the complainant within five (5) College business days of the receipt of the decision. Such appeals shall be in writing and shall be delivered to the President of the College.

A student who fails to file a written notice of appeal in the President's Office, within the times specified waives the right to appeal.

Status Pending Appeal

Any disciplinary action imposed shall remain in effect during the appeals procedure, unless otherwise directed by the President of the College.

An appeal shall be conducted for one or more of the following purposes:

- To determine whether the original process was conducted fairly a) in light of the charges and evidence presented, and b) in conformity with prescribed procedures. This gives the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and gives the accused student a reasonable opportunity to prepare and to present a rebuttal of those allegations.
- To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
- To determine whether the sanction imposed was appropriate given the violation of the Student Code occurred.
- To consider **new** evidence sufficient to alter a decision or other relevant facts **not** brought out in the original process, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

If the President or designee determines, in his or her sole discretion that the written appeal fails to meet the Standard for Appeal (noted above), he or she will inform the student in writing. If the written appeal submission fails to meet the Standard for Appeal, the matter is concluded and no further action will be taken.

Composition of Appeals Committee

The President of the College shall name an Appeals Committee Facilitator to conduct a formal Appeals Hearing in order to review the charges and imposed sanctions. The Appeals Committee shall consist of six (6) members, selected by the Facilitator and approved by the President, two of which shall be from the faculty, two staff, and two representatives from the student body. At any hearing before the committee, at least four (4) members shall be present to constitute a quorum in order to transact the business of the committee. Any member of such committee directly involved in the outcome of a hearing, or who believes they have a conflict of interest rendering them to be perceived as being incapable of providing an impartial decision, shall disqualify him/herself from the hearing and the Appeals Committee Facilitator shall appoint a person to take his/her place.

Hearing

The Appeals Committee shall set a hearing as soon as possible after the hearing has been approved. Notice of the time, date, and place of the hearing shall be given to all parties in writing no less than three (3) College business days prior to the hearing.

It is the hope of the College that disciplinary matters will be handled by members of the College community, and legal counsel will not ordinarily be present to represent the College. However, if the student is to have a professional legal advisor present (which will be at the student's expense) at any hearing, the student must notify the President's Office not later than forty-eight (48) hours before the scheduled time of the hearing, in which event, the College may, in its discretion, be represented by counsel.

A student failing to appear before the Appeals Committee at the designated time, shall forfeit any right to appeal or seek further relief of the decision.

Proceedings before the Appeals Committee shall be recorded electronically or via written minutes. Recordings and communications related to the disciplinary procedure and resulting actions shall not be considered a public record as that term is defined by the Kansas Open Records Act.

Decision

Upon the conclusion of the hearings, the Appeals Committee, by majority vote, shall decide whether the student has violated the Student Code of Conduct and whether the sanction imposed fits the nature of the violation. The Appeals Committee may uphold, modify, or completely reverse the original decision as appropriate.

A written summary of the findings must be provided and should the decision be modified it should be in accordance with one or more of the conditions delineated in this code. In all appeals any modification of the original sanctions may not result in more severe discipline for the accused student.

The Appeals Committee shall render its decision in writing within three (3) College business days of the conclusion of the hearing. The findings of the Appeals Committee shall be forwarded to the President.

Notification of Decision

The President's Office shall inform the student in writing of the Appeals Committee's decision within three (3) College business days of the receipt of the Appeals Committee's decision. The findings of the Appeals Committee shall be final.

Problem Resolution Policy & Procedure

Barton is committed to providing the best possible learning environment for its students. Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from Barton faculty, staff, and/or administration. This policy does not apply to student discipline or grade appeals. For disciplinary issues, please refer to the Barton Community College Student Code of Conduct policy located in this Student Handbook.

