- Key Takeaways:
 - In-state, outside of 7 county service area enrollments continue to grow
 - Strong out of state enrollment
 - Transfer credits
 - Primarily KS universities & colleges
 - Out of state growing too
 - California, Texas, Missouri, Florida, and Colorado have largest enrollments
 - Given ↓ average age, ↑ freshman, and 90% Part Time
 - College/university students plan to transfer courses as part of their degree from the start.
- Current Considerations
 - Establish direct partnerships with other institutions
