GENERAL INFORMATION

Release of Student Information Policy

In compliance with Section 438 of the “General Education Provisions Act” (as amended) entitled “Family Educational Rights and Privacy Act of 1974” (FERPA) the following constitutes the institution’s policy on providing appropriate access to personal records, while protecting their confidentiality.

Barton Community College accords all the rights under the law to students. Those rights are: 1) the right to inspect and review the student’s education records; 2) the right to request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights; 3) the right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent; 4) the right to file with the U.S. Department of Education a complaint concerning alleged failures by Barton Community College to comply with the requirements of FERPA; and 5) the right to obtain a copy of Barton Community College’s student records policy.

Students will be notified of their FERPA rights by publication in the Student Handbook and consumer information with the Financial Aid Office.

Definitions

For the purposes of this policy, Barton Community College uses the following definitions: Student - any person who attends or has attended Barton.

Education records - any record (in handwriting, print, tapes, film, or other medium) maintained by Barton Community College or an agent of the College which is directly related to the student except:

1. Files retained by individuals which are not accessible to any other person except a substitute faculty/staff member.
2. An employment record of an individual whose employment is not contingent upon on the fact that he/she is a student, provided the record is used only in relation to the individual’s employment.
3. Records maintained by the Student Health Service if the records are used only for treatment of a student and made available only to those persons providing the treatment.
4. Alumni records which contain information about a student after he/she is no longer in attendance at Barton Community College and which do not relate to the person as a student.

Procedure to Inspect Education Records

Students may inspect and review their education records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate College staff person a written request which identifies as precisely as possible the record or records he or she wishes to inspect.

The College Registrar or an appropriate College staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 30 days or less from the receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records which relate to him/her.

The student may request and receive interpretation of his/her record from the person (or designee) responsible for the maintenance of the record.

The student may obtain copies of his/her educational records upon written request, for which the College may charge the current copying charge per page. This does not entitle a student to an official transcript, for which there is a higher charge and which will be withheld if the person owes the College money or property.

Financial Aid FAQ's

How long may I receive federal financial aid?

You are allowed to receive federal aid for 150% of your program length at the institution from which you are seeking the degree per federal regulations.

Examples:

- If you are seeking a degree of 60 hours, you may receive aid for 90 attempted hours since this is 150% of the 60 hours required to earn the degree.
- If you are seeking a certificate, you may receive aid for 24 attempted hours since this is 150% of the 16 hours required to earn the degree.

All previously attempted credit hours applicable towards the student's current Program of Study are counted towards the 150% including repeated classes, remedial classes, pass/fail classes, withdrawals, incompletes, and transfer hours regardless of whether or not you received financial aid for the hours. If you have reached the number of hours required by your degree or certificate at the time your financial aid application is reviewed, you will be asked to do a 150% appeal.

What if I change my major or have other mitigating circumstances that prevented me from completing within the 150% timeframe?

If you have special circumstances you feel should allow you to have the timeframe extended, you may appeal the 150% federal limitation by completing an appeal form which can be requested from the Financial Aid Office at: financialaid@bartonccc.edu. You will need to submit to the Financial Aid Office the appeal form and a copy of a program completion plan signed by your academic advisor.

Students seeking an additional or a second degree who have reached the 150% limitation and want additional aid must appeal for an extension. Students may appeal only once for an extension of their aid due to seeking a second degree. The Financial Aid Committee will review the appeal. Approval of the extension of aid will be judged on a case-by-case basis by review of unique circumstances of each case. The appeal of the Financial Aid Committee is final and cannot be appealed to the Department of Education. Make sure you have communicated to your Academic Advisor what Program of Study you want to pursue prior to submitting an appeal. Only one extension approval will be granted!

If I take an incomplete in a class, how long do I have to complete the coursework?

Dante Deo

Dante Deo - Latin for “By the Gift of God” is a new Catholic college ministry that focuses on spiritual development, serving others, and creating opportunities for fellowship among BCC students. Each week, the group host a guest speaker or participates in a social event, such as gathering for Half Price Apps, watching movies, participating in local service projects, or hanging out a barbeque. Guest speakers converse with the group about relevant topics such as faith, relationships, service, using your talents, humility, and vocations. The purpose of Dante Deo is to increase opportunities for fellowship, grow, and strengthen students’ interest in both Catholic and Christian beliefs, develop student leaders with high integrity, values and morals, and to increase students’ volunteer activity in our local community. Students do not have to be Catholic to attend Dante Deo. We meet in the Housing Commons TV room every Tuesday night at 8:00 p.m. For more information and to keep up-to-date with our group activities, please search our Facebook group “Dante Deo” and click “Join Group”. All are welcome to join us on Tuesday evenings as we discuss topics that matter and make friends not just for college, but for life.

Testing

Academic Assessment, Placement and Retesting Policy

<http://docs.bartonccc.edu/procedures/2500-academicassessment.pdf>

Placement Testing

Barton Community College placement testing determines readiness for college level coursework. Students entering college for the first time without placement scores must take the Accuplacer test. Students must have test scores on file if they are pursuing a certificate or associate's degree or are enrolling in a general education class requiring specific test scores. Placement test scores will be used to place students in the appropriate English, Reading, or Math course.

Students should understand the high-stakes nature of these tests in determining their placement in college classes. These tests measure academic capability and should not be confused with tests measuring intelligence or ability. Testing provides both the student and the advisor an effective tool to best position the student for academic success. Through enrollment in proper courses, students are more likely to meet their academic goals.

Barton will accept SAT, ACT, Accuplacer, ASSET, or COMPASS scores if they are less than five (5) years old. Students without placement scores will take the Accuplacer test. Students who need to complete the Accuplacer test should contact the Testing Coordinator at placementtesting@bartonccc.edu.

Individuals requiring testing accommodations due to disability should contact disabilityservices@bartonccc.edu or call **(620) 786-1102**.