Problem Resolution (Students)

The College encourages an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from the appropriate College staff. If a student disagrees with established rules of conduct, policies, practices, or if they feel their rights have been infringed on, they can express their concern through the problem resolution procedure. Limitations and acknowledgements include:

- No student will be penalized for using the problem resolution procedure, or for voicing a complaint in a timely and business-like manner.
- A student may discontinue this procedure at any step.
- Strict adherence to the noted time lines will be enforced.
- Students seeking resolution of concerns resulting from academic program dismissal may start with the second section of this procedure, "Appeals of Academic Dismissal".
- This procedure does not apply to a student who wishes to appeal sanctions imposed by student services or academic affairs personnel; the information regarding student right to appeal is available in procedure #2611 Student Code of Conduct.

If a student believes a conflict they are experiencing needs to be resolved, or feels a decision affecting them is unjust or inequitable, they are to resolve the problem by following the steps outlined below.

1. Within seven (7) calendar days of the action resulting in a problem/concern:
 - a. The student is to seek problem resolution informally, at the lowest level possible. For example, if the concern lies with an instructor the student will discuss the concern with the instructor.
 - b. If after the discussion, the student remains dissatisfied, he/she may formalize their complaint by proceeding to step 2.
2. Within seven (7) calendar days of the above meeting:
 - a. The dissatisfied student may advance their concern to the appropriate College Dean or his/her designee. Students may contact the Administrative Assistant to the Vice President of Instruction for assistance in identifying the appropriate Vice President, Dean or his/her designee, if they are unsure who to contact.
 - b. The Vice President, Dean or his/her designee will discuss the student's concerns and attempt to assist him/her in formalizing the concern via the Problem Statement form (hard-copy or electronic) and explaining its completion.

- c. Once the completed Problem Statement is received by the Vice President, Dean or his/her designee, he/she will investigate the situation and provide written resolution to the student within seven (7) calendar days.
 - d. If following the Vice President's, Dean's or his/her designee's written decision, the student remains dissatisfied, he/she may proceed to Step 3.
3. Within seven (7) calendar days of receiving the Vice President's, Dean's or his/her designee's written decision:
- a. The dissatisfied student may appeal the Vice President's, Dean's or his/her designee's decision if at least one of the following statements is true:
 - i. New evidence exists which was not presented to the Vice President, Dean or his/her designee in Step 2.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Vice President, Dean or his/her designee, etc.).
 - b. The student meeting at least one of the above parameters submits the following to the Vice President of Instruction for consideration:
 - i. The original Problem Statement as submitted to the Vice President, Dean or his/her designee.
 - ii. The written decision received from the Vice President, Dean or his/her designee.
 - iii. The required additional evidence noted in 3a. above.
 - c. The Vice President of Instruction will provide his/her written decision to the student within seven (7) calendar days.
4. Within seven (7) calendar days of receiving the Vice President of Instruction's written decision:
- a. The dissatisfied student may pursue review by the President if at least one of the following statements is true:
 - i. There is new evidence which was not presented to the Vice President of Instruction in Step 3.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Vice President of Instruction, etc.).
 - b. The student provides all pertinent written documentation to the Administrative Assistant to the President and schedules a meeting with the President (note that meeting may occur in person, via electronic means, or via phone).
 - c. The President will review the student's appeal, review available documentation, and present the student with a written determination within seven (7) calendar days. The President's decision is final.
5. If resolution is not reached, the student may address his/her concerns with the Kansas Attorney General's Office of Consumer Protection:

