

**ENDS Statement Six
Regional Workforce Needs
Fiscal Year 2010**

Environmental Technology & Military Programs

What drives you?
BARTON
COMMUNITY COLLEGE

The College will address regional workforce needs...

Indicator #1 - The College will develop strategies to identify and address on-going needs

The College's Environmental Technology and Military Programs Division utilize a variety of resources to respond to regional (national) workforce needs. Specific agencies and resources that regulate and assist with the identification of workforce training needs include:

Military Directives

- Military doctrine and service schools (Army Regulations)
 - The Army Training and Doctrine Command (TRADOC)
 - Quartermaster (logistics)
 - Transportation
 - Combat Arms (Infantry, Artillery, Military Police, Engineers, Chemical Corps)
 - U.S. Army Medical Department (AMEDD)
 - Research
 - Laboratory
 - War fighting
 - Training
 - National Guard Bureau
 - Federal regulations
 - State regulations
- Post/State requirements/regulations (Post/Division Regulation Supplements)
- Brigade/Unit requirements (ARTEPS) Army Training and Evaluation Programs

Governmental Directives

- Department of Labor (CFR 29)
 - Occupational Safety and Health Administration
 - General Industry (1910)
 - Construction (1925)
- Department of Transportation (CFR 49)
 - National Highway Traffic Safety Administration
 - Federal Aviation Administration
 - Federal Motor Carrier Safety Administration
 - Pipeline and Hazardous Materials safety Administration
 - Federal Railroad Administration

- **Kansas Department of Transportation**
 - Transportation of Hazmat
 - Transportation Safety

- **Environmental Protection Agency (CFR 40)**
 - Clean Air and Water ACT
 - Resource Conservation and Recovery Act (RCRA)
 - Superfund Amendments and Reauthorization Act (SARA)
 - Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)

- **Kansas Department of Health and Environment (KDHE)**
 - Household Hazardous Waste (HW)
 - Land Fills and Solid Waste
- **Department of Homeland Security (DHS)**
- **Federal Emergency Management Agency (FEMA)**
 - Presidential Directives
 - Federal Policy
- **Kansas Department of Emergency Management (KDEM)**
 - **Geary, Dickenson, Clay and Riley County Emergency Management**
 - Community Emergency Response Team (CERT)
 - National Incident Management System (NIMS)
 - Incident Command System (ICS)

Advisory Boards/Committees

- An essential ingredient to connect classroom instruction with workforce needs.
- Individuals who serve on advisory boards are recognized and respected representatives within their field.
- Members assist in the development of programs that ensure that our students have the skills necessary to successfully complete work place tasks.
- Recommend class/skill changes within programs or classes.

<i>Emergency Management (Homeland Security)</i>	Federal Emergency Management Agency (FEMA) “Higher Education Program”, Kansas Department of Emergency Management (KDEM), Kansas Emergency Management Association (KEMA)
Occupational Safety	OSHA, Midwest OSHA Training Consortium, USARMY Safety Command, Fort Rucker (C-12), National Environmental Safety and Health Training Association (NESHTA)
<i>Sustainable Energy</i>	Advanced Technology Environmental and Energy Center (ATEEC), Sustainable Energy Education and Training (SEET), Department of Energy (DOE), National Renewable Energy

	Laboratory (NREL),
<i>Logistics Management</i>	The Army Training and Doctrine Command (TRADOC), Army Fort Riley
<i>Maintenance Management</i>	The Army Training and Doctrine Command (TRADOC), Army Quartermaster Center, Fort Riley Material Command
<i>Leadership</i>	The Army Training and Doctrine Command (TRADOC), Department of Defense (DOD)
<i>Hazardous Waste Management</i>	Army Chemical School, Department of Transportation (DOT), Kansas Department of Transportation (KDOT), Kansas Department of Health and Environment (KDHE) Hazardous Materials Training and Research Institute (HMTRI),
<i>Transportation of Hazardous Materials</i>	The Army Training and Doctrine Command, (TRADOC), Department of Transportation (DOT), Kansas Department of Transportation KDOT (KDOT), Hazardous Materials Training and Research Institute (HMTRI),
<i>Emergency Medical (Military)</i>	USARMY, Army Medical Department (Fort Sam), National Registry
<i>Environmental Compliance</i>	National Partnership for Environmental Education and Training (PETE), Advanced Technology Environmental and Energy Center (ATEEC), Kansas Department of Health and Environment (KDHE), Environmental Protection Agency (EPA)

Employers

- It is critically important that the College extend itself to employers in all our service areas to develop and maintain professional relationships.
- Creation of these partnerships places the institution in a position of awareness with respect to current and future happenings within the business community, i.e. available positions, skills needed, economic changes, etc.

Chamber of Commerce & Technical Committees

- The Environmental Technology and Military Programs departments' involvement with various military and community committees provides insight to current and future training needs.
- The department currently serves as a member of the Junction City Chamber of Commerce.

Trends & Opportunities

- The Environmental Technology and Military Programs department participates in numerous workshops and conferences state wide as well as nationally.
- The Environmental Technology and Military Programs department participates in American Council on Education Military and Industry Reviews. These reviews allow the department to compare local curriculum with other industry and military training providers.
- Instructors and instructional staff attend specialized training opportunities provided by state, regional and national consortiums that provide new or updated workplace skills.

Indicator #2 - The College will organize area resources in addressing needs

- The military program provides services as needed throughout the state of Kansas and nationally with training provided in over 13 states.
- The environmental program located at the Hazardous Materials & Emergency Services Training Institute (HMESTI) has provided contract as well as custom certificate training across the state of Kansas for KDHE, KDOT, community college/tech programs and several large and small businesses.

C4 Facility Dates: June-Nov 2010

Indicator #3 & 4 - The College will build effective partnerships in addressing workforce needs and be recognized as a leader in economic development.

- Several Memorandum of Understandings (MOU) have been in place for over 15 years with Fort Riley and Kansas National Guard. Through these MOUs and partnerships, equipment, services and facilities, are provided to the college without cost.
- The HMESTI/Military department participates on several national boards and committees; National Partnership for Environmental Training and Education (PETE), Community and College Consortium of Safety and Health Trainers (CCCSHT), Sustainable Energy Education and Training (SEET), Federal Emergency Management Agency (FEMA) Higher Education Project, Local Emergency Planning Committee, Geary County (LEPC), Community Emergency Response Team (classes and coordination) several staff/instructors are firefighters and EMS volunteers within Riley, Dickenson, and Clay counties.
