Know your Campus Safety Officers:

This week's officer is Paul. Paul usually works the evening shifts. He has been at Barton for over 12 years. He is married, has two grown children, and two grandchildren. In his off time, Paul farms and raises cattle. His hobbies include travel, gardening and cooking. Interesting little known fact: Paul was on the test drive team for the original Flintstones-mobile. When you see him, make sure to tell him "Yabba-dabba-doo!"

Stay safe!
