

**AQIP Portfolio Update  
Report to the Board  
10/06/11**

**HLC Review**

Submission deadline is November 1<sup>st</sup>  
We are on track for submission

**Summary Highlights**

- Document has nine categories
- Each category is divided into three sections
  - Processes
  - Results
  - Improvements
- Student Learning
  - Noel Levitz Composite report indicated that Barton students were more satisfied with their Barton experience than students attending community colleges nationally.
  - IPEDS Data Feedback Report indicates that Barton's Graduation rate for normal time is equal to other Kansas community colleges. When completion time is extended to 150% of normal time Barton is 4% above other Kansas schools, and when extended to 200% of normal time Barton is 3% higher.
  - Compared to other Kansas community colleges, Barton awards twice as many degrees.
  - Barton transfer students (to Regent Universities) are performing at or above all other KS community colleges (except those transferring to Emporia State where Barton is .07 lower).
  - Students in programs with professional licensure/certification examinations have an overall pass rate of 85% (this includes only the first exam attempt).
  - Barton annual survey re satisfaction with Student Support Services in 2010 indicated that of the students responding who utilized the following services - - 100% were satisfied: Tutoring, Counseling, Cultural Activities, Advising, and Workshop Services.

**Scoring**

SS – Significant Strength

S – Strength

? – Neither Strength or Improvement Area (or disagreement exist regarding pro vs con)

O – Opportunity for Improvement

OO Outstanding Opportunity for Improvement

**Reminder - Barton will receive “low” scores (O’s & OO’s). We will likely receive low scores after future submissions as well, as this is part of the continuous improvement process.**
