

## ABOUT ME

- I am a "Bernedoodle" (Bernese Mountain dog/ Poodle mix)
- I weigh 65 lbs.
- Several of my siblings are therapy dogs too!

Hi, I'm Luna!

I love being a therapy dog and meeting new people. I am still very young so I have a lot of energy! I love kids, tug-of-war, the snow, neck scratches, and my pink duck toy. I also love to swim and ride in the car!

## FUN FACTS

My best friend is a wiener dog named "Comet".

I look like a completely different dog with my hair cut short!

Training days are the best days!