Consumer Protection Hotline: **1-800-432-2310** or **(785) 296-3751**

Fax: **(785) 291-3699**

Appeal of Academic Dismissal

1. Within seven (7) days of academic program dismissal, the student is to submit written documentation to the Vice President of Instruction's Office explaining their situation (documentation may be hard-copy or electronic). This written documentation is to include:
 - a. Student's name and Barton ID number.
 - b. Name of the academic program and date of dismissal.
 - c. Name of the Instructor/Coordinator/etc. who conveyed program dismissal information.
 - d. Any documentation provided to the student at the time of dismissal.
 - e. Student explanation of why re-instatement in the academic program is warranted and any supporting documents.
2. The Vice President of Instruction will convene a three member Appeals Committee which will include the Vice President of Student Services, the EEOC Liaison, and the Vice President of Instruction (a substitution will occur in instances where availability unduly delays assembling committee) to review and discuss the dismissal.
 - a. The academic program representative will be contacted to also provide documentation relevant to the dismissal.
 - b. Within seven (7) calendar days of this meeting, the student will be notified of the Appeal Committee's determination.
3. Within seven (7) calendar days of receiving the Appeal Committee's decision:
 - a. The dissatisfied student may pursue review by the President if at least one of the following statements is true:
 - i. There is new evidence which was not presented to the Appeal Committee.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Appeals Committee, etc.).
 - b. The student provides all pertinent written documentation to the Administrative Assistant to the President and schedules a meeting with the President (note that meeting may occur in person, via electronic means, or via phone).
 - c. The President will review the student's appeal, review available documentation, and present the student with a written determination within seven (7) calendar days. The President's decision is final.

Civil Rights Equity Resolution for all Students, Employees, Guests, and Visitors (Title IX & other anti-discrimination information)

Barton Community College (College, Barton) affirms its commitment to promoting the goals of fairness and equity in all aspects of the educational enterprise. All policies below are subject to resolution using the College's Equity Grievance Process, as detailed below. The Equity Grievance Process is applicable regardless of the status of the parties involved, who may be members or non-members of the campus community, students, student organizations, faculty, administrators and/or staff. The College reserves the right to act on incidents occurring on-campus or off-campus when the off-campus conduct could have an on-campus impact or impact on the educational mission of the College. The College will distribute/post this policy annually to campus, prospective students, their parents, and prospective employees.

Cheryl Brown serves as the Title IX Coordinator and oversees implementation of the College's policy on equal opportunity, harassment, and nondiscrimination. Reports of discrimination, harassment and/or retaliation should be made to the Title IX Coordinator or deputy/deputies, promptly. However, there is no time limitation for the filing of complaints, as long as the accused individual remains subject to the College's jurisdiction. The College acts promptly on all reports, and every effort is made to preserve the privacy of reports. Anonymous reports may also be filed online, using the reporting form posted at <http://bartonccc.edu/campussafety/file-a-report>. Reporting is addressed more specifically on p. 14, Section 8, Confidentiality and Reporting of Offenses under this Policy. Reports of discrimination by the Title IX Coordinator should be reported to the College President, **(620) 792-9301**.

This policy applies to behaviors that take place on the campus, at College-sponsored events and may also apply off-campus and to actions online when the Title IX Coordinator determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

- Any action that constitutes criminal offense as defined by federal or Kansas state law. These offenses include, but are not limited to, single or repeat violations of any local, state or federal law committed in the municipality where the College is located;
- Any situation where it appears that the accused individual may present a danger or threat to the health or safety of self or others;
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational interests of the College.

Any online postings or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc. occurring completely outside of the College's control (e.g. not on Barton Community College networks, websites or between college email accounts) will only be subject to this policy when those online behaviors can be shown to cause a substantial on-campus disruption. Otherwise, such communications are considered speech protected by the 1st Amendment.

Off-campus discriminatory or harassing speech by employees may be regulated by the College when such speech impacts an employee's official or work-related capacity outside of work.

The Barton Student Support Services (SSS) program is designed to meet student needs in all academic, career, transitional, and life skills areas. Each member of the Student Support Services staff is committed to helping students successfully complete a two-year degree, and/or transfer to a four-year institution.

Services

Services available to eligible students include: academic, career, vocational, transfer, and personal counseling, financial aid information and assistance, cultural enrichment activities, transfer visits, disability accommodations, college skills seminars and tutoring.

Eligibility

Students may be eligible for the SSS program if they are first generation college students, meet limited income guidelines, or have a physical or learning disability. In addition, students must show a need for academic support services.