Effective with Spring 2019 Session 3, students that fail to submit proper prerequisite documents or successful Accuplacer scores by midnight (CST) on the 1st Monday of the session, will not be allowed to enroll in their prerequisite course(s) for the selected session.

Proctoring: Proctoring services are available for campus make-up exams, and for Barton Online exams.

Testing for non-Barton students is available for a fee of \$25 per test/per sitting.

ACCUPLACER: A computerized untimed placement test used to determine the level of math, English, and reading in which a student would be most successful.

CLEP & DANTES: An instrument provided by Education Testing Service which allows you to receive credit for informal learning by "testing out" of entry -level classes. Fees are paid directly to CollegeBoard/CLEP. Barton charges a \$25 administration fee. Military personnel wishing to take a CLEP test may qualify for DANTES funds.

Traffic Enforcement Policy

The Board of Trustees of Barton Community College has given the Director of Campus Safety the authority and responsibility to control and regulate traffic on property owned or controlled by the College. Rules must be established and followed so as to control traffic and parking while on College property. The following is a general outline of the traffic and parking policy of Barton Community College.

Traffic Control

Traffic control signs are placed throughout the college campus. These signs all conform to Kansas Statutes in K.S.A. Chapter 8, which is the chapter that deals with traffic signing and traffic control. All signs are approved by the State Highway Traffic code as authorized signs and are all recognized traffic control signs. Signs are placed so as to control traffic in the safest possible manner without being a burden upon any person wanting to drive upon the campus. Violations of traffic control signs (speeding, no parking, fire zones, handicap parking, etc.) may either be handled by a citation issued and taken care of internally through the college or may be subject to a Traffic Infraction as set forth in Kansas Statute K.S.A. Chapter 8 and a citation issued to Barton County District Court.

Further, legally recognized traffic control, such as curbs painted yellow, parking stalls painted blue with a wheel chair symbol, posted fire lanes, yellow painted areas adjacent to fire plugs etc. will all be enforced and persons parking in these areas will be subject to a citation being issued as described in the previous paragraph.

No motor vehicle, including but not limited to, motorcycles, mopeds, motor scooters, or motorized bicycles will be allowed to operate on sidewalks, pedestrian walks, lawns or grassy areas on campus except for authorized motor vehicles operated by College officials while engaged in business for the College, or utility vehicles operated at the direction of a College official.

Parking Lots

Unlike most other colleges and universities there are no parking stickers required except for housing students. There is no reserved parking for faculty, staff or student personnel with the exception of the lot on the east side of the Technical Building which is restricted to vehicles owned and operated by Barton Community College and the lots located between and east of the student housing area. Housing students are expected to park in the parking lots provided for them and for which they are issued a parking permit. Other students, faculty and staff are not permitted to park in the student housing parking lots with the exception of the Coordinator of Student Housing and the Assistant Coordinator of Student Housing.

In the few lots where parking is restricted, each area is clearly marked with signs designating the parking restrictions and will be enforced.

POLICIES & PROCEDURES

Handicapped Parking

Students, faculty and staff with permanent or temporary health disabilities that impair their mobility may receive special parking privileges. Those persons who have a physical handicap may park in an authorized handicap zone while displaying either an official rear mirror hanging permit or disabled license tag issued by the State of Kansas. Campus Safety will issue a temporary permit. The permit may be picked up at the Campus Safety Office in the Technical Building, Room 154.

Any person caught using an official handicap permit or tag who is not impaired or anyone using a forged handicap permit will be issued a Notice to Appear in Barton County District Court.

Payment of Fines

Fines, having been previously set, are noted on the citation issued by a Campus Safety Officer.. Fines may be paid any weekday during normal working hours at the Business Office located in the Kirkman Activity Center. Fines may also be paid by mail with a personal check or money order made payable to Barton Community College, and addressed to Business Office, Barton Community College, 245 NE 30 RD, Great Bend, KS 67530.

Students may be denied enrollment for another semester as long as the fine is unpaid.

Any student who leaves this college without paying an outstanding fine will be unable to have his or her transcript transferred to any other school so long as the fine is unpaid.

Student Housing Parking

Residential parking is confined to the following areas:

- North Meadowlark Halls
- South of Bison Halls
- Between Cottonwood Hall & Bluestem Hall

Parking in these housing parking lots at any time is restricted to vehicles that have residential parking stickers or temporary visitors parking permit. Vehicles parked in these lots without the proper stickers or permits are subject to tickets and fines.

No overnight parking:

- Fine Arts Building parking lot
- Student Union/Classroom Building parking lot

No overnight parking is from midnight till 6:00a.m. The same time as labeled for overnight visitation.

Parking stickers are required and may be obtained at no charge from Campus Safety. Visitors will also need a parking pass before taking a space in one of the housing parking areas.

Parking stickers are to be placed on the bottom corner of the driver's side of the rear window. Visitor's parking pass must be placed on the front dash.

Permits must be displayed at all times when parked in the student housing parking areas. Vehicles that display parking permits which are not in the designated location will be considered invalid and a citation may be issued. No vehicles are allowed to park or drive on the sidewalks or grass. There's camera coverage in the large parking lot between the Cottonwood & Bluestem Halls.

or license tag issued by the State of Kansas. Campus Safety will issue a temporary permit. The permit may be picked up at the Campus Safety Office located in the Technical Building, Room 154. Unmarked vehicles will be fined.

Student Code of Conduct

Barton County Community College will establish and maintain a fair and equitable procedure for addressing student disciplinary matters ensuring that the rights of the students, the College community, and the community-at-large are protected.

<https://docs.bartonccc.edu/procedures/2611-studentcodeofconduct.pdf>

Purpose

The objectives of the disciplinary process at Barton County Community College are:

1. To protect members of the campus community from harm due to the indiscretions of the few members of the community who are unable, or unwilling to respect the rights of others;
2. To help ensure order in the College community;
3. To create an environment that enhances the opportunity for learning;
4. To protect the rights of members of the College community and the community at large; and
5. To assure students due process when they have been charged with violating College rules and regulations.

