

Barton Instruction

Three Year Planning

Center for Innovation & Excellence

- Provide training for all college stakeholders; assist in the development of individual professional development plans
- Support quality instruction at all locations and in all modalities
 - Launch “Preview Courses” that give students an opportunity to interact with a course and instructor prior to enrollment
 - Adopt a course rubric system that addresses synchronous and asynchronous course development
- Address adjunct faculty orientation with programming that is available at the time of hire

Center for Innovation & Excellence

- Develop mentoring program for faculty and staff
- Complete the three-year OER Plan +; replace textbook loan system at Fort Riley and Fort Leavenworth with OER
- Establish at least one OER degree option – set a pathway
- Achieve ADA compliance across Barton instruction
- Provide K-12 OER outreach options

Programming