Location

The Student Support Services program offices are located in the north end of the Learning Resources Center. Staff members may be reached by calling **(620) 792-9240** or **Ext. 240**.

Upward Bound

The Upward Bound program concentrates on building success by improving academic skills and involving high schools students in activities that will expose them to the world around us, the workplace, careers, educational institutions, and the cultural aspects of our society. The cornerstone of Upward Bound is a supplemental instruction program that helps students by providing teaching and tutoring services before or after school or a combination of both. The supplemental instructional program is intended to enhance the instruction that students receive daily in their high school classes and emphasize the development of skills in the areas of mathematics, English, science and social studies.

Barton County Upward Bound serves the following high schools: Great Bend, Hoisington, and Ellinwood. Educational services are provided to participants at facilities in these communities.

Central Kansas Upward Bound serves the following high schools; Chase, Ellsworth, Lyons, Central Plains and Wilson. Educational services are provided to participants at facilities in these communities.

A five-week residential program is conducted on the Barton Community College campus during the summer.

EOC

The Central Kansas Educational Opportunity Center TRIO program has been developed to respond to the increasing educational needs of adults. The program provides free services focusing on individual assistance in the areas of GED placement, training and education choices, financial aid and admission processes, and career planning.

CKEOC is located in the Kansas Works building at 1025 Main in Great Bend and the Junction City Workforce Center at 1012 A West Sixth in Junction City.

Academic Information

While enrollment at Barton Community College is not compulsory, the philosophy of the institution protects the equality of opportunity of all persons qualified to attend. Further, the enrollment of a student at the College is a voluntary entrance into the academic community wherein the student assumes obligations of performance and behavior reasonably imposed by the institution relevant to its lawful missions, processes and functions.

Such obligations may be higher than those imposed on all citizens by the civil and criminal law. No student may, without liability to lawful discipline, intentionally act to impair or prevent the accomplishment of pursuits of the institution. The College, on the other hand, pledges to uphold fundamental concepts of integrity and justice.

A student does not surrender rights as a citizen upon enrollment in this College; rights and freedoms, however, like those of any citizen, are not unlimited and expectations for student behavior (both in and out of the classroom) are explained in more detail below. The College has an obligation not to submit to intimidation, violence or disruptive behavior. The academic policies that follow are for your information. We hope you find them helpful. For information or clarification, please contact the Office of Learning and Instruction.

Academic Clemency

Barton Community College seeks to provide a supportive and challenging environment in which students can improve their basic intellectual skill and equip themselves for a fulfilling life and responsible citizenship in a world characterized by change. We acknowledge that there are circumstances that necessitate an academic “fresh start” and offer academic clemency as a means to make academic rehabilitation possible.

- Applicants for academic clemency are eligible to apply for clemency after a two-year waiting period from the date of their respective academic “crisis.”
- Applicants for academic clemency must demonstrate improved academic performance in the semester(s) subsequent to their academic crisis (i.e., at least 12 credit hours and a 2.5 grade point average) to be eligible for clemency.
- No more than 1-2 consecutive semesters of clemency may be considered.

The following limitations apply:

- Applicants receiving academic clemency are not eligible for graduation with honors at Barton Community College.
- Applicants may only receive academic clemency only once.
- Only course credit earned at Barton Community College is eligible for academic clemency.

The process for applying for academic clemency:

- Applicants must obtain and complete application for clemency (and submit all supporting documentation) to the College Registrar. Such action shall take place within 30 working days of the receipt of the request.
- Applicants for academic clemency are asked to identify a limited number of courses within the stated period (1 – 2 consecutive semesters), and include this information with documentation regarding their clemency appeal.
- Applicants should acknowledge the circumstances surrounding their academic crisis, and explain what they have done to effect recovery.
- Although the final decision remains with the Vice President of Instruction, the decision-making process shall be informed by the recommendation(s) of the respective associate dean(s), and/or the respective faculty.
- If, in the decision-making process, there is not clear consensus, an ad hoc committee shall meet and make a recommendation to the Vice President of Instruction. The membership of the committee shall include the respective faculty member(s) and appropriate associate dean(s).
- The decision of the Vice President of Instruction is final.