Definitions

The following terms used in this Code are defined:

1. "College" means Barton County Community College.
2. "Faculty member" means any person employed by the College to conduct classroom, lab, interim experiences, or clinical activities. As necessary, faculty may tutor students.
3. "College official" includes any person employed by the College, performing assigned administrative or professional responsibilities.
4. "Student" includes all persons taking courses at the College, both full- and part-time, as well as those participating in all outreach programs, off-campus programs, and such other activities as may be sponsored by the College.
5. "College premises" includes all land, buildings, facilities, and other property in the possession of or owned, used, rented or controlled by the College.
6. "College campuses" includes the land and buildings on which Barton Community College's traditional Barton campus exists, the Golden Belt One Stop Facility, as well as the Grandview Plaza, Fort Riley and Fort Leavenworth campuses.

10. "Bystander engagement" is the purposeful intervention of someone who is present during and witness to an incident.
11. "Preponderance of evidence" is the standard of proof established for conduct investigations. The preponderance of evidence (i.e. just enough evidence to make it more likely than not) standard differs from the standard used in criminal investigations which is "beyond a reasonable doubt."

POLICIES & PROCEDURES

Bystander Engagement: The welfare of members of our community is of paramount importance. At times, students on and off-campus may need assistance. The college encourages students to offer help and assistance to others in need. Sometimes, students are hesitant to offer assistance to others, for fear that they may get themselves in trouble. (For example, a student who has been drinking might hesitate to help take a sexual misconduct victim to the Campus Safety Office.) The college applies a policy of limited immunity for students who offer help to others in need. While policy violations cannot be overlooked, the college will provide educational options, rather than punishment, to those who offer their assistance to others in need.

Unacceptable Behavior

The following constitute some of the conduct violations that may result in disciplinary action being taken against the student. The list is not intended to be all inclusive but is intended to be used as a guide.

The student is advised that specific career technical programs, as well as Barton athletic programs, communication and performing arts programs, and other student organizations publish student handbooks and program guidelines with policies and procedures associated with their respective programs. Students are advised that in addition to the guidelines and expectations outlined herein, they are expected to comply with the policies and procedures applicable to the programs with which they are affiliated. Students in these programs are entitled to the same due process as all other students.

Students attending Barton as part of an MOU with the Department of Defense to provide educational opportunities on a military installation are governed by any code of conduct or behavioral expectations dictated by the military. Any conduct violations, investigations, and/or action taken will be the purview of the appropriate military authority designated to handle such matters.

6. Obstructing or restraining the lawful movement of another and thereby causing personal or campus disorder.
7. Obstructing or disrupting a police response or the response of College Safety Personnel.

POLICIES & PROCEDURES

15. Disruption of the learning environment or any behavior that detracts from the goals of or diminishes the dignity, respect, or worth of other students on campus. This includes: overt disrespect for the ideas and opinions of others; disruptive talk during class; and bringing activated electronic devices to classes or computer labs without prior approval.
16. Verbal or written communication that has the intent or effect of subjecting any individual or group to hatred, contempt, ridicule, racist slurs, or intimidation and thereby injures the person, property, or reputation of another.
17. Discrimination, harassment or retaliation including harassment based on race, color, religion, sex, sexual orientation, national origin, age, disability, or status in any group protected by state or local laws and including all forms of sexual harassment. (See Policy 1130, Procedure 2122 - Anti-harassment.)

31. All forms of academic dishonesty. (See Policy 1501, Procedure 2502 – Academic Integrity.)
32. Violation of any other published College policies, rules or regulations.

Student Rights for Due Process

To protect students from capricious disciplinary action, all proceedings which may lead to suspension or expulsion and/or dismissal from a college program must be conducted in a manner which insures the charged student due process. The basis of due process is the method by which substantive rules are effectuated in a society. The key is how rules are implemented so that fair play and justice are generally recognized as being present. The following elements must be included to guarantee due process:

1. Jurisdiction: The parties must be amenable to the power wielded by the disciplinary body.
2. Notice: A concise, specific statement, in writing, of the charges (the specific facts and acts). A time and place for the hearing must be specified.
3. Testimony: The right personally to give testimony and to have others give testimony.
4. Impartiality: An impartial body to determine the facts and whether they (the facts) fit the rule. "Impartial" does not necessarily mean that they have no knowledge of the facts – it is not necessary in an administrative hearing.
5. Student Advocate: The student is allowed to bring an advocate to all hearing procedures or have one appointed for him/her if so requested.
6. Documentation: The proceedings shall be recorded.

POLICIES & PROCEDURES

Disciplinary Procedure

Whenever a complaint is made against any student for misconduct, the Vice President of Student Services or such other person as may be designated by the President shall conduct an investigation of the allegations as soon as possible (generally, for Offenses Against the Academic Community the President will designate the Vice President of Instruction and Student Services). The Vice President of Student Services or such other person as designated by the President is authorized to take any interim action necessary to maintain campus safety, integrity of the process, and/or protection of student rights and institutional rights during the formal investigation and determination process.

The student shall be given written notice of the complaint and charges against him/her within five (5) College business days of receipt of the complaint. If a student is under the age of eighteen (18) years, a copy of the notice may be sent to the parents or guardian of the student. The student shall have five (5) College business days after receipt of the notice to respond in writing to the charges. If it is necessary to mail notice to the student, he/she shall have seven (7) College business days after the date of mailing to respond in writing to the charges.

The Vice President of Student Services or such other designee of the President shall, as soon as possible after the investigation, render a decision that may include dismissal of the complaint or imposition of any discipline set forth herein. Notice of the decision shall be served upon the student in person, by certified mail, or by regular mail. If a student is under the age of eighteen (18) years, a copy of the decision may be sent to the parents or guardian of the student.

