

Board of Trustees – College projects report – April 11, 2017

Planning at Barton County Community College is an ongoing effort to anticipate, predict and align future activities and provide a framework to advance the College's vision, mission and goals. It must be clear to the entire organization where we are going, why we are going there, and how we will get there.

Major college projects will align with Vision, Mission, ENDS, and Core Priorities.

Vision

Barton Community College will be a leading educational institution, recognized for being innovative and having outstanding people, programs and services.

Mission

The Mission of Barton Community College is to provide quality educational opportunities that are accessible, affordable, continuously improving and student focused. Barton is driven to provide an educational system that is learning-centered, innovative, meets workforce needs, strengthens communities, and meets the needs of a diverse population.

We will seek to achieve our mission through eight ENDS and four Core Priorities (Values) that define our commitment to excellence in education.

ENDS

1. Essential Skills
2. Work Preparedness
3. Academic Advancement
4. "Barton Experience"
5. Regional Workforce Needs
6. Barton Services and Regional Locations
7. Strategic Plan
8. Contingency Planning

Core Priorities

Drive Student Success
Cultivate Community Engagement
Optimize Employee Experience
Emphasize Institutional Effectiveness

As the college community interprets the above guiding statements we produce projects which we believe align and meet the intent of the Board.

To assist presidents staff in monitoring progress and current activity of major college projects a white board has been placed in A-113. This white board lists project title and lead personnel and is used as both a reporting tool and guidance as to whether more projects can be added.