Academic Integrity

<http://docs.bartonccc.edu/procedures/2502-academicintegrity.pdf>

Academic Progress

To meet the required academic and progress performance standards of Barton Community College, a student should consider the following:

Academic Standing

If your scholastic performance appears to offer little prospect of academic success, you may be dismissed with or without privilege of reinstatement. You may not petition for reinstatement until one semester has expired after academic dismissal from the College.

Procedures Governing Academic Warning and Dismissal

If you have not accumulated a 1.5 GPA when 24 credit hours have been attempted you will be placed on a one-semester warning. This academic warning is designed to alert you that you may encounter difficulty in meeting graduation requirements and steps should be taken immediately to improve your academic status. You must have a 2.0 GPA when you have attempted 48 hours. If the cumulative GPA is below this minimum, you will be placed on academic warning after one semester. (Note: All computations are based on A, B, C, D, or F grades).

Dismissal

If you have been placed on academic warning for one semester and do not raise your GPA to the minimum requirements as outlined, you will be dismissed for one semester. However, you will not be dismissed at the close of a semester or summer term during which you achieved a “C” (2.0) average or better.

Reinstatement

If you have been dismissed from the College for poor academic progress, you will be provided a period of at least one semester during which you may reconsider and re-evaluate your academic goals. At the end of the dismissal period, you may apply for admission to the College by filling out a regular application for admission form. You will not be allowed to enroll in more than 12 credit hours for the first semester of attendance after a period of dismissal.

Appeals

Any person limited by these regulations who has marked improvement or who believes he/she has been affected unfairly may appeal to the Enrollment Services Office.

Adding/Dropping Classes

Adding Classes

Day and evening classes may be added through the first week of a semester only. After the official closing dates for adding classes, you must first receive permission from the instructor and sign a learning contract. You may enroll with a signed learning contract for one additional week after the 1st week of class. This procedure does not include “mini-classes” or classes taught for more or less weeks than the regular full semester. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from advisors. You must pay for added classes at the time of the add.

Dropping Classes

Courses dropped through the first two weeks of classes in both the fall and spring semesters and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and the 10th day of classes in the summer session, a “W” will be recorded for courses dropped officially. Final drop dates are published in bulletins, Student Handbooks and the Enrollment Services Office. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from advisors. Students are responsible for dropping classes and are required to visit with instructors or an advisor before dropping classes.

Course (Drop Date)

The last day to drop a course with a “W” grade shall be five (5) weeks before the end of the semester (Fall and Spring Semesters only.)

Things to Consider Before Dropping a Class

- If you receive **FINANCIAL AID**, will dropping the class affect your financial status?
- If you need 12 hours or more for **INSURANCE**, will dropping the class affect your eligibility?
- If you are an **ATHLETE**, will dropping the class affect your eligibility?
- Have you talked to your **INSTRUCTOR** about dropping the class? Perhaps things aren’t as bad as they seem. Have a talk with your instructor.
- Is the course you want to drop going to be **OFFERED AGAIN** when you need it? Some classes are only offered one semester a year. It may be a year before you can re-enroll.
- Are you **WORKING** too many hours? It is likely that by just cutting down your work hours, you will be able to do better in the class.
- Have you tried the **TUTORING** services in the Library? Student Services provides free tutoring.

Grading System

Grade		Grade Points Per Credit Hour
A	Excellent	4
B	Above Average	3
C	Average	2
D	Below Average, passing	1
F	Failing	0
XF	Violation of Academic Integrity and Failing	0
P	Pass-Credit only	not computed in cumulative grade point average*
I	Incomplete	no credit**
W	Withdrawn	no grade computed, no credit***
AU	Audit	no grade computed, no credit****
CL	Academic Clemency	no grade computed, no credit*****

* Certain courses may be offered in which you are graded only as having passed or failed. The courses are added to your credit hour total but are not included in the grade point average.

