FOOD SERVICE

Food service is included as part of the housing package. Menus are planned to meet the preferences and normal nutritional standards of college-age students. Food is served in the attractive surroundings of our Student Union.

Most meals are cafeteria style, and buffet dinners are served on special occasions. For the fall and spring semesters, a 19-meal per week plan is included. (Three meals served five days a week and four meals on the weekends.)

POLICIES

As part of the check-in process, you will complete a form to identify any damages or shortages in your room. When residence in Student Housing is terminated, the

housing staff will use the same form to determine any damage other than normal wear. You will be responsible for the furniture, equipment and general condition of your room.

Student Housing is closed during vacation periods for maintenance and repair.

The following may not be kept in rooms: pets, open heating element cooking equipment, fireworks, and firearms or ammunition, except as set forth in Policy 1160.