Disciplinary Action

If the Vice President of Student Services or other designee of the President finds that the student has violated College policy, rules, or regulations, disciplinary action shall be taken. The Vice President of Student Services or other designee shall impose such discipline as he/she determines is warranted taking into consideration the seriousness of the offense. For more complicated incidents, the Vice President of Student Services or other designee may seek the input of a Review Board before determining discipline. The Review Board, if utilized, shall be chosen from members of the College Student Life staff. Individuals who serve on a Review Board would not later be eligible to serve on an Appeals Committee, should an appeal follow imposition of disciplinary sanctions. Permissible actions include but are not limited to: written reprimand, community service, fines, probation, full or partial suspension from classes, expulsion from housing, and/or expulsion from school. Disciplinary action may also include a bar against readmission to the College.

Right of Appeal

Any decision of the Vice President of Student Services or such other person as designated by the President may be appealed by the accused or the complainant within five (5) College business days of the receipt of the decision. Such appeals shall be in writing and shall be delivered to the President of the College.

A student who fails to file a written notice of appeal in the President's Office, within the times specified waives the right to appeal.

Status Pending Appeal

Any disciplinary action imposed shall remain in effect during the appeals procedure, unless otherwise directed by the President of the College.

An appeal shall be conducted for one or more of the following purposes:

- To determine whether the original process was conducted fairly a) in light of the charges and evidence presented, and b) in conformity with prescribed procedures. This gives the complaining

POLICIES & PROCEDURES

party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and gives the accused student a reasonable opportunity to prepare and to present a rebuttal of those allegations.

- To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
- To determine whether the sanction imposed was appropriate given the violation of the Student Code that occurred.
- To consider new evidence sufficient to alter a decision or other relevant facts not brought out in the original process, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

If the President or designee determines, in his or her sole discretion that the written appeal fails to meet the Standard for Appeal (noted above), he or she will inform the student in writing. If the written appeal submission fails to meet the Standard for Appeal, the matter is concluded and no further action will be taken.

Composition of Appeals Committee

The President of the College shall name an Appeals Committee Facilitator to conduct a formal Appeals Hearings in order to review the charges and imposed sanctions. The Appeals Committee shall consist of six (6) members, selected by the Facilitator and approved by the President, two of which shall be from the faculty, two staff, and two representatives from the student body. At any hearing before the committee, at least four (4) members shall be present to constitute a quorum in order to transact the business of the committee. Any member of such committee directly involved in the outcome of a hearing, or who believes they have a conflict of interest rendering them to be perceived as being incapable of providing an impartial decision, shall disqualify him/herself from the hearing and the Appeals Committee Facilitator shall appoint a person to take his/her place.

Hearing

The Appeals Committee shall set a hearing as soon as possible after the hearing has been approved. Notice of the time, date, and place of the hearing shall be given to all parties in writing no less than three (3) College business days prior to the hearing.

It is the hope of the College that disciplinary matters will be handled by members of the College community, and legal counsel will not ordinarily be present to represent the College. However, if the student is to have a professional legal advisor present (which will be at the student's expense) at any hearing, the student must notify the President's Office not later than forty-eight (48) hours before the scheduled time of the hearing, in which event, the College may, in its discretion, be represented by counsel.

A student failing to appear before the Appeals Committee at the designated time, shall forfeit any right to appeal or seek further relief of the decision.

Proceedings before the Appeals Committee shall be recorded electronically or via written minutes. Recordings and communications related to the disciplinary procedure and resulting actions shall not be considered a public record as that term is defined by the Kansas Open Records Act.

Decision

Upon the conclusion of the hearings, the Appeals Committee, by majority vote, shall decide whether the student has violated the Student Code of Conduct and whether the sanction imposed fits the nature of the violation. The Appeals Committee may uphold, modify, or completely reverse the original decision as appropriate. (Continued pg. 51).

The following chart identifies a sample of conduct violations and related sanctions. The chart is not intended to be an exhaustive list of all possible violations. The sanctions noted could result from any type of policy violations. Any disciplinary action may be taken and does not depend on the issuance of a lesser action.

POLICIES & PROCEDURES

Problem Resolution Policy & Procedure

Barton is committed to providing the best possible learning environment for its students.

Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from Barton faculty, staff, and/or administration. This policy does not apply to student discipline or grade appeals. For disciplinary issues, please refer to the Barton Community College Student Code of Conduct policy located in this policy manual as well as the Student Handbook.

Problem Resolution (Students)

The College encourages an open and frank atmosphere in which problems, complaints, suggestions, or questions receive a timely response. If a student disagrees with established rules of conduct, policies, practices, or if they feel their rights have been infringed on, they may express their concern through the problem resolution procedure. Limitations and acknowledgements include:

- No student will be penalized for using the problem resolution procedure, or for voicing a concern in a timely and business-like manner.
- A student may discontinue this procedure at any step.
- Strict adherence to the noted timelines will be enforced.
- Students seeking resolution of concerns resulting from **academic program dismissal** may start with the second section of this procedure, "*Appeals of Academic Dismissal*".
- This procedure **does not apply** to a student who wishes to appeal sanctions imposed by student services or instructional personnel; the information regarding student right to appeal is available in procedure #2611 Student Code of Conduct.

If a student believes a conflict they are experiencing needs to be resolved, or feels a decision affecting them is unjust or inequitable, they are to resolve the problem by following the steps outlined below.

1. Within five college business days of the action resulting in a concern:
 - a. The student is to seek problem resolution informally, at the lowest level possible. For example, if the concern lies with an instructor the student will discuss the concern with the instructor.
 - b. If after the discussion, the student remains dissatisfied, the concern may be formalized by proceeding to Step 2.
2. Within five college business days of completing Step 1:
 - a. The student may advance their concern to the appropriate College Dean or designee.
 - b. The Dean or designee will discuss the student's concerns and attempt to assist in formalizing the concern via the Problem Statement form (hard-copy or electronic).
 - c. Once the completed Problem Statement is received by the Dean or designee, the situation will be investigated and a written resolution will be provided to the student within five college business days¹.
 - d. If the student remains dissatisfied following the Dean or designee's written decision, the student may proceed to Step 3.
3. Within five college business days of receiving the Dean or their designee's written decision:
 - a. The student may appeal to the Vice-President of Administration, Vice- President of Instruction or Vice-President of Student Services if at least one of the following statements is true:
 - i. New evidence exists which was not presented to the Dean or designee in Step 2.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Dean or designee, etc.).