** An incomplete “I” is given only when a course is incomplete because of illness or other conditions usually beyond your control. An incomplete “I” must be removed by contract in a manner prescribed by the instructor no later than December 31 for an “I” given in a spring or summer semester; and May 31 for an “I” given in a fall semester. If the incomplete “I” is not removed within the prescribed period of time, it will be changed to an “F.”

*** Your withdrawal from courses through the 20th day of classes in both the fall and spring semester and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and after the 10th day of classes in the summer session, a “W” will be recorded for courses withdrawn from officially. After the final drop date published each semester, official class withdrawals will not be processed.

**** You may audit a class by enrolling in the class and paying the current audit fee per credit hour. You must declare that you are auditing the class and file with the Office of Enrollment Services at the College an “Audit Declaration Form” prior to the beginning of the semester.

***** If you have gone through the academic clemency appeal process and have been awarded clemency for certain courses, your initial grade will be changed to a “CL.” The “CL” grade will not average into your GPA.

Special Note: A student may retake a course to improve the grade only if the course is not designated as repeatable in the master course list. The repeat grade will be used to determine the student’s grade point average regardless of whether it is higher or lower than the original grade. The original grade and credit are not counted, although they remain on the transcript. Before retaking a course, students should check with their advisor to determine whether the course can be repeated for the purpose of improving the grade.

Graduation Catalog Requirements

Students who remain continuously enrolled from time of entry to application for graduation will be held to the catalog requirements in effect when they declare their program of study, unless a later catalog is adopted. "Continuous enrollment" refers to annual Fall and Spring semester enrollment (or equivalent) in a minimum of at least one credit bearing course per semester. Should a student's enrollment be interrupted, they will be held to the guidelines and requirements of the catalog of record at the time of program re-entry.

This guideline does not apply to students with documented leave of absence justification or members of the military involved in deployment operations. Changes to prerequisites and/or curriculum which occur for purposes beyond graduation – e.g. regulatory and legislative updates, third party accreditation or other certification bodies requirements, increased skill demand from industry, employment or transfer requirement changes, or recommended and/or mandated changes from the Kansas Board of Regents or other such entities are not subject to these catalog requirements.

Dual Degree(s)

A student may apply and pay the graduation fee for the receipt of more than one degree from the College, provided they have met the following requirements for the additional degree:

- A minimum of 15 Barton hours of credit completed in addition to meeting the requirements of the first degree.
- Dual degrees can be sought and awarded within the same semester.
- At least 15 hours must have been taken at the College.

Grades

Students must achieve an overall 2.0 grade point average to be eligible for graduation.

Intent to Graduate

Applying for graduation is not an automatic process; you must file a notice of intent to graduate and pay applicable fees if you wish to receive an Associate's degree from the College. This notice of intent must be filed with the Enrollment Services Office by filling out the College's Application for Graduation.

Priority Graduation Application Deadlines:

February 1st Spring Graduation

June 1st Summer Graduation

September 1st Fall Graduation

Transfer and Articulation Agreement

If you complete an Associate in Arts or Associate in Science degree based on a baccalaureate-oriented sequence at a state and regionally accredited Kansas public community college and your program of study has met the requirements of the Kansas Public Community College - Kansas Regents Transfer Agreement and Articulation Guide, you will be accepted with junior standing and will have satisfied the general education requirements of all Regents universities. Your advisor will have information on the agreement to help you plan your course schedule.

Honors

Highest Honors

If you complete all requirements for an associate's degree with a GPA of 3.7 or above, you will graduate with highest honors.

Honors

If you complete all requirements with a GPA of 3.5 to 3.69, you will graduate with honors.

