Board of Trustees Meeting
Barton Community College

January 28, 2013

Recommendation: It is recommended that the Board approve the purchase of Ellucian Flexible Registration Software in the amount of $80,500 with yearly maintenance cost of $7,043.

Ellucian Flexible Registration Software - $80,500
Yearly Maintenance - $7,043 (January – July)
Total - $87,543

Familiar shopping cart functionality and flexible payment options make it easier for students to find the courses they need, particularly the non-credit courses often associated with continuing education and community service programs. You can also build course catalogs targeting a specific population, improving your ability to market programs effectively.