POLICIES & PROCEDURES

- b. The student meeting at least one of the above parameters submits the following for consideration:
 - i. The original Problem Statement as submitted to the Dean or designee.
 - ii. The written decision received from the Dean or designee.
 - iii. The required additional evidence noted in 3a above.
 - c. The Vice President will provide a written decision to the student within five college business days¹.
4. Within five college business days of receiving the Vice President's written decision:
- a. The student may pursue review by the President if at least one of the following statements is true:
 - i. There is new evidence which was not presented to the Vice President in Step 3.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Vice President, etc.).
 - b. The student provides all pertinent written documentation to the Administrative Assistant to the President and schedules a meeting with the President (note that meeting may occur in person, via electronic means, or via phone).
 - c. The President will review the student's appeal, review available documentation, and present the student with a written determination within five college business days¹. The President's decision is final.
5. If resolution is not reached, the student may address their concerns with the Kansas Attorney General's Office of Consumer Protection:
Consumer Protection Hotline: 1-800-432-2310 or (785) 296-3751 Fax: (785) 291-3699.

Appeal of Academic Dismissal

1. Within five college business days of academic program dismissal, the student is to submit written documentation to the Vice President of Instruction's Office explaining their situation (documentation may be hard-copy or electronic). This written documentation is to include:
 - a. Student's name and Barton ID number
 - b. Name of the academic program and date of dismissal
 - c. Name of the Instructor/Coordinator/etc. who conveyed program dismissal information
 - d. Any documentation provided to the student at the time of dismissal
 - e. Student explanation of why re-instatement in the academic program is warranted and any supporting documents
2. The Vice President of Instruction will convene a three member Appeals Committee which will include the Vice President of Student Services, the EEOC Liaison, and the Vice President of Instruction (a substitution will occur in instances where availability unduly delays assembling committee) to review and discuss the dismissal.
 - a. The academic program representative will be contacted to also provide documentation relevant to the dismissal.
 - b. Within five college business days of this meeting¹, the student will be notified of the Appeal Committee's determination.
3. Within five college business days of receiving the Appeal Committee's decision:
 - a. The student may pursue review by the President if at least one of the following statements is true:
 - i. There is new evidence which was not presented to the Appeal Committee.
 - ii. Evidence exists of process failure (i.e. the student was treated unfairly by the Appeals Committee, etc.).
 - b. The student provides all pertinent written documentation to the Administrative Assistant to the President and schedules a meeting with the President (note that meeting may occur in person, via electronic means, or via phone).
 - c. The President will review the students appeal, review available documentation, and present the student with a written determination within five college business days¹. The President's decision is final.

POLICIES & PROCEDURES

¹The College recognizes in some cases five working days may not be enough time to perform a thorough investigation into the student's concern. When this occurs, the responding party will notify the student in writing, including the reason for the delay along with the anticipated additional time needed to address the concern. This notification should be maintained as part of the investigative file.

Civil Rights Equity Resolution for all Students, Employees, Guests, and Visitors (Title IX & other anti-discrimination information)

Barton Community College adheres to all federal and state civil rights laws banning discrimination in public institutions of higher education.

-
- The College will not discriminate against any employee, applicant for employment, student or applicant for admission on the basis of any protected status.
- Barton Community College has established a detailed policy and procedure associated with all forms of discrimination including sex discrimination (which includes sexual harassment, sexual misconduct, and sexual assault/violence). Cheryl Brown serves as the Title IX Coordinator and oversees implementation of the policy. That policy and procedure can be found online at https://docs.bartonccc.edu/policies/1132-Civil_Rights_Equity_Resolution.pdf.

Cheryl Brown serves as the Title IX Coordinator and oversees implementation of the College's policy on sexual harassment and misconduct, and nondiscrimination. Reports of discrimination, harassment and/ or retaliation should be made to the Title IX Coordinator promptly. There is no time limitation for the filing of complaints. If the accused person is no longer enrolled or working at the College, the complainant is still entitled to supportive measures. The College acts promptly on all reports, and every effort is made to preserve the privacy of reports.

How to report an incidence of sexual harassment, sexual misconduct, or sexual assault:

- Making a report is not the same as filing a complaint!
- You can report to the Title IX Coordinator in L-138 at **(620) 786-7441**, or to Campus Safety Officers.
- You may report directly to activity directors, advisors, coaches, faculty, student services personnel and support staff, who must then report to the Title IX Coordinator.
- The above two reporting option will provide referral to appropriate resources and keep private personal identifying information.
- Anonymous or third party reporting may be made via electronic reporting form at <https://bartonccc.edu/title-ix> and click on file-a-report. If you report this way, please know that Barton may be limited in how it can respond.
- You can report to the Barton nurse at **ext. 233 (620) 792-9233** or in U 206, or the Barton counselor at **ext. 295 (620) 792-9295** or in L 139. Because of their professional licensing, these people keep your report confidential.
- You may also contact off-campus clergy, off campus domestic/sexual violence resources or counselors or crisis centers, or local or state assistance agencies.
- The last two options can allow for complete confidentiality yet provide referral assistance. However, strict confidentiality may prevent certain provisions or protections from full implementation.
- **To report immediate threats or for emergency assistance, call 911.**

Any online postings or other electronic communication by students, including cyber-bullying, cyberstalking, cyber-harassment, etc. occurring completely outside of the College's control (e.g. not on Barton Community College networks, websites or between college email accounts) will only be subject to this policy when those online behaviors can be shown to cause a substantial on-campus disruption. Otherwise, such communications are considered speech protected by the 1st Amendment. Off-campus discriminatory or harassing speech by employees may be regulated by the College when such speech impacts an employee's official or work-related capacity outside of work.