Eligibility

To be eligible for Honors or Highest Honors, you must complete 15 credit hours at Barton.

President's List

The President's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 4.0.

Dean's List

The Dean's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 3.5 to 3.99.

Grades for course work completed outside the traditional semester schedule(s) shall not be included in these GPA calculations.

How to Figure Your GPA

To calculate a grade-point average, add the points earned and divide that total by the number of GPA hours attempted. For example:

Total is 16 GPA hours attempted and 30 points earned; 30 points divided by 16 hours=1.88 grade-point average.

Course	GPA Hours	Grade	Points
BSTC 1001	1 hour x	A(4)	= 4 points
PSYC 1002	1 hour x	A(4)	= 4 points
ENGL 1204	3 hours x	D(1)	= 3 points
MATH 1826	5 hours x	C(2)	= 10 points
SOCI 1100	3 hours x	B(3)	= 9 points
COMM 1200	3 hours x	F(0)	= 0 points
Total = 16 GPA Hours			Total = 30 points
30/16 = 1.875, or 1.88			

Credit for Military Training

Students in the military can request to have their military experiences and training evaluated by providing the school a Joint Service Transcript (JST). Students can request to have JST forwarded to Barton for evaluation. Please note, before an evaluation can be completed, the student must have passed at least one course with Barton. Military students will also need the following documents: most up-to-date copy of student's Enlisted Record Brief (ERB) or DD214 (for individuals who are no longer in the military). Students can also bring any applicable certificates that they would like to be evaluated for college credit that are not listed on their JST or ERB,. Soldiers can request to have their military evaluation re-evaluated once every six months.

Non-Repeatable Courses

Credit

Although there may be circumstances which merit the repetition of a non-repeatable course for credit (i.e., improvement of GPA or satisfaction of course pre-requisite), the results of the repeated course shall apply only once toward graduation requirements.

Grades

When a non-repeatable course is repeated for credit, the most recent grade earned shall be used to calculate the student's grade point average.

Policy For Transfer Students

All hours accepted by the College (excluding developmental hours) will be incorporated into your Barton Community College total hours for grade point purposes to determine whether you graduate with honors or highest honors. To be eligible for honors or highest honors, you must complete 15 credit hours at Barton Community College.

Repeatable Courses

A repeatable course can be repeated an additional three times in order to satisfy credit requirements for graduation.

Transcript Request Procedure

Transcripts can be ordered via the web 24/7 through the National Student Clearinghouse. You can place as many orders as you like in one session using any major credit card. Your card will only be charged after your order has been completed. Order updates are available via mobile text message and will also be emailed to you. You can also track your order online using your email address and order number.

Your signed consent may be required to fulfill your transcript order. For your convenience, a consent form will be generated for your order that you can approve instantly online or return via fax, mail, or as a scanned email attachment.

Unofficial Transcripts

Unofficial transcripts are available online through MyBarton Portal for those students that have no outstanding financial obligations on their accounts. Enrollment Services may provide an unofficial transcript to students that are currently enrolled in Barton classes. If a student is no longer enrolled in Barton classes, and a financial obligation exists, unofficial transcripts will not be provided to the student. Advisors and coaches may access unofficial transcripts for purposes of advising, but will not provide the unofficial transcripts to students or third parties outside the institution.

Withdrawal From College

If you wish to withdraw from all classes at the College for the remainder of a semester, you must secure a withdrawal form through the Enrollment Services Office or your advisor. If you are receiving federal financial aid, you should meet with your Financial Aid Officer. After you have returned all College books and other equipment, paid all fines and fees, turned in your student ID or Activity Cards, and are cleared in every respect with the College, you will be cleared for withdrawal. If you fail to comply with the above procedure, you will not be recommended to any other college or university; you will not be eligible to receive refunds of such fees or deposits. Outstanding debts may be subject to legal action.

Policies and procedures are subject to constant review and change.

Please consult our website at www.bartonccc.edu.
