## “Walk a Mile in Her Shoes”

“The financial support through sponsorship and team registration is so helpful but more importantly, the work of the students, athletes, coaches and staff helped raise awareness. They stood with us as we work to end sexual and domestic violence and they represented BCC and our community well! I am honored and proud of the partnership we have developed. What a pleasure it was to witness the giving spirit of Barton Community College!” -Laura Patzner, Executive Director of Family Crisis Center, Inc.

## Softball at Otis-Bison Elementary

“The softball team did an amazing job with our kids today. They dressed up like super heroes, read to the kids, delivered bookmarks, and visited with our students. It was a great time for our students and we look forward to another visit with them.”