POLICIES & PROCEDURES

Retaliation is defined as any adverse action taken against a person participating in a protected activity such as alleging harassment, supporting a party bringing a grievance or for assisting in providing information relevant to a claim of harassment. Retaliation is a serious violation of College policy and will be treated as another possible instance of harassment or discrimination. Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will result in a prompt investigation. Barton Community College is prepared to take appropriate steps to protect individuals who fear that they may be subjected to retaliation.

Supportive Measures are adjustments to course schedules, housing assignments, student employment and other actions that may be arranged by the College to address the short term effects of harassment, discrimination or retaliation. Should a student make a report of sexual misconduct or other discrimination, or be the focus of a complaint, a variety of supportive measures can be deployed to redress harm to those involved and prevent further violations.

Consent is knowing, voluntary and clear permission by word or action, to engage in mutually agreed upon sexual activity. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to make certain that the other has consented before engaging in the activity. For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct.

A person cannot consent if he or she is unable to understand what is happening or is disoriented, helpless, asleep or unconscious for any reason, including due to alcohol or other drugs. An individual who engages in sexual activity when the individual knows, or should know, that the other person is physically or mentally incapacitated has violated this policy.

One's own intoxication/incapacity is not an excuse for failure to recognize the incapacity of the other. This policy also covers a person whose incapacity results from mental disability, involuntary physical restraint and/or from the taking of incapacitating drugs.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous dating relationship is not sufficient to constitute consent. Silence or the absence of resistance alone is not consent. A person can withdraw consent at any time during sexual activity by expressing in words or actions that he or she no longer wants the act to continue, and, if that happens, the other person must stop immediately

ACADEMIC INFORMATION

ACADEMIC INFORMATION

Academic Information

While enrollment at Barton Community College is not compulsory, the philosophy of the institution protects the equality of opportunity of all persons qualified to attend. Further, the enrollment of a student at the College is a voluntary entrance into the academic community wherein the student assumes obligations of performance and behavior reasonably imposed by the institution relevant to its lawful missions, processes and functions.

Such obligations may be higher than those imposed on all citizens by the civil and criminal law. No student may, without liability to lawful discipline, intentionally act to impair or prevent the accomplishment of pursuits of the institution. The College, on the other hand, pledges to uphold fundamental concepts of integrity and justice.

A student does not surrender rights as a citizen upon enrollment in this College; rights and freedoms, however, like those of any citizen, are not unlimited and expectations for student behavior (both in and out of the classroom) are explained in more detail below. The College has an obligation not to submit to intimidation, violence or disruptive behavior. The academic policies that follow are for your information. We hope you find them helpful. For information or clarification, please contact the Office of Learning and Instruction.

Academic Clemency Policy

Barton County Community College seeks to provide a supportive and challenging environment in which students can improve their basic intellectual skill and equip themselves for a fulfilling life and responsible citizenship in a world characterized by change. We acknowledge that there are circumstances that necessitate an academic "fresh start" and offer academic clemency as a means to make academic rehabilitation possible. <https://docs.bartonccc.edu/procedures/2503-academicclemency.pdf>.

The following criteria are effective as of Fall 2006:

- A. Applicants for academic clemency are eligible to apply for clemency after a two-year waiting period from the date of their respective academic "crisis."
- B. Applicants for academic clemency must demonstrate improved academic performance in the semester(s) subsequent to their academic crisis (i.e., at least 12 credit hours and a 2.5 grade point average) to be eligible for clemency.
- C. No more than 1-2 consecutive semesters of clemency may be considered.

The following limitations apply:

1. Applicants receiving academic clemency are not eligible for graduation with honors at Barton County Community College.
2. Applicants may receive academic clemency only once.
3. Only course credit earned at Barton County Community College is eligible for academic clemency.
4. Courses which the student can retake as part of the student's current program of study are not eligible for academic clemency.
5. The courses for which the student is given academic clemency will remain on the transcript, but grades received in those courses will not be used to calculate the student's cumulative grade point average (GPA). Courses remain on the transcript but are coded with a CL grade. Hours are included in attempted hours only.

The process for applying for academic clemency:

6. Applicants must obtain, complete, and sign the application for clemency and submit all supporting documentation to the Registrar.
7. Such action shall take place within 30 working days of the receipt of the request. Applicants for academic clemency are asked to identify a limited number of courses (no more than 7) within

ACADEMIC INFORMATION

- the stated period (1 – 2 consecutive semesters), and include this information with documentation regarding their clemency appeal.
8. Applicants must acknowledge the circumstances surrounding their academic crisis, and explain what they have done to effect recovery.
 9. Although the final decision remains with the Vice President of Instruction, the decision-making process shall be informed by the recommendation(s) of the respective associate dean(s), and/or the respective faculty.
 10. If, in the decision-making process, there is not clear consensus, an ad hoc committee shall meet and make a recommendation to the Vice President of Instruction. The membership of the committee shall include the respective faculty member(s) and appropriate associate dean(s).
 11. The decision of the Vice President of Instruction is final.

Academic Integrity

Academic Integrity is scholarship based on honesty, trust, respect, responsibility, fairness, and courage. Barton Community College pledges to uphold these core values of integrity in all aspects of instruction. Students will be the original authors of submitted work and properly acknowledge outside sources, and another's work or ideas. These core values are integral parts of academic success that directly translate to expectations and values in students' future careers. <https://docs.bartonccc.edu/procedures/2502-academicintegrity.pdf>.

In support of these core values, modeled after those established in The Fundamental Values of Academic Integrity 2nd ed. (Fishman, 2013), Barton provides the following definitions:

HONESTY: Barton advances the quest for truth and knowledge by requiring intellectual and personal honesty in learning, teaching, research, and service. The student is the original author of submitted work and properly acknowledges outside sources, and another's work or ideas.

TRUST: Barton fosters a climate of mutual trust, encourages the free exchange of ideas, and enables all to reach their highest potential. The student produces their best work to ensure trust is preserved.

