

Academic Integrity

Initiative Overview

BARTON
COMMUNITY COLLEGE

Where have we been?

Issue/Challenge:

- With an academic integrity (AI) policy that dates back to 2002, we found ourselves under siege in 2018 with academic integrity violations.

New Focus:

- Policy & Procedure
- Professional Development (PD)
- Build a Culture of Integrity
- Collect Data & Student Success

Where are we now?

Policy & Procedure

- Academic Integrity Council
- Ongoing procedure review

Build a Culture of Integrity

- Student AI Ambassadors (Campaign)
- Integration across institution –
visuals, orientations, & course syllabi

Professional Development (PD)

- Procedural PD for faculty
- Awareness campaign
- Student presentations

Collect Data & Measure Success

- Maxient Implementation

Where are we going?

- **Build a Culture of Integrity**
 - New Student AI Ambassadors – Adding to AI council & assisting with student education
- **Collect Data & Measure Success**
 - Collecting data and investigate AI with metrics for measurement
- **Professional Development (PD)**
 - Utilizing data, research, and peer ambassadors
- **Policy & Procedure**
 - Using data, trends, and research to further strengthen and clarify procedure and practices
