RESIDENCE HALL REQUIREMENTS

Barton requires all full-time Freshman students (those enrolled in 12 or more semester hours with a total of less than 24 successfully passed college credits) to live in college residence halls. A student is exempt from this requirement if he or she meets at least ONE of the following criteria:

- is married,
- is 21 years of age or older,
- has a child or children who reside with him or her,
- is a resident of Barton County or a border county and is residing with parents, legal guardian, or immediate family member of legal age.

ROOMMATES

To select a roommate each party must indicate the other as the requested roommate on the application. However, the College reserves the right to assign or reassign you to rooms at any time during the year, if the need for change arises.

If you request a specific roommate and if you both submit an application/contract, with the required application fee, at the same time then you may be

assigned together. We will make every effort to accommodate roommate requests, however, with numerous competing priorities and appeals, we may not be able to accommodate all requests. Once room assignments and roommate choices are made, notification will be sent out in early July via mail and Barton email. **Please remember to check for emails from Barton in the 'spam' folder of your bartoncougars.org gmail account. If you find emails from Barton in your 'spam' folder, please mark as 'not spam,' to ensure that you receive important and timely information from us.** (As the start of the fall semester draws closer, notification will be made only via email, phone, or upon check-in.)