RESPECT: Barton recognizes the participatory nature of the learning process and respects a wide range of opinions and ideas. The student shows respect by attending class prepared to participate, which includes listening to classmates' and instructors' opinions, while working to the highest level of their competence.

RESPONSIBILITY: Barton upholds personal responsibility in the face of wrongdoing. The student upholds personal responsibility in the face of wrongdoing.

FAIRNESS: Barton fosters an environment of fairness and consistency by establishing clear standards, practices, and procedures and expects cooperation in the interaction of students, faculty, and administrators. The student acts in the spirit of fairness of all established standards, practices, and procedures and will take the initiative to seek out further information when unsure of said standards, practices, and procedures.

COURAGE: Barton supports its expectations, standards, and practices with action. The student acts courageously despite the concern of repercussions and in accordance with personal and institutional values.

Honor Code

In all aspects undertaken by students, faculty, staff and all other stakeholders of Barton Community College, the following pledge applies:

On my honor as a Cougar, I am acting with integrity in academics. I am acting per personal and institutional values and refraining from any form of academic dishonesty, and I will not tolerate the academic dishonesty of others.

Academic Progress

To meet the required academic and progress performance standards of Barton Community College, a student should consider the following:

Academic Standing

If your scholastic performance appears to offer little prospect of academic success, you may be dismissed with or without privilege of reinstatement. You may not petition for reinstatement until one semester has expired after academic dismissal from the College.

Procedures Governing Academic Warning and Dismissal

If you have not accumulated a 1.5 GPA when 24 credit hours have been attempted you will be placed on a one-semester warning. This academic warning is designed to alert you that you may encounter difficulty in meeting graduation requirements and steps should be taken immediately to improve your academic status. You must have a 2.0 GPA when you have attempted 48 hours. If the cumulative GPA is below this minimum, you will be placed on academic warning after one semester. (Note: All computations are based on A, B, C, D, or F grades).

Dismissal

If you have been placed on academic warning for one semester and do not raise your GPA to the minimum requirements as outlined, you will be dismissed for one semester. However, you will not be dismissed at the close of a semester or summer term during which you achieved a "C" (2.0) average or better.

Reinstatement

If you have been dismissed from the College for poor academic progress, you will be provided a period of at least one semester during which you may reconsider and re-evaluate your academic goals. At the end of the dismissal period, you may apply for admission to the College by filling out a regular application for admission form. You will not be allowed to enroll in more than 12 credit hours for the first semester of attendance after a period of dismissal.

Appeals

Any person limited by these regulations who has marked improvement or who believes he/she has been affected unfairly may appeal to the Enrollment Services Office.

ACADEMIC INFORMATION

Adding/Dropping Classes

Adding Classes

Day and evening classes may be added through the first week of a semester only. After the official closing dates for adding classes, you must first receive permission from the Vice President of Instruction for one additional week to enroll. This procedure does not include "mini-classes" or classes taught for more or less weeks than the regular full semester. Change-of-Schedule forms may be picked up from the Enrollment Services Office, Advisement Center, or from Advisors.

Dropping Classes

Courses dropped through the first two weeks classes in both the fall and spring semesters and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and the 10th day of classes in the summer session, a "W" will be recorded for courses dropped officially. Final drop dates are published in bulletins, Student Handbooks and the Enrollment Services Office. Change-of-Schedule forms may be picked up from the Admissions Office, Enrollment Services Office, Advisement Center, or from advisors. Students are responsible for dropping classes and are required to visit with instructors or an advisor before dropping classes.

Course (Drop Date)

The last day to drop a course with a "W" grade shall be 10 days before the end of the semester (Fall and Spring Semesters only.)

Things to Consider Before Dropping a Class

- If you receive FINANCIAL AID, will dropping the class affect your financial status?
- If you need 12 hours or more for INSURANCE, will dropping the class affect your eligibility?
- If you are an ATHLETE, will dropping the class affect your eligibility?
- Have you talked to your INSTRUCTOR about dropping the class? Perhaps things aren't as bad as they seem. Have a talk with your instructor.
- Is the course you want to drop going to be offered again when you need it? Some classes are only offered one semester a year. It may be a year before you can re-enroll.
- Are you WORKING too many hours? It is likely that by just cutting down your work hours, you will be able to do better in the class.
- Have you tried the tutoring services in the Library? Student Services provides free tutoring.

Grading System

Grade		Grade Points Per Credit Hour
A	Excellent	4
B	Above Average	3
C	Average	2
D	Below Average, Passing	1
F	Failing	0
XF	Violation of Academic Integrity and Failing	0
P	Pass-Credit Only	not computed in cumulative grade point average*
I	Incomplete	no credit**
W	Withdrawn	no grade computed, no credit***
AU	Audit	no grade computed, no credit****
CL	Academic Clemency	no grade computed, no credit*****

* Certain courses may be offered in which you are graded only as having passed or failed. The courses are added to your credit hour total but are not included in the grade point average.

** An incomplete "I" is a temporary grade, agreed upon by the instructor, and awarded to a student that is unable to complete course requirements by the end of the academic term.

*** Your withdrawal from courses through the 20th day of classes in both the fall and spring semester and through the 10th day of classes in the summer session will not be recorded on a transcript. After the 20th day of classes in the fall and spring semesters and after the 10th day of classes in the summer session, a "W" will be recorded for courses withdrawn from officially. After the final drop date published each semester, official class withdrawals will not be processed.

**** You may audit a class by enrolling in the class and paying the current audit fee per credit hour. You must declare that you are auditing the class and file with the Office of Enrollment Services at the College an "Audit Declaration Form" prior to the beginning of the semester.

***** If you have gone through the academic clemency appeal process and have been awarded clemency for certain courses, your initial grade will be changed to a "CL." The "CL" grade will not average into your GPA.

