**Reviewed by Cathie Oshiro on:** 08/02/2010 **Comments:** This proposal meets the mission of the Academics Division. The funding agreement has been supported by the College for more than 10 years, the match does not require additional college funding; it includes the salary of the director, student workers, and the existing Shafer Gallery budget..

**Presidential Review**

The College has received notification that it has been awarded the above grant. I have reviewed this grant and it is in concert with the mission and vision of Barton County Community College. I support the acceptance of this grant and recommend that the Board of Trustees authorize the College to accept the grant, which is in excess of the funding range for which I am authorized.
