Dear Dr. Garrett:

Enclosed are two copies of the 2 + 2 Articulation Agreement between Barton Community College and Emporia State University for the Bachelor of Science in Education – Elementary Education. Sharon Brown from our Elementary Education Advising office worked with Richard Abel and Karen Kratzer to create this articulation agreement. This agreement will provide a seamless transfer process for Barton Community College students wishing to pursue an Elementary Education degree.

Please sign both copies of the agreement. Keep one copy for your records and return the other to us.

We look forward to the first students benefiting from this partnership this fall.

Sincerely,

David P. Cordle  
Provost and Vice President for Academic Affairs

# ARTICULATION AGREEMENT

## Emporia State University and Barton Community College

### Bachelor of Science in Education -- Elementary Education

The purpose of this 2+2 Articulation Agreement is to facilitate the transition of students from Barton Community College to Emporia State University for the purpose of completing the Bachelor of Science in Education (Elementary Education Major) at ESU. In order to maximize the learning opportunities at both institutions and to provide a seamless transfer process for students, Emporia State University and Barton Community College have entered into this Agreement, effective with the 2016-17 academic year.

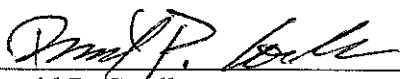

The Agreement enables a student who follows the accompanying four-year academic plan to earn the Bachelor of Science in Education (Elementary Education Major) degree through two years of full-time study at each institution.

The partnering institutions further agree to encourage qualified students to participate in the articulation program through advisement and dissemination of information.

On behalf of the partnering institutions,