Special Note: A student may retake a course to improve the grade only if the course is not designated as repeatable in the master course list. The repeat grade will be used to determine the student's grade point average regardless of whether it is higher or lower than the original grade. The original grade and credit are not counted, although they remain on the transcript. Before retaking a course, students should check with their advisor to determine whether the course can be repeated for the purpose of improving the grade.

ACADEMIC INFORMATION

Graduation

Catalog Requirements

Students who remain continuously enrolled from time of entry to application for graduation will be held to the catalog requirements in effect when they declare their program of study, unless a later catalog is adopted. "Continuous enrollment" refers to annual Fall and Spring semester enrollment (or equivalent) in a minimum of at least one credit bearing course per semester. Should a student's enrollment be interrupted, they will be held to the guidelines and requirements of the catalog of record at the time of program re-entry.

This guideline does not apply to students with documented leave of absence justification or members of the military involved in deployment operations. Changes to prerequisites and/or curriculum which occur for purposes beyond graduation – e.g. regulatory and legislative updates, third party accreditation or other certification bodies requirements, increased skill demand from industry, employment or transfer requirement changes, or recommended and/or mandated changes from the Kansas Board of Regents or other such entities are not subject to these catalog requirements.

Dual Degree(s)

A student may apply and pay the graduation fee for the receipt of more than one degree from the College, provided they have met the following requirements for the additional degree:

- A minimum of 15 Barton hours of credit completed in addition to meeting the requirements of the first degree.
- Dual degrees can be sought and awarded within the same semester.
- At least 15 hours must have been taken at the College.

Grades

Students must achieve an overall 2.0 grade point average to be eligible for graduation.

Intent to Graduate

Applying for graduation is not an automatic process; you must file a notice of intent to graduate and pay applicable fees if you wish to receive an Associate's degree from the College. This notice of intent must be filed with the Enrollment Services Office by filling out the College's Application for Graduation.

Priority Graduation Application Deadlines

February 1st - Spring Graduation

June 1st - Summer Graduation

September 1st - Fall Graduation

Transfer and Articulation Agreement

If you complete an Associate in Arts or Associate in Science degree based on a baccalaureate-oriented sequence at a state and regionally accredited Kansas public community college and your program of study has met the requirements of the Kansas Public Community College-Kansas Regents Transfer Agreement and Articulation Guide, you will be accepted with junior standing and will have satisfied the general education requirements of all Regents universities. Your advisor will have information on the agreement to help you plan your course schedule.

ACADEMIC INFORMATION

Honors

Highest Honors

If you complete all requirements for an associate's degree with a GPA of 3.7 or above, you will graduate with highest honors.

Honors

If you complete all requirements with a GPA of 3.5 to 3.69, you will graduate with honors.

Eligibility

To be eligible for Honors or Highest Honors, you must complete 15 credit hours at Barton.

President's List

The President's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 4.0.

Dean's List

The Dean's List is published at the end of every semester. To be eligible, you must successfully complete at least 12 semester hours of college-level course work with a GPA of 3.5 to 3.99. Grades for course work completed outside the traditional semester schedule(s) shall not be included in these GPA calculations.

How To Figure Your GPA

To calculate a grade-point average, add the points earned and divide that total by the number of GPA hours attempted. For example:

Course	GPA Hours	Grade	Points
BSTC 1001	1 hour x	A (4)	= 4 points
PSYC 1002	1 hour x	A (4)	= 4 points
ENGL 1204	3 hours x	D (1)	= 3 points
MATH 1826	5 hours x	C (2)	= 10 points
SOCI 1100	3 hours x	B (3)	= 9 points
COMM 1200	3 hours x	F (0)	= 0 points
Total = 16 GPA Hours			Total = 30 points
$30/16 = 1/875$, or 1.88			

Total is 16 GPA hours attempted and 30 points earned; 30 points divided by 16 hours = 1.88 grade-point average.

Non-Repeatable Courses

Credit

Although there may be circumstances which merit the repetition of a non-repeatable course for credit (i.e., improvement of gpa or satisfaction of course pre-requisite), the results of the repeated course shall apply only once toward graduation requirements.

Grades

When a non-repeatable course is repeated for credit, the most recent grade earned shall be used to calculate the student's grade point average.

ACADEMIC INFORMATION

Policy For Transfer Students

All hours accepted by the College (excluding developmental hours) will be incorporated into your Barton Community College total hours for grade point purposes to determine whether you graduate with honors or highest honors. To be eligible for honors or highest honors, you must complete 15 credit hours at Barton Community College.

Repeatable Courses

A repeatable course can be repeated an additional three times in order to satisfy credit requirements for graduation.

Transcript Request Procedure

Transcripts can be ordered via the Web 24/7 through the National Student Clearinghouse. You can place as many orders as you like in one session using any major credit card. Your card will only be charged after your order has been completed. Order updates are available via mobile text message and will also be emailed to you. You can also track your order online using your email address and order number.

Your signed consent may be required to fulfill your transcript order. For your convenience, a consent form will be generated for your order that you can approve instantly online or return via fax, mail, or as a scanned email attachment.

End of Semester Transcripts

Processing end-of-semester transcripts may take up to a week due to the high volume of requests. If you will need a transcript released after your final grades have been posted, submit your request early in the semester to ensure timely processing. If you want your transcript to be sent after your current semester final grades are posted, select "After Grades are Posted" rather than "Current Transcript." Final grades are official once they are posted in your PAWS account. If your grades are posted in your Canvas shell, please check your PAWS account FIRST before requesting a "Current Transcript" to send. Otherwise use the "After Grades are Posted" option.

Unofficial Transcripts

Unofficial transcripts are available online through your MyBarton Portal for those students that have no outstanding financial obligations on their accounts. Enrollment Services may provide an unofficial transcript to students that are currently enrolled in Barton classes. If a student is no longer enrolled in Barton classes, and a financial obligation exists, unofficial transcripts will not be provided to the student. Advisors and coaches may access unofficial transcripts for purposes of advising, but will not provide the unofficial transcripts to students or third parties outside the institution.
